 - (b) in the case of a derivative, withdraw from the derivative.
- (2) The right referred to in subsection (1) is exercisable by A giving to the offeror notice of the exercise of the right within 1 month after the date of the issue or transfer.
- (3) Notice under this section may be expressed in any way (including oral or written) that shows the intention of A to withdraw from holding the financial product or from the derivative.

41 Meaning of regulated offer and of regulated product

- (1) In this Act, **regulated offer**—
 - (a) means an offer of financial products to 1 or more investors where the offer to at least 1 of those investors requires disclosure under this Part (regardless of whether or not an exclusion under Schedule 1 applies to an offer to 1 or more other investors); but
 - (b) does not include an offer of financial products to 1 or more investors if—

- (i) the only investors who are able, under the terms of the offer, to acquire the products are investors to whom disclosure under this Part is not required; and
- (ii) all of the investors who acquire the products under the offer are investors to whom disclosure under this Part is not required.

Example

ABC Limited makes an offer of its ordinary shares to 100 investors.

Of those investors, 5 are wholesale investors, 15 are relatives of directors of ABC Limited, and 20 are close business associates of ABC Limited. Exclusions under Schedule 1 apply and accordingly the offers to these investors do not require disclosure under this Part.

However, none of the exclusions in Schedule 1 apply to the remaining 60 investors. The offer to each of these investors requires disclosure. This means that a product disclosure statement must be given to each of the 60 investors under section 50 (subject to section 51).

The offer of ABC Limited's ordinary shares, as a whole, is a regulated offer because at least some of the offers to investors require disclosure.

Some obligations under this Act apply to the regulated offer as a whole. These obligations apply to all of the investors even if the offers to some of those investors do not require disclosure. For example, all money paid for the shares must be held in trust under section 87 (even if the money is paid by a wholesale investor, a relative, or a close business associate), ongoing disclosure under subpart 4 may be required to be made to a wholesale investor, a relative, or a close business associate, and registers of financial products kept under subpart 4 of Part 4 relate to products held by all product holders.

-
- (2) In this Act, **regulated product** means—
 - (a) a financial product offered under a regulated offer; or
 - (b) a managed investment product in a registered scheme (whether or not there has been a regulated offer).

42 Regulated offers that need to meet additional governance requirements

- (1) A regulated offer of debt securities must meet requirements under subpart 1 of Part 4.
- (2) A regulated offer of managed investment products must meet requirements under subpart 2 of Part 4.

43 Options over financial products

- (1) For the purposes of this Part and Schedule 1,—
 - (a) an offer of an option to acquire, by way of issue, a financial product is an offer both of the option and of the underlying financial product; and
 - (b) the grant of an option without an offer of the option is an offer of the option; and

- (c) an offer to grant an option is an offer to issue the option.
- (2) *See* clause 11 of Schedule 1 for an exclusion in relation to options.
Compare: Corporations Act 2001 s 702 (Aust)

44 Treatment of offers of convertible financial products

For the purposes of this Part and Schedule 1, an offer of a financial product that will be converted, or is or may become convertible, into another financial product is an offer both of the financial product that is issued and of the financial product into which it converts.

45 Treatment of offers of renewals and variations

- (1) For the purposes of this Part and Schedule 1, an offer of a renewal or variation of the terms or conditions of a financial product made by the issuer is an offer of the financial product as renewed or varied.
- (2) A change to the terms or conditions of a financial product is not a variation for the purposes of this section if the change is made in accordance with the existing terms or conditions of the financial product (for example, if the issuer exercises a power under the terms or conditions to change an interest rate).
- (3) *See* clause 24 of Schedule 1 for an exclusion in relation to renewals and variations (but limited disclosure may be required under clause 26 of that schedule).

46 Offers of financial products involving customised terms

- (1) Offers of a type of financial product to 2 or more investors are not prevented from being part of the same regulated offer merely because the product involves terms that are customised for each investor.
- (2) The PDS and register entry for a regulated offer are not required to include specific information about any customised terms that apply to a particular investor.
- (3) Subsection (2) does not prevent the regulations from requiring a PDS or register entry to contain information about the kinds of terms that may be customised for each investor.

Example

A derivatives issuer makes an offer of a particular type of swap agreement to retail investors (where the offer to at least 1 of those investors requires disclosure under this Part).

These derivatives involve some standard or generic terms. They also involve customised terms that are negotiated with each retail investor (for example, terms relating to particular dates or amounts).

The offer of those derivatives to those investors is a regulated offer.

The PDS or register entry relates to the regulated offer as a whole. The PDS and register entry do not include specific information about the customised terms that apply to a particular investor. This does not prevent the regulations requiring the

PDS or register entry to contain a description of the kinds of customised terms that may be negotiated (such as a range of dates or amounts).

47 Territorial scope of Part

- (1) This Part applies to offers of financial products in New Zealand, regardless of—
 - (a) where any resulting issue or transfer occurs;
 - (b) where the issuer or offeror is resident, incorporated, or carries on business.
- (2) For the purposes of subsection (1), financial products are offered in New Zealand if an offer of the financial products is received by a person in New Zealand, unless the offeror demonstrates that it has taken all reasonable steps to ensure that persons in New Zealand (other than persons referred to in subsection (3)) may not accept the offer.
- (3) The persons referred to in this subsection are persons to whom disclosure under this Part is not required because of an exclusion under any of clauses 3 to 5 of Schedule 1.

Compare: 1978 No 103 s 7

Subpart 2—Procedure for making regulated offers

Product disclosure statement must be prepared and lodged

48 PDS must be prepared and lodged

- (1) A person must not make a regulated offer, or distribute an application form for a regulated offer, unless the issuer of the financial products has—
 - (a) prepared a product disclosure statement (**PDS**) for the offer; and
 - (b) lodged the PDS with the Registrar; and
 - (c) supplied to the Registrar all of the information that the register entry (if any) is required to contain by this Act or the regulations.
- (2) A person who contravenes subsection (1) commits an offence if the person knows that, or is reckless as to whether, the offer is a regulated offer.
- (3) A person who commits an offence under subsection (2) is liable on conviction,—
 - (a) in the case of an individual, to imprisonment for a term not exceeding 5 years, a fine not exceeding \$500,000, or both; and
 - (b) in any other case, to a fine not exceeding \$2.5 million.

Compare: Corporations Act 2001 ss 709(1), 718, 727(1) (Aust)

49 Purpose of PDS

The purpose of a PDS is to provide certain information that is likely to assist a prudent but non-expert person to decide whether or not to acquire the financial products.

*Disclosure to investors***50 PDS must be given if offer requires disclosure**

- (1) This section applies if an offer of financial products is made to a person (A) to whom disclosure under this Part is required.
- (2) A person must not accept an application, or issue or transfer the financial products to A, if a PDS for the regulated offer was not given to A before the application was made.
- (3) In this section, **application** means an application for the financial products that is made by A.
- (4) *See* sections 39 and 40 and Schedule 1, which contain provisions relating to when an offer of financial products to a person requires disclosure under this Part.

51 Certain situations in which section 50 does not need to be complied with

- (1) An offeror does not have to comply with section 50 in respect of an offer of financial products to a person (A)—
 - (a) if A has already been given a PDS (for the same or a different offer) that contains all of the information that the PDS referred to in section 50 would be required to contain; or
 - (b) if the offeror believes on reasonable grounds that paragraph (a) applies; or
 - (c) in any other prescribed circumstances.
- (2) For the purposes of subsection (1)(a), immaterial differences in the information that is contained in the PDS that has been given to A and the PDS referred to in section 50 may be disregarded.

Compare: Corporations Act 2001 s 1012D(1) (Aust)

52 PDS treated as having been given if application form used was included in, or accompanied by, PDS

- (1) An offeror must be treated as having complied with section 50 in respect of an offer of financial products to a person (A) if—
 - (a) the offeror issues or transfers the financial products to A in response to an application form; and
 - (b) the application form identifies the PDS to which it relates; and
 - (c) A confirms in the application form that A has received the PDS; and

- (d) the offeror has reasonable grounds to believe that—
 - (i) the application form was included in, or accompanied by, the PDS when the form was distributed by or on behalf of the offeror; or
 - (ii) the form was copied, or directly derived, by the person making the application from a form referred to in subparagraph (i).
- (2) The identification of the PDS under subsection (1)(b) must be reasonably prominent.

53 Offence to knowingly or recklessly contravene section 50

- (1) A person who contravenes section 50 commits an offence if the person knows that, or is reckless as to whether, the offer of financial products to A requires disclosure under this Part.
- (2) A person who commits an offence under subsection (1) is liable on conviction,—
 - (a) in the case of an individual, to imprisonment for a term not exceeding 5 years, a fine not exceeding \$500,000, or both; and
 - (b) in any other case, to a fine not exceeding \$2.5 million.

54 Right to withdraw

- (1) If a person contravenes section 50 in respect of an offer of financial products to a person (A), A has the right to—
 - (a) withdraw from holding the financial products and to have the relevant money repaid (in any case other than a derivative); or
 - (b) in the case of a derivative, withdraw from the derivative.
- (2) The right referred to in subsection (1) is exercisable by A giving to the offeror notice of the exercise of the right within the earlier of—
 - (a) 6 months after A knows, or ought reasonably to know, that section 50 has been contravened; and
 - (b) 12 months after the financial products are issued or transferred to A.
- (3) Notice under this section may be expressed in any way (including oral or written) that shows the intention of A to withdraw from holding the financial product or from the derivative.
- (4) This section and sections 55 and 56 do not limit any other liability that a person may have for a contravention of section 50.

55 Offeror obligations if notice of withdrawal given

- (1) If a notice is given under section 54 in relation to a financial product other than a derivative,—
 - (a) the offeror must ensure that the relevant money is repaid as soon as practicable; and

- (b) if the relevant money is not repaid within 1 month after the notice is given, the offeror and the directors of the offeror are jointly and severally liable to repay the relevant money together with interest at a prescribed rate from the date on which the notice was given.
- (2) If a notice is given under section 54 in relation to a derivative,—
- (a) no party to the derivative is obliged or entitled to perform it further; and
 - (b) each party to the derivative must, as soon as practicable, repay any money, or return any other property, received by the party under the derivative to the party from whom it was received; and
 - (c) if money owed by the offeror is not repaid within 1 month after the notice is given, the offeror and the directors of the offeror are jointly and severally liable to repay the money together with interest at a prescribed rate from the date on which the notice was given.
- (3) For the purposes of subsection (2)(b), an amount of money due from one party must be set off against an amount due from the other party.

56 Director not liable if no misconduct or negligence

A director is not liable under section 55(1)(b) or (2)(c) if he or she proves that the default in the repayment of the money was not due to any misconduct or negligence on his or her part.

Content and presentation of product disclosure statements and register entries

57 Disclosure of material information and content of PDS and register entry

- (1) An issuer that prepares, or is required to prepare, a PDS must ensure that, as at the date on which the PDS is lodged with the Registrar,—
- (a) the PDS—
 - (i) contains all of the information that it is required to contain by the regulations; and
 - (ii) is accompanied by all of the documents that the regulations require it to be accompanied by; and
 - (iii) complies with all other requirements of the regulations relating to the content of the PDS; and
 - (iv) is dated not later than the date on which it is lodged with the Registrar; and
 - (v) if applicable, specifies its expiry date (*see* section 84) and states that no financial products will be issued or sold on the basis of the PDS in relation to applications received after the expiry date; and
 - (vi) complies with section 60 (consent for expert statements or endorsements); and
 - (b) the register entry (if any)—

- (i) contains all of the information that it is required to contain by the regulations; and
 - (ii) contains all material information relating to the regulated offer that is not contained in the PDS; and
 - (iii) complies with all other requirements of the regulations relating to the content of the register entry; and
 - (iv) complies with section 60 (consent for expert statements or endorsements).
- (2) Subsection (1)(b)(ii) does not limit subsection (1)(a).
- (3) Subsection (1)(b)(ii) does not apply in the prescribed circumstances (which may include, for example, certain offers to existing product holders or certain situations in which information about an offer is available by means of a continuous disclosure obligation).

58 Register entry not required in prescribed circumstances

A register entry for a regulated offer is not required in the prescribed circumstances.

59 Meaning of material information in this Part

- (1) In this Part, **material information**, in relation to a regulated offer, means information that—
- (a) a reasonable person would expect to, or to be likely to, influence persons who commonly invest in financial products in deciding whether to acquire the financial products on offer; and
 - (b) relates to the particular financial products on offer or the particular issuer, rather than to financial products generally or issuers generally.
- (2) However, **material information** does not include—
- (a) information about the specific terms of a financial product that have been customised for a particular investor; or
 - (b) information about an identifiable investor.

Example

A derivatives issuer makes an offer of a particular type of swap agreement to retail investors.

These derivatives involve some standard or generic terms. They also involve customised terms that are negotiated with the particular retail investor (for example, terms relating to particular dates or amounts).

The material information for the regulated offer as a whole does not include specific information about the customised terms that apply to a particular investor. This does not prevent the regulations requiring the PDS or register entry to contain a description of the kinds of customised terms that may be negotiated.

Compare: Corporations Act 2001 ss 674, 677, 710, 1013E (Aust)

60 Consent of experts and persons who make endorsements

- (1) An issuer that prepares, or is required to prepare, a PDS must ensure that the PDS and the register entry only include an expert statement or endorsement made by a person (A), or a statement said in the PDS or register entry to be based on an expert statement or endorsement made by a person (A), if—
- (a) A has consented in writing to the statement being included in the PDS or register entry in the form and context in which it is included; and
 - (b) the PDS or register entry states that A has given the consent; and
 - (c) A has not withdrawn the consent before the PDS is lodged with the Registrar.
- (2) Nothing in subsection (1) applies in relation to any statement given by an approved rating agency in connection with a rating given, or to be given, by it.
- (3) In this section and section 83(3),—

approved rating agency means a rating agency nominated or approved under section 80 of the Banking (Prudential Supervision) Act 1989, section 86 of the Non-bank Deposit Takers Act 2013, or section 62 of the Insurance (Prudential Supervision) Act 2010

endorsement means a statement that—

- (a) may reasonably be regarded as encouraging or persuading persons to acquire the financial products on offer; and
- (b) relates to the particular financial products on offer or the particular issuer, rather than to financial products generally or issuers generally

expert—

- (a) means a person who holds himself or herself out to be of a profession or calling that gives authority to a statement made by him or her; but
- (b) does not include a person acting in his or her capacity as a director or senior manager of an entity

expert statement means a statement purporting to be made by an expert.

