OPEN JUSTICE

A Guide to Information Within the Department of Justice

DEPARTMENT OF JUSTICE

88 p. 1982. $3.50 plus 55c p & p

Produced jointly by Brian Priestley and the Department of Justice, this publication is intended to capture and hold the reader's attention and facility to ready referencing of the subject covered. It does this admirably in being a guide to the information available to the public within one of New Zealand's most important and complex Government departments, as well as a booklet which is likely to be read and considered by many people interested in the campaign for more openness in government.
