461PA Meaning of large after amalgamation

- (1) For the purposes of this Part, a person (A) is **large after amalgamation** in respect of an accounting period if—

- (b) a registered bank, licensed insurer, credit union, or building society that is large under **section 461P**.

461Q Meaning of large manager

- (1) For the purposes of this Part, a manager (A) that holds a market services licence that covers the service referred to in section 388(a) is a **large manager** in respect of an accounting period of A if, as at the balance date of each of A's 2 preceding accounting periods, the total assets of the following schemes exceed \$1 billion: 35

(a)	all schemes for which A is manager; and	
(b)	all schemes for which the manager is an authorised body that provides the service of acting as a manager of a registered scheme under A's market services licence.	
(2)	If A is a large manager, every manager described in subsection (1)(b) is also a large manager .	5
	Example	
	Company A holds a licence that covers acting as a manager of registered schemes. A's subsidiaries, B and C, also provide this service under A's licence (as authorised bodies).	10
	The assets of the schemes for which A is manager total \$700 million on the balance date of each of A's 2 preceding accounting periods (the relevant balance dates).	
	The assets of the schemes managed by B total a further \$300 million, and the assets of the schemes managed by C total \$200 million, on each of the relevant balance dates.	15
	The total assets therefore exceed \$1 billion. A is a large manager. B and C are also large managers.	
(3)	Subsections (4) and (5) apply if—	
(a)	a manager and a scheme managed by the manager have different balance dates; and	20
(b)	the manager becomes, or ceases to be, a large manager.	
(4)	If the manager was not a large manager in respect of an accounting period (AP1) but becomes a large manager in respect of the next accounting period (AP2), the manager—	25
(a)	is not treated as a large manager in respect of the scheme in relation to the accounting period of the scheme that starts in AP1 and ends in AP2 unless paragraph (b) applies:	
(b)	must be treated as a large manager in respect of the scheme in relation to the accounting period of the scheme that starts in AP1 and ends in AP2 if—	30
(i)	the manager was not the manager of the scheme at the start of that accounting period of the scheme; and	
(ii)	the manager at the start of that accounting period of the scheme was a climate reporting entity in respect of the scheme.	35
(5)	If the manager was a large manager in respect of an accounting period (AP3) but ceases to be a large manager in the next accounting period (AP4), the manager must be treated as a large manager in respect of the scheme in relation to the accounting period of the scheme that starts in AP3 and ends in AP4.	
(6)	In this section, the total assets of a scheme are—	40

- (a) as reported in the most recent audited financial statements, prepared in accordance with generally accepted accounting practice, for the scheme; or
 - (b) if there are no such statements, as calculated—
 - (i) for a date as near as possible to the balance date of the manager; and
 - (ii) as if for the purpose of preparing financial statements for the scheme in accordance with generally accepted accounting practice.
- (7) In this section, **scheme** means a registered scheme (other than a restricted scheme). 10

461QA Application if person’s status changes during accounting period

- (1) If a person ceases to be a climate reporting entity during an accounting period, that person is treated as continuing to be a climate reporting entity in relation to that accounting period for the purposes of this Act and every other enactment. 15
- (2) However, **subsection (3)** applies if the person (A)—
 - (a) ceased to be a climate reporting entity under **section 461O(1)**; and
 - (b) on the balance date, is not a climate reporting entity under **section 461O(1)** (disregarding the rule in **subsection (1)**).
- (3) If this subsection applies,— 20
 - (a) A is not required to ensure the completion of climate statements or group climate statements under any of **sections 461W to 461Y** and the lodgement of those climate statements in relation to the accounting period:
 - (b) records required to be kept by A up to the date that A ceased to be a climate reporting entity under **section 461O(1)** are CRD records for the purposes of **sections 461T to 461V**. 25
- (4) In any case where a person is, or was, the manager of a registered scheme (and a climate reporting entity under **section 461O(2)** in respect of the scheme), **subsection (1)** does not limit— 30
 - (a) **section 461Q(5)** (which applies if the manager and the scheme have different balance dates); or
 - (b) **section 461ZA** (which may apply if the manager of a scheme changes during an accounting period).

461R Miscellaneous provision relating to application 35

- 2 Nothing in this Part requires a climate reporting entity to ensure the completion of climate statements or group climate statements and the lodgement of those climate statements in relation to an accounting period that ended before the accounting period in which that person became a climate reporting entity.

- (c) the FMA; and 35
- (d) any other persons authorised or permitted by an enactment to inspect the CRD records of the climate reporting entity or scheme.

- (a) completed in relation to the entity and that balance date; and
- (b) dated and signed on behalf of the entity by 2 directors of the entity or, if the entity has only 1 director, by that director.
- (2) However, **subsection (1)** does not apply to—
- (a) a climate reporting entity that, on the balance date referred to in **subsection (1)**, has 1 or more subsidiaries; or
- (b) an overseas climate reporting entity, unless it is a climate reporting entity under **section 461O(1)(a)**; or
- (c) a person that is a climate reporting entity only under **section 461O(2)**.