Compare: Corporations Act 2001 ss 716, 735(1) (Aust)

Section 60(3) **approved rating agency**: amended, on 1 May 2014, by section 102 of the Non-bank Deposit Takers Act 2013 (2013 No 104).

61 PDS must be worded and presented in clear, concise, and effective manner

- (1) An issuer that prepares, or is required to prepare, a PDS must ensure that the information in the PDS is worded and presented in a clear, concise, and effective manner.

- (2) This section is not a civil liability provision for the purposes of subpart 3 of Part 8 (but *see* subpart 1 of Part 8, which allows the FMA to make a stop order if a PDS does not comply with this section).

Compare: Corporations Act 2001 s 715A (Aust)

62 PDS must comply with prescribed requirements relating to form and presentation

An issuer that prepares, or is required to prepare, a PDS must ensure that the PDS complies with all requirements of the regulations relating to the form and presentation of the PDS.

Other provisions relating to lodging of PDS and other documents

63 Supply of prescribed information

- (1) An issuer that lodges a PDS or other document under this Part must supply the prescribed information to the Registrar when the PDS or document is lodged.
- (2) Information referred to in subsection (1) may include, for example, a copy of the consent of a prescribed person to the lodgement.
- (3) An issuer that contravenes this section commits an offence and is liable on conviction to a fine not exceeding \$50,000.
- (4) The offence in this section is an infringement offence (*see* subpart 5 of Part 8).

64 Registrar must notify FMA of lodgement of PDS

- (1) The Registrar must, immediately after a PDS is lodged, notify the FMA of the lodgement for the purpose of allowing the FMA an opportunity to consider the PDS, any governing document, and whether the offer, or intended offer, of financial products will be made in compliance with this Act.
- (2) The nature and extent of the consideration under subsection (1) (if any) is at the FMA's discretion.
- (3) Nothing in this section or any other provision of this Act limits the FMA's power to consider or reconsider at any time any of the matters referred to in subsection (1).

Compare: 1978 No 103 s 43C(1), (3), (4)

65 Waiting period after lodgement before processing applications for financial products

- (1) An offeror must not accept an application for, or issue or transfer, financial products offered under a regulated offer until—
- (a) the period of 5 working days after lodgement of the PDS has ended; or
- (b) if the period is extended under section 66, the period as extended has ended.

- (2) An offeror that contravenes this section commits an offence and is liable on conviction to a fine not exceeding \$50,000.
- (3) The offence in this section is an infringement offence (*see* subpart 5 of Part 8).
- (4) This section does not prevent an offeror from receiving applications for financial products or money during the period that applies under this section.

Compare: 1978 No 103 s 43D; Corporations Act 2001 s 727(3) (Aust)

66 FMA may extend period

- (1) The FMA may extend the period under section 65(1)(a) by notice in writing to the offeror.
- (2) The period, as extended, must end no later than 10 working days after lodgement of the PDS with the Registrar.
- (3) The FMA must give a copy of the notice under subsection (1) to the Registrar.

67 Waiting period restriction does not prevent offeror from acting under another PDS

If section 65 applies to a PDS that relates to a particular offer of financial products but another lodged PDS that is not or is no longer subject to section 65 also relates to the offer of those products, that section does not prevent an offeror, in accordance with this Act, from accepting applications for, or issuing or transferring, financial products in reliance upon the other PDS.

68 FMA may remove restrictions if its consideration complete or consideration or further consideration unnecessary

- (1) This section applies if the FMA is satisfied that—
 - (a) its consideration as referred to in section 64 is complete; or
 - (b) consideration as referred to in section 64 is, in the circumstances, unnecessary.
- (2) The FMA may give notice to the offeror that—
 - (a) the period that applies under section 65 ends at a particular time specified by the FMA (being an earlier time than that provided for under that section); or
 - (b) section 65 does not apply in respect of the PDS.
- (3) Nothing in this section limits subpart 2 of Part 9 (which allows the FMA to grant exemptions in respect of compliance with section 65).

Compare: 1978 No 103 s 43E

69 Waiting period does not usually apply to continuous issue PDSs

- (1) Section 65 applies to a continuous issue PDS only if it is of a class that is prescribed by the FMA in a notice issued under this section.

- (2) The FMA may issue a notice that prescribes the class or classes of continuous issue PDSs to which section 65 applies.
- (3) The FMA must, before issuing a notice in respect of a class of continuous issue PDSs, be satisfied that it is in the public interest for the FMA to have an opportunity to consider those PDSs before any person accepts applications for, or issues or transfers, financial products offered under those PDSs (for example, where in the circumstances, a particular risk relates to a particular class of offerors or financial products).

 - (a) subpart 1 sets out the need for a trust deed and a supervisor, and other issuer and supervisor obligations, for regulated offers of debt securities:
 - (b) subpart 2 sets out the need for a managed investment scheme to be registered for regulated offers of managed investment products, and the need for a governing document and a supervisor, and other issuer, supervisor, and custodian obligations, for registered schemes:
 - (c) subpart 3—

 - (ii) provides powers of intervention to enable the supervision of those debt securities or registered schemes by the supervisor or the FMA (in addition to the powers in Part 8):
 - (d) subpart 4 contains ongoing duties of issuers of all regulated products to maintain registers and keep copies of documents.

Subpart 1—Governance of debt securities

103 Need for governing document and supervisor for regulated offer of debt security

- (1) A person must not make a regulated offer of a debt security unless—

- (a) there is a trust deed for the debt security that—
 - (i) complies with sections 104 to 106; and
 - (ii) is lodged with the Registrar with a certificate from the issuer and supervisor to the effect that the trust deed complies with those sections on the basis set out in the certificate; and

 - (i) who is designated or appointed as the trustee under the trust deed for the debt security (or under the Financial Markets Supervisors Act 2011); and
 - (ii) whose licence covers supervision of the debt security.
- (2) A reference in this subpart to—
- (a) a trust deed is a reference to the trust deed required by subsection (1); and
 - (b) a debt security is a reference to a debt security offered under a regulated offer.
- (3) The issuer of the debt security must ensure that there continues to be a trust deed and licensed supervisor as required by subsection (1) until the debt security is cancelled, redeemed, or forfeited, or all of the obligations owing under the debt security have been discharged.

Governing document requirements

104 Contents of trust deed for debt securities

- (1) A trust deed for a debt security must provide that the following are held in trust by the supervisor for the benefit of the holders of the debt security:
- (a) the right to enforce the issuer's duty to repay, or to pay interest, under the terms of the debt security; and
 - (b) any charge or security for repayment; and
 - (c) the right to enforce any other duties that the issuer, any guarantor, and any other person have under—
 - (i) the terms of the debt security; or
 - (ii) the provisions of the trust deed or this Act in relation to the debt security.
- (2) Subsection (1) does not prevent a holder of a debt security from enforcing the issuer's duty to repay, or to pay interest, or any other duties that the issuer, any guarantor, or any other person owes to the holder.
- (3) The trust deed is treated as containing any provision that is implied into it by or under this Act.

- (4) The trust deed must also provide adequately for all of the matters required to be contained in it by section 105 and the regulations.
- (5) The trust deed must provide for the contents required by this section in accordance with the frameworks and methodologies specified in notices issued by the FMA under subpart 4 of Part 9 (if any).

105 Limits on permitted exemptions and indemnities

- (1) If a supervisor of a debt security has any rights to be indemnified in relation to the performance of the supervisor's licensee obligations (as defined in section 4 of the Financial Markets Supervisors Act 2011), those rights—
 - (a) must be set out in the trust deed for the debt security; and
 - (b) are available only in relation to the proper performance of the duties under sections 112(1) and 113.
- (2) No other agreement has any effect to the extent that it purports to confer a right of a kind set out in subsection (1).

Compare: Corporations Act 2001 s 283DB (Aust); 1978 No 103 s 62

106 Trust deed must be legally enforceable

A trust deed for a debt security must be contained in 1 or more documents that are legally enforceable as between the supervisor, the issuer of the debt security, and the product holders.

107 Effect of trust deed

A trust deed for a debt security has no effect to the extent that it contravenes, or is inconsistent with, this Act, the regulations, or any term implied into it by this Act or the regulations.

108 Changes to trust deed

- (1) An amendment to or a replacement of a trust deed for a debt security has no effect unless made—
 - (a) with the consent of the supervisor of the debt security under this section; or
 - (b) under section 109; or
 - (c) under section 22(7) or 37(6) of the Financial Markets Supervisors Act 2011 or any other power to amend or replace the trust deed under an enactment.
- (2) The supervisor must not consent to an amendment to, or a replacement of, the trust deed under this section unless—
 - (a) either—

- (i) the amendment or replacement is approved by, or is contingent on approval by, the holders of the debt security; or
 - (ii) the supervisor is satisfied that the amendment or replacement does not have a material adverse effect on the holders of the debt security; and
 - (b) the supervisor certifies to that effect and certifies, or obtains a certificate from a lawyer, that the trust deed, as amended or replaced, will comply with sections 104 to 106 on the basis set out in the certificate.
- (3) The approval of the holders of the debt security for the purposes of subsection (2)(a) must be the approval of a special resolution of—
- (a) the holders of the debt security; or

- (4) Subsection (2) is subject to section 112(2)(b).

109 Power to make FMA-approved changes to trust deeds

- (1) An issuer may amend or replace a trust deed for a debt security with the FMA's consent if the FMA is satisfied that it is necessary to enable the trust deed to comply with this subpart or any enactment or rule of law.
- (2) Subsection (1) applies despite anything to the contrary in the trust deed or in any enactment, rule of law, or agreement, including anything relating to the consent of any person to the making of amendments to the trust deed.
- (3) The FMA's discretion to set preconditions for requests to it includes (without limitation) a discretion to set preconditions that satisfy the FMA that it is appropriate for the amendment or replacement to be made under this section rather than by means of another power or process.
- (4) An amendment or a replacement made under this section must be treated for all purposes as if it were authorised by, and made in accordance with, the trust deed.

110 Lodging of changes to trust deed

- (1) Within 5 working days after an amendment to or a replacement of a trust deed for a debt security, the issuer must ensure that notice of the amendment or replacement, and a copy of the certificate for the amendment or replacement (if any), is lodged with the Registrar.
- (2) An issuer that contravenes this section commits an offence and is liable on conviction to a fine not exceeding \$50,000.

- (1) A person must not make a regulated offer of a managed investment product, or accept further contributions if there has been a regulated offer of a managed investment product, unless the managed investment scheme is registered.
- (2) However, a managed investment scheme may be registered even if there is no regulated offer of a managed investment product in the scheme but, in this case,—
 - (a) the managed investment products in the scheme are regulated products under section 41; and

- (b) this Act applies accordingly (for example, in addition to this subpart, *see* section 87 (money for financial products must be held in trust) and subpart 4 of Part 3 (ongoing disclosure)).
- (3) A scheme that is approved as a Schedule 3 scheme under Schedule 3 may not be registered under this subpart.

127 Initial and ongoing registration requirements for all managed investment schemes

- (1) Every registered scheme must meet the following registration requirements:

- (a) it must be a trust established and governed by a trust deed that is interpreted and administered in accordance with New Zealand law; and
 - (b) its purpose must be to provide retirement benefits directly to individuals; and
 - (c) it must, accordingly, restrict redemptions, withdrawals, and the provision of benefits in respect of a member's accumulation (including in the way the trust deed is applied) to those permitted under the KiwiSaver scheme rules under the KiwiSaver Act 2006; and
 - (d) it must admit as members (both in its conditions of entry of scheme participants and in the way those conditions are applied on entry) only persons who meet the New Zealand criteria set out in subsection (2) or (3); and
 - (e) it must be a scheme under which contributions are allocated to scheme participants on an individual basis; and

 - (b) is transferring the member's entitlements from scheme B to scheme A.
- (4) If the KiwiSaver scheme is a restricted scheme,—

 - (g) it must not be registered as a KiwiSaver scheme.
- (2) However, a superannuation scheme may meet the requirements in subsection (1)(b) to (f) in respect of a section of the scheme only, and, in that case, the scheme is a superannuation scheme in respect of that section of the scheme.
- (3) Subsection (1)(b), (c), and (f) do not apply to a scheme, or a section of a scheme, that is closed to new members at the time of its registration (a **legacy scheme**), and instead it must meet the following registration requirements:

- (1) The supervisor of a registered scheme (**A**) must hold the scheme property or, if authorised by the governing document, contract the holding of the scheme property to another person (**B**) who meets the external custodianship requirements.
- (2) If there is no supervisor for the scheme (for example, in the case of a restricted scheme), the scheme property must be held in 1 of the following ways:
- (a) in the case of a restricted scheme, by a body corporate that is either a corporate trustee of the restricted scheme or has, as its directors, only persons who are trustees of the restricted scheme; or
 - (b) by a person (**B**) who meets the external custodianship requirements and to whom the manager of the scheme (**A**), if authorised by the governing document, has contracted the holding of the scheme property.
- (3) B may, if authorised in writing by A, in turn contract the holding of the scheme property to another person who meets the external custodianship requirements.
- (4) To meet the external custodianship requirements, a person must—
- (a) be a body corporate that A or (if B contracted the custodian) B believes, on reasonable grounds, to be appropriate to hold, and safeguard, the scheme property; and
 - (b) not be the same person as, or be associated with, the manager or, in the case of a restricted scheme, any of the trustees (other than by virtue of the custodianship).
- (5) If a person contracts the holding of the scheme property to another person (**the nominee**) under this section, the person contracting out that function—
- (a) must take all reasonable steps to—
 - (i) ensure that the function is performed by the nominee in the same manner and subject to the same duties and restrictions as if that person were performing it directly; and

- (ii) monitor the performance of that function; and
 - (b) is jointly and severally liable with the nominee (and any other person who has contracted out the function) for the performance of that function in accordance with paragraph (a).
- (6) This section does not apply to the extent that scheme property is held directly by the scheme participants.

