Part IV amends the Education Act 1964 by changing the Minister's powers of delegation in respect of the provision of school transport assistance. Rather than the Minister delegating powers to Education Boards, the Minister may delegate those powers to any person or body she or he thinks fit.

Biosecurity

The purpose is the exclusion, eradication or effective management of pests and unwanted organisms. Envisages that the Acts under which these functions are presently carried out will be repealed over a period of time in order to allow for the administration changes required.

Provides for the:

(a) Management of risks associated with the importation of any goods that may result in the introduction of harmful organisms;

(b) Continual monitoring for the presence of unwanted organisms in the country;

(c) Management or eradication of diseases, pests or noxious plants;

(d) Provision of emergency powers for the prevention, management or eradication of unwanted organisms if emergencies occur;

(e) Provision of indemnities for inspectors and for the Crown; and

(f) Provision of regulation-making powers.