- (2) The custodian for a registered scheme must ensure that the scheme property is held separate from property held by any of the following persons on their own account:
- (a) the custodian;
 - (b) any related party of the scheme.
- (3) The custodian must also comply with any other prescribed duties and other requirements in relation to the scheme property.

- (1) The custodian for a registered scheme must keep, or ensure that there are kept, records that—
- (a) identify the scheme property; and

- (2) The custodian for a registered scheme must also keep all other prescribed records.
- (3) The custodian for a registered scheme must—
- (a) keep the records required by this section, or ensure that they are kept, in a manner that enables those records to be conveniently inspected by the

manager and the supervisor and conveniently and properly audited or reviewed; and

- (b) comply with the prescribed requirements (if any) relating to those records and their audit, review, or inspection.

159 Custodian must report on scheme property

- (1) A custodian for a registered scheme must, in the prescribed circumstances, provide confirmation information to the manager or other prescribed persons in respect of the scheme property held by the custodian.

- (1) The supervisor of a registered scheme must refuse, and must direct any other custodian to refuse, to act on a direction of the manager that relates to the acquisition or disposal of scheme property if the supervisor considers that the proposed acquisition or disposal would be—
 - (a) in breach of the scheme’s governing document, any rule of law, or any enactment; or
 - (b) manifestly not in the interests of the scheme participants.
- (2) A custodian of a registered scheme must comply with any direction given to it by a supervisor under this section.
- (3) If the supervisor refuses, or directs any other custodian to refuse, to act on a direction of the manager, the supervisor must notify the manager and the FMA in writing of that fact and the supervisor’s reasons for the refusal or direction.
- (4) A supervisor of a registered scheme, and any other custodian of the scheme, is not liable to the scheme participants or the manager for refusing, or directing any other custodian to refuse, to act on a direction of the manager in accordance with this section.

 - (b) the manager or its associated persons may vote as proxies if the proxy appointment specifies the way they are to vote on the resolution and they vote that way:
 - (c) subsection (1) does not apply in the prescribed circumstances.
- (3) An exercise of a voting right in contravention of subsection (1) is of no effect and must be disregarded in counting the votes concerned.

172 Definition of related party benefit

- (1) A **related party benefit**, in relation to a registered scheme, is a benefit—
- (a) that either is given out of scheme property or creates an exposure to loss for scheme property; and
 - (b) that is given to, or received by, a related party of the scheme; but
 - (c) does not include fees or expenses that are paid or reimbursed to the manager in accordance with this Act or the governing document of the scheme.
- (2) A **related party** of the scheme is—
- (a) any of the following persons (a **scheme-connected person**):
 - (i) the manager of the scheme or any trustee of a restricted scheme; and
 - (ii) any investment manager, administration manager, or other person to whom the manager has contracted out some or all of its functions as a manager; and

- (2) However, subsection (1) does not apply to a transaction or series of transactions if the manager notifies the supervisor of the transaction or transactions, including the related party benefits given under the transaction or transactions, and the key terms of the transaction or transactions and either—
 - (a) the manager obtains the supervisor’s consent to the transaction or transactions; or
 - (b) section 174 applies to the transaction or transactions or all related party benefits to be given and the manager certifies to that effect.
- (3) The supervisor must not consent to a transaction or transactions under this section unless 1 of the following applies and the supervisor certifies to that effect:
 - (a) the supervisor considers that the transaction or transactions are in the best interests of the scheme participants; or
 - (b) the transaction or transactions are approved by, or contingent on approval by, a special resolution of the class of scheme participants affected, or potentially affected, by the transaction or transactions.
- (4) However, if the registered scheme does not have a supervisor, subsection (1) does not apply to a transaction or series of transactions if 1 of the following applies and the manager certifies to that effect:
 - (a) the transaction or transactions are in the best interests of the scheme participants; or
 - (b) section 174 applies to the transaction or transactions or all related party benefits to be given; or

- (6) However, a failure to comply with this section does not affect the validity of any transaction (subject to any court order under Part 8).
- (7) *See* also section 126 of the KiwiSaver Act 2006 for an additional prohibition on loans and financial assistance to members of KiwiSaver schemes that have fewer than 20 members.

Investments in other registered schemes

- (b) an acquisition or a disposal of a managed investment product in another registered scheme or of a prescribed interest in a prescribed overseas scheme:

 - (b) complies with the prescribed requirements (if any) as to its form, content, or the manner in which it is given.
- (2) Nothing in section 173 requires a new certificate if there is an existing certificate that applies (whether specifically or in general terms) to the transaction or transactions.

176 Additional restrictions on acquisitions by restricted schemes of in-house assets

- (1) A manager of a restricted scheme (or any person to whom the manager has contracted some or all of its functions as a manager) must not acquire any new in-house asset if, as a result of the acquisition, the restricted scheme would have, or increase, an in-house assets ratio of 5% or more in relation to any related party or scheme participant (A).
- (2) The in-house assets ratio of a scheme, in relation to A, must be calculated as the ratio, expressed as a percentage, of paragraph (a) to paragraph (b):
 - (a) the sum of the net asset values of—

- (i) the in-house assets of A; and
 - (ii) the in-house assets of any other related parties of the scheme, or scheme participants, that are associated with A; and
 - (b) the net asset value of the scheme property.

- (4) The in-house assets ratio of a scheme must be calculated under this section in accordance with the frameworks and methodologies specified in notices issued by the FMA under subpart 4 of Part 9 (if any).
- (5) This section does not apply in the prescribed circumstances.
- Compare: Superannuation Industry (Supervision) Act 1993 s 83 (Aust)

177 General duties not affected

179 Methods of transfer of scheme participants to another scheme or another section of scheme

- (1) No scheme participant may be transferred from one registered scheme to another registered scheme, or to another section of the same scheme, except in accordance with this section.
- (2) A scheme participant may be transferred—
 - (a) with the scheme participant’s written consent (which must be obtained in accordance with section 180, if that section applies), if authorised by a governing document; or
 - (b) in accordance with the FMA’s consent under section 181 (despite anything to the contrary in the governing document); or

 - (b) the proposed action is not unreasonable in relation to the best interests of any of those scheme participants who have not been contacted.
- (4) No scheme participant may be transferred from a KiwiSaver scheme into another scheme that is not a KiwiSaver scheme under this section.

 - (b) set out—
 - (i) the proposal and its implications for the proposed transferees; and
 - (ii) the date of the proposed transfer; and
 - (iii) the date on which the proposed transferees' written consent must be received by the manager or the trustees; and

 - (c) be given at least 1 month before the date on which, under the notice, the proposed transferees' written consent must be received by the manager or the trustees.

Compare: 1989 No 10 s 9B; 2006 No 40 s 119D

181 Transfer with FMA consent

- (b) the transfer is otherwise reasonable in all the circumstances (including having regard to the value of the assets transferred from the old scheme to the new scheme); and
 - (c) the person applying for the transfer is the manager of the old or new scheme, a relevant employer, or another person who the FMA considers has an appropriate interest in the transfer; and
 - (d) the applicant has given notice to every proposed transferee that—
 - (i) the applicant has applied for the FMA’s consent to transfer the person without the person’s written consent; and
 - (ii) the person may make submissions to the FMA about the transfer.
- (2) The FMA must have regard to any submissions received by proposed transferees before deciding whether or not to give its consent.

Provisions as to deferred benefits for superannuation schemes and workplace savings schemes

183 Deferred benefits

- (1) A scheme participant in respect of a superannuation scheme or workplace savings scheme who continues to be employed by an employer after the participant's expected age or date of retirement (as defined in the governing document of the scheme) may elect to defer the receipt of any benefit that the participant is eligible to receive under the scheme until the date on which the participant ceases to be employed by that employer.
- (2) Subsection (1) applies despite anything to the contrary contained in the governing document of the scheme.
- (3) Nothing in subsection (1) or in the Human Rights Act 1993 has the effect of requiring either an employer or a scheme participant to continue to contribute, or to cease to contribute, to the scheme after the participant's expected age or date of retirement, as defined in the governing document of the scheme.
- (4) If a scheme participant has the right, under subsection (1), to elect to defer receipt of any benefit that the participant is eligible to receive under the scheme, the manager must inform the participant in writing of that right.

Change of manager

184 Application of sections 185 to 192

Sections 185 to 192 apply to—

- (a) the manager of a registered scheme (other than a restricted scheme); or
- (b) each of the trustees of a restricted scheme (including, to avoid doubt, the independent trustee).

185 Removal of manager of registered scheme

- (1) A manager of a registered scheme ceases to hold that office if—
 - (a) the manager is removed by written direction of the supervisor after the supervisor certifies that it is in the best interests of scheme participants that the manager be removed; or
 - (b) the manager is removed by a special resolution of the scheme participants; or
 - (c) in the case of an independent trustee of a restricted scheme,—
 - (i) the trustee's licence expires or is cancelled under Part 6; or
 - (ii) the trustee is removed by the FMA if it is satisfied that the trustee no longer meets the requirements in section 131(1)(d); or
 - (d) the manager is substituted by the court under section 209; or

- (e) the manager is otherwise removed or resigns in accordance with the governing document.
- (2) Subsection (1)(a) and (b) do not apply to a restricted scheme.
- (3) However, a licensed independent trustee may not—
 - (a) be removed or resign under subsection (1)(e) unless—
 - (i) all functions and duties of the position have been performed; or
 - (ii) another licensed independent trustee has been appointed, and accepted the appointment, in its place; or
 - (iii) the court consents:
 - (b) (despite anything in the governing document) be removed under subsection (1)(e) without the FMA's consent.
- (4) If a manager ceases to hold office under subsection (1), the manager and any delegate of the manager must immediately desist from all activities relating to the registered scheme unless the supervisor agrees to the contrary.

Compare: 1960 No 99 s 19

186 Supervisor or FMA may make temporary appointment

- (1) This section applies if a registered scheme does not, for any reason, have a manager or (in the case of a restricted scheme) a licensed independent trustee.
- (2) The supervisor or the FMA must appoint a person (the **temporary manager**) to fill the vacancy in the office until a substitute appointment may be made under the governing document.
- (3) That person must be,—
 - (a) if the appointment is by the supervisor, a person who meets the requirements in section 127(1)(c) and (e):
 - (b) if the appointment is by the FMA, a person whom the FMA considers appropriate (but who need not be a person who meets the requirements in section 127(1)(c) and (e) or (in the case of an independent trustee) section 131(1)(d)).
- (4) However, the FMA may act under this section only if—
 - (a) it is satisfied that the supervisor has had a reasonable opportunity to act under this section but has not done so; or
 - (b) it is satisfied that it is necessary as a matter of urgency for the FMA to do so and it is not reasonably practicable to wait for the supervisor to do so; or
 - (c) the supervisor requests the FMA to act; or
 - (d) there is no supervisor.
- (5) If the FMA appoints a person who does not meet the requirements of section 127(1)(c) and (e) or 131(1)(d), that person does not contravene section 388,

and the scheme does not fail to meet those registration requirements, as a result of that appointment.

Compare: 1960 No 99 s 23

187 Term, powers, and duties of temporary manager

- (1) A temporary manager may hold the appointment until a substitute manager is appointed—
 - (a) under the governing document; or
 - (b) otherwise under this Act.
- (2) The temporary manager has all of the powers and duties of the manager of the registered scheme and (if applicable) of the independent trustee that are conferred or imposed by the governing document or by law.
- (3) However, the FMA may, in the prescribed manner (if any), amend a governing document, in so far as it applies to a temporary manager appointed by the FMA, if—
 - (a) the supervisor consents; and
 - (b) the FMA is satisfied that the change will have no material adverse effect on the interests of scheme participants.
- (4) An amendment made under this section must be treated for all purposes as if it were made in accordance with the governing document.
- (5) Section 141 (lodging of changes to governing document) applies to an amendment to the governing document under this section.

188 FMA's costs must be reimbursed from scheme

- (1) The FMA's costs and expenses incurred in connection with the holding of the appointment by a temporary manager appointed by the FMA must be reimbursed out of scheme property of the registered scheme.
- (2) An amount payable under subsection (1) is recoverable by the FMA in any court of competent jurisdiction as a debt due to the FMA.

189 Supervisor or FMA must take reasonable steps to arrange for new appointment

- (1) The supervisor of a registered scheme or the FMA (if there is no supervisor) must take all reasonable steps to secure, in accordance with the governing document, the appointment of a person as a permanent manager in place of the temporary manager (other than a temporary independent trustee).
- (2) The trustees of a restricted scheme must take all reasonable steps to secure, in accordance with the governing document, the appointment of a person as a permanent licensed independent trustee in place of the temporary independent trustee.

- (3) The temporary manager may be appointed to hold the office as a permanent manager, but in this case—
 - (a) if the person was appointed by the FMA, the person ceases to be appointed by the FMA for the purposes of sections 186 to 188; and
 - (b) must meet the requirements in section 127(1)(c) and (e) or 131(1)(d) (if applicable).
- (4) The supervisor or trustees must, when acting under this section, comply with the prescribed requirements (if any).

190 Former manager must hand over records and give reasonable assistance

- (1) If the person who holds an appointment as a manager of a registered scheme changes, the person who previously held the appointment (the **former manager**) must,—
 - (a) as soon as practicable, give the person that currently holds the appointment (the **current manager**) all of the information held or controlled by the former manager that is reasonably necessary to allow the current manager to hold the office; and
 - (b) give the current manager all reasonable assistance to facilitate the change.
- (2) The former manager may withhold information, or retain a copy of information,—
 - (a) with the FMA’s written consent; or
 - (b) otherwise in the prescribed circumstances.
- (3) If a temporary manager has been appointed to an office, for the purposes of this section, **former manager** includes the person who held the office immediately before the temporary manager and **current manager** includes the person who held the office immediately after the temporary manager.

191 Statutory novation of rights, obligations, and liabilities of former manager

- (1) If the manager of a registered scheme changes, the rights, obligations, and liabilities of the former manager in relation to the scheme become the rights, obligations, and liabilities of the new manager.
- (2) Despite subsection (1), the following rights, obligations, and liabilities remain rights, obligations, and liabilities of the former manager:
 - (a) any right of the former manager to be paid fees for the performance of its functions, or to be indemnified for liabilities or expenses it incurred, before it ceased to be the manager of the scheme; and
 - (b) any right, obligation, or liability that the former manager had as a scheme participant; and
 - (c) any liability for which the former manager could not have been indemnified out of the scheme property if it had remained the scheme’s manager.

- (3) This section is subject to any order of the court under section 209.

192 Lodging of notice of changes to manager

- (1) Within 5 working days after a change to the manager of a registered scheme, the new manager must ensure that notice of the change is lodged with the Registrar.
- (2) A manager that contravenes this section commits an offence and is liable on conviction to a fine not exceeding \$50,000.
- (3) The offence in this section is an infringement offence (*see* subpart 5 of Part 8).

Change of supervisor

193 Change of supervisor

- (1) The supervisor of a registered scheme ceases to hold that appointment (subject to subsection (2)) if the supervisor—
- (a) is removed by the FMA if it is satisfied that the manager and the supervisor no longer meet the requirements in section 127(1)(e) (registration requirements); or
 - (b) is removed by the FMA or the issuer under Part 2 of the Financial Markets Supervisors Act 2011; or
 - (c) is removed by a special resolution of the scheme participants; or
 - (d) is removed or resigns in accordance with the governing document.
- (2) However, a supervisor may not—
- (a) be removed or resign under subsection (1)(c) or (d) unless—
 - (i) all functions and duties of the position have been performed; or
 - (ii) another licensed supervisor has been appointed, and accepted the appointment, in its place; or
 - (iii) the court consents:
 - (b) (despite anything in the governing document) be removed by the manager under subsection (1)(d) without the FMA's consent.

- (3) The offence in this section is an infringement offence (*see* subpart 5 of Part 8).

*Cancellation of registration***195 Cancellation of registration**

- (1) The FMA may direct that the registration of a registered scheme be cancelled—
 - (a) if satisfied on reasonable grounds that the scheme does not meet the registration requirements under section 127; or
 - (b) if the FMA has reasonable cause to believe that the scheme has no scheme participants; or
 - (c) on the written request of the manager of the scheme (subject to subsection (4)), if the supervisor certifies or, if there is no supervisor, the manager certifies that—
 - (i) the cancellation has been approved by a special resolution of the scheme participants (subject to any restriction in the governing document); or
 - (ii) there is no material adverse effect on the scheme participants from the cancellation; or
 - (d) if the scheme has been wound up or dissolved or has otherwise ceased to exist.
- (2) The FMA must not direct cancellation under subsection (1)(a) or (b) unless—
 - (a) the FMA gives the manager of the scheme no less than 20 working days' written notice of the following matters before it exercises the power:
 - (i) that the FMA may direct cancellation; and
 - (ii) the reasons why it may exercise that power; and
 - (b) the FMA gives the manager or the manager's representative an opportunity to make written submissions on the matter within that notice period.
- (3) If the FMA makes a direction under this section,—
 - (a) the FMA must notify the manager and the supervisor of the registered scheme of the direction; and
 - (b) as soon as practicable after being notified of the direction, the manager must notify the scheme participants of the direction.

- (1) The court may, on an application made under subsection (2), make an order directing a supervisor of a debt security under a regulated offer or of a regis-

 - (g) if the licence is issued under section 317, that it is an overseas-regulated market for the purposes of this Act; and
 - (h) if the licence has been suspended or cancelled, that fact and the date on which that action took effect.
- (3) The FMA must update the list if it becomes aware that there is a change, or error, in the information on the list (for example, the approval of the market rules or a change in the name of the licensed market operator).

Changes to licences

322 Variation of conditions

- (1) The Minister may, on his or her own initiative under subsection (2) or on the application of a licensed market operator, vary the conditions of the licence at any time after the licence is issued by written notice to the licensed market operator.
- (2) The Minister may vary the conditions of the licence on his or her own initiative only—
- (a) in 1 of the following circumstances:
 - (i) if there is a significant change in market circumstances that the Minister is satisfied makes it necessary to vary the conditions, having regard to the market operator obligations and the matters referred to in section 308; or
 - (ii) in accordance with section 343; and
 - (b) after following the procedure set out in section 324(1).
- (3) A licensed market operator may apply, in the manner that is specified by the FMA, for the Minister to vary the conditions of the licence.
- (4) A licensed market operator must provide to the FMA or the Minister the information that is required by the FMA or the Minister to assist it in determining the application.
- (5) For the purposes of this subpart, **vary**, in relation to the conditions of a licence, includes to vary, revoke, add to, or substitute any of those conditions.

323 Minister may suspend or cancel licence

The Minister may, by written notice to the licensed market operator, suspend (for a specified period or until a specified requirement is met) or cancel a licence—

- (a) if the licensed market operator, by written notice, requests the Minister to do so; or
- (b) if the Minister is satisfied that the licensed market operator has ceased to carry on the business of operating the financial product market; or
- (c) if—
 - (i) the licensed market operator has ceased to be registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 (in the case of a licence issued under section 316); or
 - (ii) the Minister is satisfied that the licensed market operator has ceased to meet the requirement in section 317(1)(d) (in the case of a licence issued under section 317 (overseas-regulated markets)); or
- (d) if the licensed market operator has become subject to an insolvency event; or
- (e) in accordance with section 343; or
- (f) in the case of a licence issued under section 317 (overseas-regulated markets), if—
 - (i) the licensed market operator ceases to be authorised to operate a financial product market in the overseas jurisdiction in which the licensed market operator’s principal place of business is located; or
 - (ii) there is a change to the regulatory regime applying in relation to the market to which the licence relates in the jurisdiction in which the licensed market operator’s principal place of business is located and, because of that change, the Minister is not satisfied as to the matters in section 317(1)(b).

324 Procedure for varying of conditions or suspension or cancellation of licence

- (1) The Minister must not vary the conditions of a licence on his or her own initiative under section 322(1), refuse an application for a variation under section 322, or suspend or cancel a licence under section 323 unless—
 - (a) the Minister gives the licensed market operator no less than 10 working days’ written notice of the following matters before he or she exercises the power:
 - (i) that the Minister may exercise the power; and
 - (ii) the reasons why he or she may exercise the power; and
 - (b) the Minister gives the licensed market operator or the licensed market operator’s representative an opportunity to make written submissions on the matter within that notice period.

- (2) The FMA must give written notice of the Minister's decision under section 322 or 323 to the licensed market operator.

325 Effect of suspension

- (1) A person whose financial product market licence is suspended is taken not to hold that licence while it is suspended.
- (2) However, the Minister may specify in the written notice to the licensed market operator that subsection (1) does not apply for specified purposes.

Compare: Corporations Act 2001 s 797D (Aust)

Compare: 1988 No 234 s 36G

- (2) Market rules for a financial product market for trading derivatives must include business rules (by whatever name called and however they are imposed).
- (3) Listing rules must include rules that—
- (a) relate to the approval of persons for the purpose of enabling financial products issued by those persons to be traded on the market; and
 - (b) require those persons to be party to a listing agreement with the licensed market operator and that relate to the entry into, and revocation of, listing agreements; and
 - (c) relate to the governance of those persons; and

- (d) relate to the conduct or activities of those persons in relation to that market or to financial products traded on that market; and
 - (e) relate to the monitoring and enforcement of those rules.

329 When market rules have effect

A market rule, or change to a market rule, for a licensed market has no effect, either in contract or for the purposes of section 327, until it has been approved under section 331.

330 Approval process for proposed market rules and rule changes

- (1) If a person applies for the approval of any proposed market rules or proposed rule change by the FMA, the FMA must, within the approval period,—

- (4) If, during the approval period, the applicant revises and resubmits the proposed market rules or rule change, then this does not result in the commencement of a new approval period under this section if the revision—
- (a) is made in response to comments by the FMA; or
 - (b) consists of immaterial changes (for example, typographical changes).

Compare: 1988 No 234 s 36K

 - (i) the purposes of this Part (and the main and additional purposes of the Act stated in sections 3 and 4); and

- (ii) the consistency of the rules or the rule change with the obligations under section 314; or
- (b) (if subpart 4 would apply to the rules once approved) the rules, or the rules as changed, for the financial product market will not provide appropriate continuous disclosure by listed issuers of material information that is not generally available to the market, after having regard to—
 - (i) the purposes of this Part (and the main and additional purposes of the Act stated in sections 3 and 4); and
 - (ii) any other matters that the FMA considers relevant.
- (2) The FMA must, in considering whether to approve proposed market rules for a new market, take into account any previously approved market rules that the applicant proposes to also apply to the relevant market.
- (3) An approval under this section is secondary legislation (*see* Part 3 of the Legislation Act 2019 for publication requirements).
- (4) However, the approval does not need to incorporate the market rules or rule change that have been approved.

 - (b) provide the FMA with a written report that—
 - (i) identifies any matter that has not been addressed by an amendment to the action plan first provided; and
 - (ii) explains why the licensed market operator does not consider that the matter needs amending or gives any other reasons why the

licensed market operator has not provided an amendment addressing the matter.

- (3) If the FMA approves the action plan (whether as first provided or after amendment), the licensed market operator must comply with the action plan.

- (2) If the Minister could give a direction under section 342 and the Minister is satisfied that the licensed market operator does not meet the requirements referred to in section 316 or 317, the Minister may also, by written notice to the licensed market operator, suspend or cancel the licence (following the procedure set out in section 324).

*Control limits on licensed market operators***344 Power to impose control limits on licensed market operators**

- (1) The Governor-General may, by Order in Council made on the recommendation of the Minister, make regulations imposing, altering, or revoking a control limit (which is the highest percentage of voting rights in the body corporate that may be held or controlled by any person) for a body corporate that—
- (a) is, or may be, a licensed market operator; or
- (b) is a holding company of a body corporate referred to in paragraph (a).
- (2) A control limit does not apply to a body corporate before its licence as a licensed market operator takes effect.
- (3) The Minister must not make a recommendation for the purposes of subsection (1) unless he or she has consulted the body corporate and is satisfied that it is in the public interest to make the recommendation.
- (4) For the purposes of this section and the rest of this subpart,—

control, in relation to a voting right, means having, directly or indirectly, effective control of the voting right

voting right means a currently exercisable right to cast a vote at meetings of members or shareholders of a body corporate, not being a right to vote that is exercisable only in 1 or more of the following circumstances:

- (a) during a period in which a payment or distribution (or part of a payment or distribution) in respect of the financial product that confers the voting right is in arrears or some other default exists:
- (b) on a proposal that affects rights attached to the financial product that confers the voting right:
- (c) during the liquidation of the body corporate:
- (d) in respect of a special, immaterial, or remote matter that is inconsequential to control of the body corporate.

- (2) For the purposes of this section, voting rights held or controlled by an associated person of a person must be treated as voting rights held or controlled by that person.
- (3) Subsection (1) does not apply to any voting rights in a body corporate held or controlled by a person to the extent that those rights were held or controlled by that person before the control limit was imposed or decreased, as the case may be.

Compare: 1988 No 234 s 36T

346 Effect of exceeding control limit

- (1) Every person who contravenes section 345—

 - (b) must not exercise or control the exercise of any voting rights that exceed the control limit while the person contravenes that section.
- (2) An exercise of voting rights in a body corporate by or under the control of a person in contravention of subsection (1)(b) is of no effect, and must be disregarded in counting the votes concerned.
- (3) However, subsections (1)(b) and (2) do not invalidate a resolution if the votes concerned were counted by the body corporate in good faith and without knowledge that the voting rights were exercised in contravention of subsection (1)(b).

Compare: 1988 No 234 s 36U

347 Application for approval to exceed control limit

- (3) The Governor-General may, by Order in Council made on the recommendation of the Minister, approve an application under subsection (1) and specify the terms and conditions (if any) applying to the approval.
- (4) The Minister may not make a recommendation for the purposes of subsection (3) unless,—

- (a) if the body corporate is not the applicant or 1 of the applicants for the approval, he or she has consulted the body corporate on the application; and
 - (b) he or she is satisfied that it is in the public interest to make the recommendation.
- (5) An approval granted under subsection (3)—
- (a) may have retrospective effect; but
 - (b) is of no effect if any term or condition of the approval has not been complied with.
- (6) An approval granted under subsection (3) is for the purposes of the control limit only, and not for the purposes of any other enactment.
- (7) An order under this section—

- (4) The power of the Minister to delegate under this section—

 - (i) a listed issuer has contravened a continuous disclosure obligation or a term or condition of a continuous disclosure exemption; or

 - (iii) the licensed market operator's administration of the continuous disclosure provisions of its listing rules does not achieve appropriate continuous disclosure by a listed issuer of material information that is not generally available to the market; and

 - (iii) the reasons for its opinion; and
 - (b) after receiving the FMA's notice, the licensed market operator does not take, within the reasonable period stated in the notice,—
 - (i) in the case of a proposed direction to suspend trading of the quoted financial products, action to prevent that trading; or
 - (ii) in any other case, any other action that, in the FMA's view, is adequate to address the situation raised in the notice; and
 - (c) the FMA has had regard to any written submissions made to it by the licensed market operator and the listed issuer or issuers concerned within that notice period; and
 - (d) the FMA still considers that it is appropriate to give the direction to the licensed market operator.
- (2) A reasonable period in subsection (1)(b) is, in the case of a continuous disclosure direction, 2 trading days (or any longer time the FMA wishes to allow) and, in the case of any other direction, any longer time that is reasonable in the circumstances.

 - (ii) the terms of the direction; and
 - (iii) the reasons for its opinion; and
- (b) must, after the direction is given, give each of those persons or the person's representative an opportunity to make written submissions and to be heard on the matter; and

In order to facilitate the orderly and efficient processing of applications, the FMA specifies that if a particular type of provider wants a licence by a particular date or for a particular purpose, the provider must apply by some other date. A different date may apply to different classes of provider.

- (2) The application may be for a licence to cover 1 or more market services (or 1 or more classes of services, if the FMA specifies, on its Internet site, classes into which a market service is divided).
- (3) An applicant must provide to the FMA the information that is required by the FMA to assist it in determining the application.

396 When licence must be issued

- (a) the eligibility criteria (if any) that are prescribed by the regulations for licences for that service are satisfied; and

- (b) the applicant's directors, senior managers, and proposed directors and senior managers are fit and proper persons to hold their respective positions and otherwise satisfy the requirements that are prescribed by the regulations for licences for that service (if any); and

- (d) there is no reason to believe that the applicant is likely to contravene the market services licensee obligations; and
- (e) the applicant is, or will be, registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 on and from commencing to provide that service; and
- (f) in the case of an applicant for a licence to act as a manager of a registered scheme or to be a DIMS licensee, the applicant or any authorised body under section 400 does not have in its constitution any provision under which directors of the applicant or authorised body (as the case may be) may, when exercising powers or performing duties as a director, act otherwise than in the best interests of the applicant or authorised body; and
- (g) in the case of an application for a licence to act as an administrator of a financial benchmark, the issue of a licence is necessary or desirable in order to promote either or both of the additional purposes set out in section 448B.

Section 396(g): inserted, on 14 March 2021, by section 39 of the Financial Markets (Derivatives Margin and Benchmarking) Reform Amendment Act 2019 (2019 No 46).

397 Procedural requirements

- (1) The FMA must, before making a decision under section 396,—
 - (a) have regard to the prescribed matters; and

 - (c) have regard to whether the provision of the market service to which the application relates is merely incidental to the provision of another market service that is or will be covered by a licence; and
 - (d) consult all prescribed persons or classes of prescribed persons (if any).
- (1A) The FMA must make a decision under section 396 in the prescribed manner (if any).
- (2) The FMA must not refuse to issue a licence, or include limits, restrictions, or other conditions under section 403(3)(a) or (4) that are materially more restrictive than those requested in the application, unless—

- (a) the FMA gives the applicant no less than 10 working days' written notice of the following matters before it exercises the power:
 - (i) that the FMA may refuse to issue the licence or impose the limits, restrictions, or other conditions; and
 - (ii) the reasons why it may exercise that power; and
 - (b) the FMA gives the applicant or the applicant's representative an opportunity to make written submissions on the matter within that notice period.

- (1) If the FMA decides to issue a licence, it must ensure that it specifies the particular market services, or class of market services, that it covers.
- (2) The same licence may cover more than 1 type of market services.
- (3) In that case,—
 - (a) a reference in this Act to the market services that a licence covers is taken instead to be a reference to each of those market services severally; and
 - (b) the decision to add another market service or class of market services to a licence must be made on the same basis as a decision to issue a licence; and

- (c) a licence may be varied, suspended, or cancelled in respect of 1 of those market services or classes only, as if each were separately licensed.

400 Licence may cover authorised bodies

- (1) A licence may, in its conditions, authorise 1 or more named related bodies corporate of the licensee to provide a market service covered by the licence if the FMA is satisfied that—
 - (a) arrangements are or will be in place to ensure that the licensee will maintain appropriate control or supervision over the provision of that service by the related body corporate under the licence; and
 - (b) the related body corporate is capable of effectively performing that service (having regard to the proposed conditions of licence); and

- (1A) A licence may also, in its conditions, authorise 1 or more named entities to provide a financial advice service covered by the licence if the FMA is satisfied that—
 - (a) arrangements are or will be in place to ensure that the licensee will maintain appropriate control or supervision over the provision of that service by the entity under the licence; and
 - (b) the entity is capable of effectively providing that service (having regard to the proposed conditions of the licence); and
 - (c) there is no reason to believe that the entity is likely to contravene the market services licensee obligations; and
 - (d) the entity is, or will be, registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 on and from commencing to provide that service; and
 - (e) the entity meets the eligibility criteria and other requirements prescribed by the regulations for the purposes of this section (if any).
- (1B) However, subsections (1) and (1A) do not apply if the licensee is an individual.
- (2) The licence may also, in its conditions, determine that, for the purposes of 1 or more provisions of this Part, notices or reports need to be given to or by, or powers or duties may be exercised or performed by, only—

- (a) the licensee (and in this case the relevant action must be treated, for that purpose, as being given to or by, or exercised or performed by, the 1 or more bodies authorised under subsection (1) or (1A)); or
 - (b) 1 or more bodies authorised under subsection (1) or (1A) (and in this case the relevant action must be treated, for that purpose, as being given to or by, or exercised or performed by, the licensee).
- (3) If an authorised body contravenes any market services licensee obligation, the licensee must be treated as also having contravened that market services licensee obligation.

 - (ii) a condition requiring E or F to be registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 (**FSP Act**) (a **registration condition**).
- (2) If the licence includes a licensing condition, for the purpose of enabling compliance with that condition, this Part applies,—

- (3) If the licence includes a registration condition, for the purpose of enabling compliance with that condition, the FSP Act applies,—
 - (a) in relation to E, as if E, in giving regulated financial advice on behalf of P, were providing a financial advice service; and
 - (b) in relation to F, as if F, in engaging individuals to give regulated financial advice on behalf of P, were providing a financial advice service.

- (4) This section does not affect the application of this Part or the FSP Act to P.

Expiry, suspension, or cancellation of licences

407 Duration of licence

- (1) A licence continues in force until the close of its expiry date unless sooner cancelled.
- (2) If a licensee applies for a new licence no later than 2 months before the expiry date of an existing licence that the new licence is intended to supersede, and the application is not disposed of before the expiry date, the existing licence continues in force until the application is disposed of.

408 When FMA may suspend or cancel licence

The FMA may suspend (for a specified period or until a specified requirement is met and in relation to the licensee, any authorised body or bodies, or all of them) or cancel a licence—

- (a) if the licensee, by written notice, requests the FMA to do so; or
- (b) if the FMA is satisfied that the licensee or an authorised body has died, is incapacitated, has ceased to exist, or has become subject to an insolvency event; or
- (c) in accordance with subpart 3.

409 Effect of expiry, suspension, or cancellation of licence on appointments

- (1) The expiry or cancellation of a licence does not, of itself, terminate an appointment held by the licensee or any authorised body (but, if the person continues to hold the appointment and does not obtain a licence, or authorisation under a licence, that covers the appointment, the person may contravene section 388).
- (2) If a licence is suspended, the person or persons to whom the suspension relates are taken not to hold, or be authorised by, that licence while the suspension is in effect.

Subpart 3—Monitoring and enforcement of licences

410 Meaning of material change of circumstances

In this subpart, **material change of circumstances**, in relation to a licence, means—

- (a) a change that adversely affects the licensee's or an authorised body's capacity to perform the market services covered by the licence in an effective manner; or
- (b) a change that means that the requirements referred to in section 396(a) to (g) or 400(1)(a) to (e) or (1A)(a) to (e) are not, or are no longer, satisfied

(where those provisions are applied with all necessary modifications as if references to the applicant or body corporate (or entity) were references to the licensee or authorised body respectively).

Section 410(b): replaced, on 15 March 2021, by section 26 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Reports

411 Licensee must deliver reports to FMA

Every licensee must, at the prescribed times or on the occurrence of the prescribed events and otherwise in the prescribed manner, send to the FMA reports that contain the prescribed information.

412 Licensee must report certain matters

 - (a) monitoring the licensee’s and every authorised body’s compliance with the market services licensee obligations; and
 - (b) identifying material changes in circumstances.
- (2) Subsection (3) applies if a licensee believes that—
 - (a) the licensee or an authorised body has contravened, may have contravened, or is likely to contravene a market services licensee obligation in a material respect; or
 - (b) a material change of circumstances has occurred, may have occurred, or is likely to occur in relation to the licence; or
 - (c) the information provided under section 395 or 404 is false or misleading in a material particular.
- (3) The licensee must, as soon as practicable after the licensee forms the belief referred to in subsection (2), send a report containing details of the belief, the licensee’s grounds for the belief, and all other prescribed information—
 - (a) to the FMA; or
 - (b) if the licensee is a manager of a registered scheme (other than a restricted scheme),—
 - (i) to the FMA and the supervisor, if the report is of a contravention or possible contravention of a market services licensee obligation imposed by a condition of the licence; or
 - (ii) to the supervisor, if the report is of a contravention or possible contravention of any other market services licensee obligation.

413 Restriction on use of report

A report provided by a licensee under section 412 is not admissible as evidence in a criminal proceeding against the licensee, except in a criminal proceeding that concerns the falsity of the report.

FMA's powers in case of contravention of market services licensee obligation, material change, etc

414 FMA's powers in case of contravention of market services licensee obligation, material change, etc

 - (a) a licensee or an authorised body has materially contravened a market services licensee obligation; or
 - (b) a material change of circumstances has occurred in relation to a licence; or
 - (c) the information provided under section 395 or 404 by a licensee is false or misleading in a material particular; or
 - (d) a licensee or an authorised body is likely to materially contravene a market services licensee obligation or a material change of circumstances is likely to occur in relation to a licence.
- (2) The FMA may, by written notice to the licensee or an authorised body and otherwise in the prescribed manner, do 1 or more of the following:
 - (a) censure the licensee or authorised body (or both);
 - (b) require the licensee or authorised body (or both) to submit an action plan to the FMA within the time and in the manner specified by the FMA;
 - (c) give a direction to the licensee or authorised body (or both).
- (3) The FMA may also, by written notice to the licensee and otherwise in the prescribed manner, suspend (for a specified period or until a specified requirement is met and in relation to the licensee, any authorised body or bodies, or all of them) or cancel the licence of the licensee if it is satisfied that—
 - (a) subsection (1)(a), (b), or (c) applies; and
 - (b) the licensee or an authorised body does not meet, or no longer meets, the requirements referred to in section 396(a) to (g) or 400(1)(a) to (e) or (1A)(a) to (e) (where those provisions are applied with all necessary modifications as if references to the applicant or body corporate (or entity) were references to the licensee or authorised body respectively).
- (4) Section 403 also provides for the FMA to vary, revoke, add to, or substitute any conditions of a licence (for example, by removing an authorisation for an authorised body).

 - (i) that the FMA may exercise the power; and
 - (ii) the reasons why it may exercise the power; and
 - (b) the FMA gives the licensee or authorised body or the licensee's or authorised body's representative an opportunity to make written submissions on the matter within that notice period.
- (2) The FMA must, before exercising a power under section 414(3), consider whether, in the circumstances, it would be more appropriate to exercise a power under section 414(2).

416 Notice requirements

- (1) A notice under section 414(2) or (3) must—
- (a) state the FMA's reasons for giving the notice; and

- (a) approve the action plan; or

- (b) require the person to amend the action plan and resubmit it to the FMA by a specified date for approval or rejection; or
 - (c) reject the action plan.
- (2) If the FMA requires the person to amend an action plan provided to the FMA, the person must, within the time specified by the FMA, provide an amended action plan that addresses the matter required to be amended.
- (3) If the FMA approves the action plan (whether as first provided or after amendment), the person must comply with the action plan.
- (4) An action plan that has been approved by the FMA may be varied at any time by agreement between the person and the FMA.

419 Consequences of failure to submit action plan, rejection of action plan, or failure to comply with action plan

- (1) The FMA may exercise a power under section 414(2)(a) or (c) or (3) if—
- (a) a person fails to submit an action plan or amended action plan within the time and in the manner specified by the FMA; or

Subpart 5A—Additional regulation of financial advice and financial advice services

Subpart 5A: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Preliminary matters

Heading: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431A Overview of financial advice and financial advice services regime

- (1) This subpart and other parts of this Act regulate financial advice and financial advice services as follows:
 - (a) a person gives financial advice if the person makes a recommendation, gives an opinion, or provides financial planning of a kind described in section 431C(1). The advice is regulated financial advice if it is given in the ordinary course of a business and is not excluded under clauses 8 to 18 of Schedule 5 (*see* section 431C(3)):
 - (b) a person must not carry on a business of giving regulated financial advice unless the person is authorised by a market services licence or exempt from the licensing requirement (*see* sections 388(ba), 389(2), and 431D). A person may be authorised as a licensee or as an authorised body (*see* section 400):
 - (c) there are limitations on who can give regulated financial advice on behalf of a financial advice provider to a retail client (*see* section 431F). This section is a Part 6 services provision, contravention of which may give rise to civil liability (*see* section 449):
 - (d) conditions of the provider's licence may also limit the types of advice that may be given by financial advisers or nominated representatives (*see* sections 403(4)(a) and 546(1)(d)(iv)):

- (e) people who give financial advice, financial advice providers, and any interposed persons are subject to the duties set out in sections 431I to 431R:
 - (f) section 431H sets out who is responsible if those duties are contravened and the nature of the person's liability. Sections 431I to 431R are also Part 6 services provisions under section 449.
- (2) This section is a guide only to the general scheme and effect of this Act in relation to financial advice and financial advice services.

Section 431A: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431B Additional purpose of subpart

- (1) This subpart has the additional purpose (in addition to those set out in sections 3 and 4) of regulating the giving of financial advice and provision of financial advice services with a view to ensuring—
- (a) the availability of financial advice for persons seeking that advice; and
 - (b) the quality of financial advice and financial advice services.
- (2) This section does not limit section 3 or 4.

Section 431B: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Interpretation

Heading: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431C Meaning of financial advice and regulated financial advice

- (1) A person gives **financial advice** if the person—
- (a) makes a recommendation or gives an opinion about acquiring or disposing of (or not acquiring or disposing of) a financial advice product; or
 - (b) makes a recommendation or gives an opinion about switching funds within a managed investment scheme; or
 - (c) designs an investment plan for a person that—
 - (i) purports to be based on—
 - (A) an analysis of the person's current and future overall financial situation (including investment needs); and
 - (B) the identification of the person's investment goals; and
 - (ii) includes 1 or more recommendations or opinions on how to realise 1 or more of those goals; or
 - (d) provides financial planning of a kind prescribed by the regulations.
- (2) However, a person does not give financial advice merely by doing 1 or more of the things set out in clause 7 of Schedule 5.

- (3) Financial advice is **regulated financial advice** if—
- (a) it is given in the ordinary course of a business; and
 - (b) it is not excluded under any of clauses 8 to 18 of Schedule 5.
- (4) Subsections (1) and (3) are subject to a declaration under section 562(1)(gb).

Section 431C: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431D When financial advice service is provided

- (1) A person (**P**) provides a **financial advice service** if, in the ordinary course of P's business,—
- (a) P engages 1 or more other persons to give regulated financial advice to P's clients on P's behalf; or
 - (b) P gives regulated financial advice to P's clients on P's own account.
- (2) Subsection (1) is subject to a declaration under section 562(1)(gc).

Example

ABC Limited (**ABC**) is a firm that gives a range of investment advice to its clients. Some of this advice is given through its employees. Some of this advice is given through its Internet site. ABC provides a financial advice service (and must be licensed or be an authorised body under a licence (see section 388(ba))). ABC is also required to be registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 (the **FSP Act**).

As part of ABC's business, Susan is employed by ABC to give financial advice to ABC's clients on its behalf. Although Susan is giving advice, she is not giving it on her own account, so she is not providing a financial advice service (and does not need to hold a licence).

Under the conditions of ABC's licence, the type of service that Susan gives may not be given by a nominated representative. The type of service can be given only by a financial adviser (that is, a person who is registered under the FSP Act in relation to a financial advice service). See section 22C of the FSP Act, which allows Susan to register even though, as an employee, she is not in the business of providing financial advice services.

If Susan were to leave ABC and set up business giving financial advice on her own account, she would be providing a financial advice service and would therefore be a financial advice provider (who must, therefore, hold a licence).

Section 431D: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431E Meaning of engaged

A person (**A**) is **engaged** by another person (**P**) if—

- (a) A is engaged directly by P (for example, if A is an employee or a contractor of P); or

- (b) A is engaged indirectly through 1 or more interposed persons (for example, if A is an employee of another person who is a contractor of P).

Section 431E: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Heading: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

431F Limitation on who can give regulated financial advice to retail clients on behalf of financial advice provider

- (i) A is an entity;
- (ii) the conditions on P's licence authorise P to engage A to give the advice.
- (2) A financial advice provider or an interposed person must not allow a person engaged by the provider or person to give advice in contravention of subsection (1).
- (3) In this section, **P's licence** means the licence under which P is authorised (as licensee or an authorised body) to provide the financial advice service.

Section 431F: inserted, on 15 March 2021, by section 29 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

436 Limits on permitted indemnities

- (1) If a DIMS licensee has any rights to be indemnified by an investor for liabilities incurred in relation to the performance of the service, those rights—
- (a) must be set out in the client agreement; and
 - (b) must be available only in relation to the proper performance of the duties under sections 433(1) and 435.
- (2) No other agreement has any effect to the extent that it purports to confer a right of a kind set out in subsection (1).

Compare: Corporations Act 2001 s 601GA(2) (Aust)

437 Requirement for agreed investment authority

- (1) A DIMS licensee must ensure that there is a written investment authority granted by the investor for the service.

- (a) the nature or type of investments that may be made, and any limits on those; and
 - (b) any limits on the proportion of each type of asset invested in; and

- (c) the methodology used for developing and amending the investment strategy and for measuring performance against the investment objectives.
- (3) However, if there are no limits on the investment authority on a matter referred to in subsection (2)(a) or (b) or if the matter is capable of change without the prior written consent of the investor, the investment authority must clearly disclose that fact.
- (4) The investment authority must provide for the matters set out in this section in accordance with the frameworks and methodologies specified in notices issued by the FMA under subpart 4 of Part 9 (if any).

 - (b) the proportion of each type of assets that may be invested in.
- (2) If this section applies, the DIMS licensee must report the limit break to the FMA in the prescribed circumstances and in the prescribed manner.
- (3) Whether or not a limit break is material must be determined in accordance with the frameworks and methodologies specified in notices issued by the FMA under subpart 4 of Part 9 (if any).

Related party transactions

439 Definition of related party benefits

- (1) In sections 440 and 441, a **related party benefit**, in relation to a DIMS licensee providing the service, is a benefit that—
 - (a) is either given out of investor property or creates an exposure to loss for investor property; and
 - (b) is given to, or received by, a related party of the service; but
 - (c) does not include fees or expenses that are paid or reimbursed to the DIMS licensee in accordance with the client agreement for that service.
- (2) A **related party** of the service is the DIMS licensee or an associated person of the DIMS licensee.

- (1) A DIMS licensee (or any person acting on behalf of the DIMS licensee) must not enter into a transaction that provides for a related party benefit to be given.
- (2) However, subsection (1) does not apply to a transaction or series of transactions if one of the following applies and the DIMS licensee certifies to that effect:
 - (a) the transaction or transactions are,—
 - (i) if the service is provided to a class of investors, in the best interests of the investors using the service; or
 - (ii) if the service is provided to only 1 investor, in the best interests of the particular investor affected; or
 - (b) section 441 applies to the transaction or transactions or all related party benefits to be given.
- (3) A failure to comply with this section does not affect the validity of any transaction (subject to any court order under Part 8).

Compare: Corporations Act 2001 ss 601LA–601LE (Aust)

441 Certain related party benefits permitted

This section applies to—

 - (i) would be reasonable in the circumstances if the parties were connected or related only by the transaction in question, each acting independently, and each acting in its own best interests; or

Transactions in registered schemes

- (b) an acquisition or a disposal of a managed investment product in a registered scheme or of a prescribed interest in a prescribed overseas scheme:

Certain registered bank investments

- (a) states the specific grounds on which it is given under section 440 and (if relevant) section 441 and the basis for relying on those grounds; and
 - (b) complies with the prescribed requirements (if any) as to its form, content, or the manner in which it is given.
- (2) Nothing in that section requires a new certificate if there is an existing certificate that applies (whether specifically or in general terms) to the transaction or transactions.

443 General duties still apply

The fact that a transaction is permitted under section 440 or 441 does not affect the DIMS licensee's obligations to comply with its duties under this Act and otherwise in connection with the transaction.

- (1) For the purposes of this Part, a manager (A) that holds a market services licence that covers the service referred to in section 388(a) is a **large manager** in respect of an accounting period of A if, as at the balance date of each of A's 2 preceding accounting periods, the total assets of the following schemes exceed \$1 billion:
 - (a) all schemes for which A is manager; and
 - (b) all schemes for which the manager is an authorised body that provides the service of acting as a manager of a registered scheme under A's market services licence.

- (2) If A is a large manager, every manager described in subsection (1)(b) is also a **large manager**.

Example

Company A holds a licence that covers acting as a manager of registered schemes. A's subsidiaries, B and C, also provide this service under A's licence (as authorised bodies).

The assets of the schemes for which A is manager total \$700 million on the balance date of each of A's 2 preceding accounting periods (the **relevant balance dates**).

The assets of the schemes managed by B total a further \$300 million, and the assets of the schemes managed by C total \$200 million, on each of the relevant balance dates.

The total assets therefore exceed \$1 billion. A is a large manager. B and C are also large managers.

- (a) a manager and a scheme managed by the manager have different balance dates; and
 - (b) the manager becomes, or ceases to be, a large manager.

 - (b) must be treated as a large manager in respect of the scheme in relation to the accounting period of the scheme that starts in AP1 and ends in AP2 if—
 - (i) the manager was not the manager of the scheme at the start of that accounting period of the scheme; and
 - (ii) the manager at the start of that accounting period of the scheme was a climate reporting entity in respect of the scheme.
- (5) If the manager was a large manager in respect of an accounting period (**AP3**) but ceases to be a large manager in the next accounting period (**AP4**), the manager must be treated as a large manager in respect of the scheme in relation to the accounting period of the scheme that starts in AP3 and ends in AP4.
- (6) In this section, the **total assets** of a scheme are—
- (a) as reported in the most recent audited financial statements, prepared in accordance with generally accepted accounting practice, for the scheme; or
 - (b) if there are no such statements, as calculated—

- (i) for a date as near as possible to the balance date of the manager; and
 - (ii) as if for the purpose of preparing financial statements for the scheme in accordance with generally accepted accounting practice.
- (7) In this section, **scheme** means a registered scheme (other than a restricted scheme).

- (2) However, subsection (3) applies if the person (A)—
- (a) ceased to be a climate reporting entity under section 461O(1); and

 - (b) records required to be kept by A up to the date that A ceased to be a climate reporting entity under section 461O(1) are CRD records for the purposes of sections 461W to 461Y.
- (4) In any case where a person is, or was, the manager of a registered scheme (and a climate reporting entity under section 461O(2) in respect of the scheme), subsection (1) does not limit—
- (a) section 461S(5) (which applies if the manager and the scheme have different balance dates); or

Process for FMA's orders

475 FMA must follow steps before making orders

- (1) The FMA may make an order under this Part only if it first takes the following steps:

 - (i) that the FMA may make an order under this Part; and
 - (ii) of the reasons why it is considering exercising that power; and
 - (b) also gives that written notice to the relevant licensed market operator, in the case of a direction order for a contravention of a continuous disclosure obligation or exemption or an order under section 470 or 474; and
 - (c) gives the notice referred to in paragraph (a) or (b) at least 5 working days before the FMA makes the order; and
 - (d) gives each person to whom notice of the order must be given or the person's representative an opportunity to make written submissions and to be heard on the matter within that notice period.
- (2) However,—
 - (a) the FMA may shorten these steps in accordance with section 476; and
 - (b) in the case of a stop order under section 463(c), the FMA does not have to give the notice referred to in subsection (1)(a) to any associated persons of the issuer, offeror, or service provider.
- (3) In the case of a direction order under section 469(2), the financial adviser that is the subject of the order is the person referred to in subsection (1)(a) and (d) and section 477(1)(a).

- (b) it must include in that notice the reasons for acting urgently and must otherwise comply with that section.

Compare: 1988 No 234 s 42G

477 FMA must give notice after making orders

- (1) If the FMA makes an order under this Part, the FMA—
 - (a) must, as soon as is reasonably practicable, give written notice to the person to whom the order is directed of—
 - (i) the terms and conditions of the order; and
 - (ii) the reasons for the order; and
 - (iii) any other information the FMA thinks relevant in the circumstances; and
 - (b) must also give the written notice referred to in paragraph (a) to the Registrar and make the notice available on its Internet site, in the case of a stop order, an interim stop order, or an order under section 470; and
 - (c) in the case of an order other than a stop order or an interim stop order, may also give the written notice referred to in paragraph (a) to the Registrar and make the notice available on its Internet site; and
 - (d) must also give the written notice referred to in paragraph (a) to the relevant licensed market operator, in the case of a direction order for a contravention of a continuous disclosure obligation or exemption or an order under section 470 or 474; and
 - (e) may also give notice to any other person of those matters.
- (2) In the case of a stop order of the kind referred to in section 463(c), the FMA does not have to give the notice referred to in subsection (1)(a) to any associated persons of the issuer, offeror, or service provider (but the issuer, offeror, or service provider may be required to do so).

 - (c) may order the person to pay to the Crown a pecuniary penalty that the court considers appropriate if it is satisfied that the person has contravened, or been involved in a contravention of, a civil liability provision.
- (3) However, a pecuniary penalty order may not be made—
- (a) for a contravention, or involvement in a contravention, of section 19:
 - (b) in the circumstances referred to in section 431U, 461C, or 461ZF.

491 Guidance for court on how to determine gains made or losses avoided for purposes of maximum amount

- (1) For the purposes of section 490(1)(b), a person must be treated as—
- (a) making a gain if the person acquires a financial product for less than its value;
 - (b) avoiding a loss if the person disposes of a financial product for more than its value.
- (2) In this case, the gain made or loss avoided is the difference between the consideration paid or received (as the case may be) and the value the financial product would have had at the time of the issue or sale if,—
- (a) in the case of a contravention of any of sections 241 to 243, the material information had been generally available to the market; or
 - (b) in the case of a contravention of section 262 or 265, the conduct, statement, or information had not been misleading, deceptive, or false; or
 - (c) in any other case, the contravention had not occurred.
- (3) This section does not—
- (a) limit the circumstances in which the court may find that a person has made a gain or avoided a loss; or

- (b) prevent the court from finding that the amount of the gain made, or the loss avoided, by a person exceeds an amount calculated under this section.

Compare: 1988 No 234 s 42X

492 Considerations for court in determining pecuniary penalty

In determining an appropriate pecuniary penalty, the court must have regard to all relevant matters, including—

- (a) the purposes stated in sections 3 and 4 and any other purpose stated in this Act that applies to the civil liability provision; and
- (b) the nature and extent of the contravention or involvement in the contravention; and
- (c) the nature and extent of any loss or damage suffered by any person, or gains made or losses avoided by the person in contravention or who was involved in the contravention, because of the contravention or involvement in the contravention; and
- (d) whether or not a person has paid an amount of compensation, reparation, or restitution, or taken other steps to avoid or mitigate any actual or potential adverse effects of the contravention; and
- (e) the circumstances in which the contravention, or involvement in the contravention, took place; and
- (f) whether or not the person in contravention, or who was involved in the contravention, has previously been found by the court in proceedings under this Act, or any other enactment, to have engaged in any similar conduct; and
- (g) in the case of section 534 (directors treated as having contravened), the circumstances connected with the director's appointment (for example, whether the director is a non-executive or an independent director); and
- (h) the relationship of the parties to the transaction constituting the contravention.

493 Court must order that recovery from pecuniary penalty be applied to FMA's actual costs

If the court orders that a person pay a pecuniary penalty, the court must also order that the penalty must be applied first to pay the FMA's actual costs in bringing the proceedings.

*Compensatory orders***494 When court may make compensatory orders**

 - (a) there is a contravention of a civil liability provision; and
 - (b) a person (the **aggrieved person**) has suffered, or is likely to suffer, loss or damage because of the contravention.
- (2) The court may make a compensatory order whether or not the aggrieved person is a party to the proceedings.

Compare: 1988 No 234 s 42ZA

495 Terms of compensatory orders

- (1) If section 494 applies, the court may make any order it thinks just to compensate an aggrieved person in whole or in part for the loss or damage, or to prevent or reduce the loss or damage, referred to in that section.
- (2) An order under this section may include an order to direct a relevant person to pay to the aggrieved person the amount of the loss or damage (in whole or in part).
- (3) Subsection (2) does not limit subsection (1).

- (b) the financial products, contributions, investments, or deposits referred to in paragraph (a) have declined in value after the contravention referred to in paragraph (a).
- (3) A must be treated as having suffered loss or damage because of the contravention unless it is proved that the decline in value was caused by a matter other than the relevant statement, omission, or circumstance.
- (4) In this section, the **relevant statement, omission, or circumstance** is, as the case may be,—
 - (a) the statement that is false or misleading or is likely to be misleading referred to in section 82(1)(a)(i) or 99(1)(a)(i) or clause 27(1)(a)(i) of Schedule 1; or
 - (b) the omission referred to in section 82(1)(a)(ii) or 99(1)(a)(ii) or clause 27(1)(a)(ii) of Schedule 1; or
 - (c) the circumstance referred to in section 82(1)(a)(iii).
- (5) This section does not limit section 495 (which provides for the court to make any order it thinks just to compensate an aggrieved person for the loss or damage in whole or in part).

- (3A) The FMA may, on the terms and conditions (if any) that it thinks fit, exempt any trust or class of trusts (or any person or class of persons in respect of a trust or class of trusts) from any provision or provisions of the Trusts Act 2019 if—
 - (a) the trust or that class of trusts is constituted (or is to be constituted) under a trust deed or trust deeds that would be required to be lodged under section 103 except for the fact that the FMA has granted or will grant an exemption from that requirement under subsection (1); or

 - (i) a managed investment scheme is constituted (or is to be constituted) as 1 or more trusts or as including 1 or more trusts (or both);

- (a) granting the exemption is necessary or desirable in order to promote either or both of the main purposes of this Act as specified in section 3 or any of the additional purposes specified in section 4; and
 - (b) the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to the exemption.
- (2) In the case of section 556(3A), the FMA must also have regard to the purpose and principles of the Trusts Act 2019.

- (2) An offer of financial products that would, but for this subsection, be a regulated offer is not a regulated offer if the terms of an exemption granted under this subpart state that the offer is not a regulated offer.
- (3) A statement under subsection (2) may be in respect of an offer or a class of offers.

561A Financial reporting and climate-related disclosure exemptions

- (1) An exemption granted under this subpart in relation to any provision of Part 7 may, if the FMA thinks fit, apply to an accounting period that commenced before the exemption is granted (including an accounting period that ended before the exemption is granted) if the exemption is granted before the financial statements or group financial statements for that period are required to be lodged under that Part.
- (1A) An exemption granted under this subpart in relation to any provision of Part 7A may, if the FMA thinks fit, apply to an accounting period that commenced before the exemption is granted (including an accounting period that ended before the exemption is granted) if the exemption is granted before the climate statements or group climate statements for that period are required to be lodged under that Part.

Subpart 3—FMA’s designation power

562 FMA’s designation power

- (1) The FMA may—
 - (a) declare that a security that would not otherwise be a financial product is a financial product of a particular kind:

- (b) declare that a financial product is, or is to become, a financial product of a particular kind (whether or not it was previously a financial product of a different kind):

Example

A share is normally an equity security.

However, a particular type of share may have terms that mean that, in substance, the share is similar to a debt security.

The FMA may declare that a share of that kind is a debt security.

- (c) declare that a security that would otherwise be a financial product of a particular kind is not a financial product:
- (d) declare that an offer of financial products that would not otherwise require disclosure under Part 3 because of an exclusion under Part 1 of Schedule 1 does require disclosure under Part 3:

Example

A small offer is generally excluded from requiring disclosure (see clause 12 of Schedule 1).

However, an offer of a particular kind may involve significant risks for investors that may otherwise be undisclosed to investors.

The FMA may declare that disclosure under Part 3 is required despite the exclusion (and, accordingly, the offer is a regulated offer).

- (e) declare that an offer of financial products for sale that would not otherwise require disclosure under Part 3 does require disclosure under Part 3 (see section 563(1)(c)):

Example

Offers of financial products for sale generally require disclosure only in limited circumstances (see Part 2 of Schedule 1).

However, an issuer could structure an offer with a view to circumventing, evading, or defeating the disclosure provisions of this Act.

The FMA may declare that disclosure of the offer under Part 3 is required despite the fact that the provisions in Part 2 of Schedule 1 do not apply.

- (f) declare, in relation to a managed investment product or if a declaration is made under paragraph (a) or (b) declaring that a security or financial product is a managed investment product, that a scheme is, or is to become, a managed investment scheme in relation to that managed investment product:
- (g) if a declaration is made under paragraph (a), (b), or (f), declare that a person or class of person is, or is to become, the issuer or offeror of the relevant financial products:

- (ga) declare that a person or class of person that would otherwise be a wholesale investor or a wholesale client is, or is to become, a retail investor or a retail client:
 - (gb) declare that advice—
 - (i) that would not otherwise be financial advice is financial advice; or
 - (ii) that would otherwise be financial advice is not financial advice; or
 - (iii) that would not otherwise be regulated financial advice is regulated financial advice; or
 - (iv) that would otherwise be regulated financial advice is not regulated financial advice:
 - (gc) declare that a service—
 - (i) that would not otherwise be a financial advice service is a financial advice service; or
 - (ii) that would otherwise be a financial advice service is not a financial advice service:
 - (h) declare a person, service, or conduct to be not exempt under any exemption that would otherwise apply under any of the following provisions (and accordingly the licensing requirement under this Act applies):
 - (i) section 389(2):
 - (ii) section 389(3):
 - (i) declare a person, service, or conduct to be not exempt under any exemption or exclusion that would otherwise apply under section 238(1)(a) to (h) (in relation to either subpart 5 or 6 of Part 5), or under section 285, 287, or 309.
- (2) A declaration may specify terms and conditions relating to—
- (a) the circumstances in which the declaration applies, including (without limitation) by reference to any person or class of persons or any transaction or class of transactions:
 - (b) transitional matters.
- (3) Nothing in this section prevents the FMA from granting an exemption under subpart 2 that applies to an offer, a financial product, or any other matter that is the subject of a declaration under this section.

Example

The FMA declares that a particular type of share (which would otherwise be an equity security) is a debt security.

However, some of the regulatory requirements that relate to debt securities are inappropriate in respect of these shares.

Accordingly, the FMA grants an exemption (on terms and conditions) from those requirements in order to customise the regulatory requirements that will apply.

- (4) The provisions of this Act apply subject to a declaration under this subpart.
- (5) Subpart 5 (general provisions relating to certain FMA instruments) applies to a declaration under this section.

563 Procedural requirements

- (1) The FMA must not make a declaration under this subpart unless—
 - (a) it is satisfied that the declaration is necessary or desirable in order to promote either or both of the main purposes of this Act specified in section 3 or any of the additional purposes specified in section 4; and
 - (b) in the case of section 562(1)(a) to (d), it has had regard to the economic substance of the relevant security; and
 - (c) in the case of section 562(1)(e), it is satisfied that the offer or class of offers has, or would have, a purpose or an effect of circumventing, evading, or defeating any of the purposes referred to in paragraph (a) (having regard to the economic substance of the offer or offers); and
 - (ca) in the case of section 562(1)(gb), (gc), or (h)(i), it is satisfied that the declaration is necessary or desirable in order to promote the additional purpose specified in section 431B; and
 - (d) it has consulted the persons or representatives of the persons that the FMA considers will be substantially affected by the declaration.
- (2) A failure to comply with subsection (1)(d) does not affect the validity of the declaration.

Section 563(1)(ca): inserted, on 9 April 2019, by section 52 of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

565 FMA may make interim orders pending exercise of powers

- (1) The FMA may make an interim order that no offers, issues, sales, or other acquisitions or disposals of securities specified in the order may be made, or services specified in the order may be supplied, while the interim order is in force if—

 - (ii) an offeror or service provider to provide a copy of the order to all or any of those associated persons.
- (3) For the purpose of subsection (2), the order is not required to refer to the associated persons by name.
- (4) The FMA—
 - (a) may act under subsection (1) or section 566(1)(b) without giving the offeror or service provider to which the order relates an opportunity to make submissions to, or be heard before, the FMA in respect of the matter; but
 - (b) must, after acting under subsection (1) or section 566(1)(b), give that offeror or service provider or that person's representative an opportunity to make written submissions and to be heard on the matter.
- (5) The FMA must, immediately after making the order, notify each of the following that the order has been made and the reasons for the order:
 - (a) each offeror or service provider to which the order relates;
 - (b) the Registrar, if the order relates to a regulated offer.

566 Period in which interim order is in force

- (1) An interim order under section 565 is in force from the time at which it is made until the close of—
 - (a) the date that is 15 working days after the day on which it is made; or
 - (b) a later date specified by the FMA by notice to the offeror or service provider to which the order relates.

- (2) For the purposes of subsection (1)(b),—
 - (a) the FMA may specify a later date if the FMA is of the opinion that it is not reasonably practicable for it to complete its consideration as referred to in section 565(1)(a) within the 15-working-day period referred to in subsection (1)(a):
 - (b) the later date must be a date that is no more than 30 working days after the day on which the interim order is made.

 - (b) the Securities Regulations 2009 and any other regulations made under the 1978 Act (as in force immediately before the commencement of this clause):
 - (c) exemptions granted under the 1978 Act (to the extent that those exemptions apply to the relevant offer of securities)—
 - (i) as in force immediately before the commencement of this clause (but subject to any variation or revocation under clause 11); or
 - (ii) as in force after being granted by the FMA under clause 11.
- (3) In this Part, **issuer**, **prospectus**, **registered prospectus**, and **securities** have the same meanings as in the 1978 Act.
 - (4) In this Part, a reference to an offer of securities to the public has the same meaning as in section 3 of the 1978 Act.

5 Former enactments continue to apply if prospectus registered before commencement

If securities are offered in a prospectus that is registered under the 1978 Act before the commencement of this clause, the former enactments continue to apply to the offer and allotment of those securities under that prospectus as if this Act had not been enacted.

6 Issuer may elect to comply with former enactments instead of this Act if prospectus registered within 12 months or 2 years of commencement

- (1) Despite the repeal of the 1978 Act, an issuer of securities may register a prospectus in respect of the securities in accordance with the former enactments on or before—
 - (a) the 2-year date in the case of continuous issue securities; or
 - (b) the 12-month date in any other case.
- (2) If securities are offered in a prospectus that is registered under subclause (1) and the issuer makes an election under subclause (3), the former enactments apply, as if this Act had not been enacted, to the offer and allotment of those securities under that prospectus.
- (3) For the purposes of subclause (2), an issuer may elect for the former enactments to apply to an offer of securities by including a statement in the prospectus to the effect that the Securities Act 1978 applies to the offer.
- (4) The statement referred to in subclause (3) may include additional information about an applicable exemption granted under the 1978 Act that is necessary to ensure that the statement is not misleading.

7 Former enactments apply if no prospectus required unless issuer elects otherwise

- (1) If, under the 1978 Act or an exemption granted under that Act, no registered prospectus is required for an offer of securities to the public in New Zealand, the former enactments apply, as if this Act had not been enacted, to any offer and allotment of those securities that is made before the close of the 2-year date unless the issuer makes an election, under subclause (3), for this Act to apply.
- (2) However,—
 - (a) subclause (1) does not permit an offer to be made in reliance upon section 5(2CB) or (2CBA) of the 1978 Act:
 - (b) subclause (1) does not apply in the prescribed circumstances.
- (3) For the purposes of subclause (1), an issuer may elect for this Act to apply to an offer of securities made after a particular date by—
 - (a) giving to the FMA, before that date, a notice to the effect that this Act applies to the offer of the securities made after that date; and
 - (b) including a copy of that notice on an Internet site maintained by, or on behalf of, the issuer at all reasonable times during the period between that date and the earlier of the close of the offer or the close of the 2-year date.

8 This Act and 1978 Act are (on transitional basis) alternative means of compliance

If, in accordance with this Part,—

- (a) this Act applies to an offer of securities, the former enactments do not apply to the offer:
- (b) the former enactments apply to an offer of securities, this Act does not apply to the offer.

9 All offers and allotments under old law must cease after scheme registered

Despite clauses 4 to 8, no offer or allotment of managed investment products may be made under the former enactments after the date on which the managed investment scheme to which the products relate becomes a registered scheme (or is treated as being a registered scheme under Part 2 of this schedule).

10 All offers and allotments under old law must cease within 2 years of commencement

Despite clauses 4 to 8, no offer or allotment of securities may be made under the former enactments after the 2-year date (and this Act applies to all offers and acquisitions of financial products made after that date).

10A Banks' regulatory capital

- (1) This clause applies in respect of convertible securities offered and allotted before the close of the 2-year date (unless the issuer makes an election as referred to in clause 7(3)).
- (2) Despite clauses 7 and 10,—
 - (a) the former enactments apply, as if this Act had not been enacted, to any offer and allotment of the convertible securities and the specified equity securities to which the convertible securities relate; and
 - (b) an allotment of those specified equity securities may be made before, on, or after the 2-year date; and
 - (c) in the case of a specified equity security that is allotted after the 2-year date, clause 20 applies to the security on and after its allotment.
- (3) In this clause, **convertible security** and **specified equity security** have the same meanings as in the Securities Act (Banks' Regulatory Capital) Exemption Notice 2014 (as in force before its revocation).
- (4) In this clause, **former enactments**—
 - (a) has the same meaning as in clause 4(2); and
 - (b) includes the Securities Act (Banks' Regulatory Capital) Exemption Notice 2014 and the Securities Act (Heartland Bank Regulatory Capital) Exemption Notice (No 3) 2016 as in force on 30 November 2016 (as if those notices continued in force after their revocation).

Schedule 4 clause 10A: inserted, on 9 August 2017, by section 97(2) of the Regulatory Systems (Commercial Matters) Amendment Act 2017 (2017 No 12).

11 FMA may continue to perform and exercise functions, duties, and powers

If the former enactments continue to apply to an offer of securities, the FMA may continue to perform and exercise all of its functions, duties, and powers conferred or imposed on it by or under the former enactments as if this Act had not been enacted (for example, it may grant, vary, or revoke an exemption under section 70B of the 1978 Act).

12 Part does not prevent PDS from being lodged

Nothing in this Part prevents an issuer from lodging a PDS in preparation for making an offer of financial products under Part 3 of this Act.

13 Part 2 applies even if former enactments apply to offer

- (1) Despite clause 8, Part 2 of this Act (and any other provision of this Act relating to the enforcement, application, or effect of that Part) applies to an offer of securities to which the former enactments apply.
- (2) However, conduct that contravenes, or leads to liability under, sections 55A to 57 (in respect of an untrue statement) or 58 of the 1978 Act does not contravene sections 19 to 23 of this Act.

- (3) For the purpose of this section, conduct must be treated as contravening, or leading to liability under, sections 55A to 57 or 58 of the 1978 Act even if the conduct does not constitute an offence, or does not lead to any liability, because of the availability of a defence.

14 Unsubstantiated representations prohibitions do not apply to prospectuses and investment statements

- (1) Section 23 and the provision of the Fair Trading Act 1986 that corresponds to section 23 do not apply to a representation made in a registered prospectus or an investment statement (within the meaning of the 1978 Act).
- (2) Subclause (1) applies despite clause 13(1).

Part 2

Transitional provisions on enactment of this Act relating to securities allotted under Securities Act 1978

15 Part applies to securities allotted under Securities Act 1978

- (1) This Part applies to an allotted security offered pursuant to an offer for which, or for which but for an exemption granted by the FMA or the Securities Commission under the 1978 Act, an investment statement or a registered prospectus, or both, is or was required under that Act.
- (2) However, this Part does not apply to a security if, before the commencement of this clause, the security was cancelled, redeemed, or forfeited, or all of the obligations owing under the security had been discharged.
- (3) A security referred to in subclause (1) includes a security allotted under an offer to which the 1978 Act applies under Part 1 of this schedule.

Until effective date

17 Former enactments continue to apply until effective date in accordance with regulations

- (1) If a former enactment would apply (but for its repeal, revocation, or amendment by this Act) to a security to which this Part applies (or to any scheme to which the security relates), that enactment continues to apply during the transition period in accordance with regulations made under section 547 (if any).
- (2) *See* section 547, under which regulations may provide for former enactments to continue to apply (or to apply with modifications or additions), or for provisions of this Act or the Financial Markets (Repeals and Amendments) Act 2013 to apply with modifications or additions, as set out in the regulations.
- (3) Despite subclauses (1) and (2), the provisions of the KiwiSaver Act 2006 amended by sections 101, 105, and 107 of the Financial Markets (Repeals and Amendments) Act 2013 apply as amended to an interest in a KiwiSaver scheme to which this Part applies and to that KiwiSaver scheme.

18 KiwiSaver schemes, superannuation schemes, and unit trusts continue under former enactments until effective date

- (1) If a security to which this Part applies is—
 - (a) an interest in a KiwiSaver scheme, the KiwiSaver scheme continues to be registered in the KiwiSaver schemes register during the transition period as if this Act had not been enacted:

- (b) an interest in a superannuation scheme (other than a KiwiSaver scheme), the superannuation scheme continues to be registered under the Superannuation Schemes Act 1989 during the transition period as if this Act had not been enacted:
 - (c) a unit in a unit trust, the unit trust continues to be subject to the Unit Trusts Act 1960 during the transition period as if this Act had not been enacted.
- (2) This clause does not limit clause 17.

19 Transition period

- (1) In this Part, the **transition period** for a particular security is the period beginning on the date on which this clause comes into force and ending on the close of the day before the earlier of the following dates:
- (a) the date that the issuer of the security elects; or
 - (b) the date that is 2 years after the commencement of this clause.
- (2) If the issuer elects an effective date that is earlier than 2 years after the commencement of this clause, the issuer must notify the FMA and the Registrar of the elected date at least 20 working days before that date.

Transitional provisions on and after effective date

20 Ongoing requirements of this Act apply on and after effective date

- (1) On and after the effective date for a particular security to which this Part applies, the following apply to the security (and, in the case of a managed investment product, to the managed investment scheme to which it relates):
- (a) subpart 4 of Part 3 of this Act (ongoing disclosure) other than section 95:
 - (b) Part 4 of this Act (governance of financial products):
 - (c) Part 7 of this Act (financial reporting):
 - (d) any regulations made for the purposes of subpart 4 of Part 3, Part 4, or Part 7 of this Act:
 - (e) any other provision of this Act relating to the enforcement, application, or effect of subpart 4 of Part 3, Part 4, or Part 7 of this Act.
- (2) The provisions referred to in subclause (1) apply with all necessary modifications as if the security had been offered and allotted under a regulated offer under this Act.
- (2A) For the purposes of subclause (1), the security must, on and after the effective date, be treated as being a regulated product under section 451(1)(a) and, accordingly, the issuer must be treated as being an FMC reporting entity (unless section 452 applies).

- (2B) *See* section 56 of the Financial Reporting Act 2013 (which provides for the former law to generally continue to apply to accounting periods that commence before the commencement of that Act).
- (3) However, subclause (1) and clauses 21, 22, and 30 (obligations relating to registration of a scheme under this Act) do not apply to a security if,—
- (a) before the effective date, the security is cancelled, redeemed, or forfeited, or all of the obligations owing under the security have been discharged; or
 - (b) on the effective date, the security is not a financial product within the meaning of section 7 (but *see* clause 33); or
 - (c) under the 1978 Act, the security was a debt security but, as a result of section 5(2C) or (3) of that Act, section 33(2) of that Act did not apply to the security; or
 - (d) under the 1978 Act, the security was a participatory security but, as a result of section 5(3) of that Act, section 33(3) of that Act did not apply to the security.

21 Issuer of debt security must lodge trust deed and supply information

- (1) If a security to which this Part applies is a debt security (within the meaning of section 8), the issuer must—
- (a) ensure that a copy of the trust deed that complies with sections 104 to 106 is lodged with the Registrar before the effective date; and
 - (b) supply to the Registrar and the FMA, before the effective date,—
 - (i) the names and addresses of the persons who, on the effective date, will be the issuer and the licensed supervisor; and
 - (ii) all other prescribed information relating to the debt security.
- (2) *See* subpart 3 of Part 8 of this Act, which provides for civil liability for a contravention of subclause (1).

22 Managed investment scheme treated as being registered and issuer must supply information

- (1) If a security to which this Part applies is a managed investment product,—
- (a) the managed investment scheme to which the product relates (the **scheme**) must, on and after the effective date, be treated as being a registered scheme; and

- (b) the issuer must ensure that a copy of the governing document for the scheme that complies with sections 135 to 137 is lodged with the Registrar before the effective date; and
- (c) the issuer must supply to the Registrar and the FMA, before the effective date,—
 - (i) the name and address of the person who, on the effective date, will be the manager; and
 - (ii) the name and address of the person who, on the effective date, will be the licensed supervisor (unless the scheme is a restricted scheme); and
 - (iii) all other prescribed information relating to the managed investment product and the scheme.
- (2) *See* subpart 3 of Part 8 of this Act, which provides for civil liability for a contravention of subclause (1)(b) or (c).
- (3) Nothing in this clause or clause 23 prevents the FMA from—
 - (a) directing that the registration of a scheme to which this clause applies be cancelled under section 195; or
 - (b) exercising any other power in respect of such a scheme.

23 Type of registration

- (1) A managed investment scheme that is treated as being registered under clause 22 must be treated as being registered on the register of managed investment schemes as the 1 or more of the following types of scheme that apply to it:
 - (a) a KiwiSaver scheme if, immediately before the effective date, the scheme was registered as a KiwiSaver scheme in the KiwiSaver schemes register:
 - (b) a KiwiSaver scheme that is a restricted scheme if paragraph (a) applies and, immediately before the effective date, the scheme was identified as a restricted scheme on the KiwiSaver schemes register:
 - (c) a superannuation scheme if, immediately before the effective date, the scheme was registered under the Superannuation Schemes Act 1989 (unless paragraph (f) applies):

 - (c) designate a scheme as a workplace savings scheme for the purposes of subclause (1)(f):
 - (d) designate any scheme that will be a restricted scheme under this section as being an employer-related scheme for the purposes of section 172.
- (3) A scheme may be designated under subclause (2)(b) or (c) as a type of scheme in respect of a section of the scheme only and, in that case, subclause (1) treats the scheme as being on the register of managed investment schemes as that type in respect of that section of the scheme.
- (4) Section 131(1)(c) (which prevents certain changes without the FMA’s consent to the conditions of entry of scheme participants) applies to a restricted scheme on and after the date on which a designation by Order in Council comes into force under subclause (2) in all cases as if that date of designation were the date of the scheme’s registration under this Part.
- (5) An order under this clause is secondary legislation (*see* Part 3 of the Legislation Act 2019 for publication requirements).

24 Registrar to amend register

- (1) The Registrar must, on or as soon as practicable after the effective date for a managed investment scheme to which clause 22(1)(a) applies, amend the register of managed investment schemes to include an entry relating to the scheme.
- (2) The Registrar is not required to act under subclause (1) before clause 22(1)(b) and (c) have been complied with.

25 Restriction on making regulated offers and accepting contributions if requirements have not been complied with

- (1) This clause applies if an issuer contravenes clause 22(1)(b) or (c) in respect of a managed investment scheme that is treated as being a registered scheme under clause 22(1)(a).
- (2) The issuer must not, on and after the effective date, make a regulated offer of a managed investment product, or accept further contributions, in respect of that managed investment scheme.
- (3) Subclause (2) ceases to apply if—
 - (a) the issuer lodges with the Registrar a copy of the governing document for the scheme that complies with sections 135 to 137; and
 - (b) the issuer supplies to the Registrar and the FMA the prescribed information; and
 - (c) the register of managed investment schemes includes an entry relating to the scheme.
- (4) *See* subpart 3 of Part 8 of this Act, which provides for civil liability for a contravention of this clause.

26 Issuer may amend or replace governing document with FMA's consent

- (1) This clause applies—
 - (a) to a governing document that, immediately before the commencement of this clause, relates to a debt security or constitutes or governs a scheme; and
 - (b) despite anything to the contrary in the governing document or in any enactment, rule of law, or agreement, including anything relating to the consent of any person to the making of amendments to the governing document.
- (2) The issuer of the debt security or the manager of the scheme (as the case may be) may amend or replace the governing document with the FMA's consent if the FMA is satisfied that—
 - (a) the amendment or replacement is necessary or desirable to ensure, or in connection with ensuring, that the governing document complies with the requirements of this Act; or

- (b) (for any amendments or differences in the replaced governing document to which paragraph (a) does not apply) the procedures of the existing governing document for amendments have been complied with.
- (3) An amendment or a replacement made under this clause must be treated for all purposes as if it were made in accordance with the governing document.
- (4) On the amendment or replacement under this clause of a governing document that constitutes or governs a scheme,—
 - (a) the scheme must be treated as the same scheme as it was immediately before the amendment or replacement of the existing governing document; and
 - (b) the persons who were members of the scheme immediately before the amendment or replacement of the existing governing document continue to be members of the same scheme; and
 - (c) the assets or liabilities of a scheme or fund must be treated as if they vested in the scheme or fund immediately after the amendment or replacement of the existing governing document, but for the purposes of the Inland Revenue Acts this must be treated as if it is not a transfer (as defined in section YA 1 of the Income Tax Act 2007).
- (5) In this clause and clauses 27 and 28, **scheme** has the same meaning as in section 2(1) of the 1978 Act (as in force immediately before the commencement of this clause).
- (6) To avoid doubt, this clause does not limit the ways in which a governing document may be amended or replaced in accordance with its terms or any enactment or rule of law.
- (7) The FMA's discretion to set preconditions for requests to it includes (without limitation) a discretion to set preconditions that satisfy the FMA that it is appropriate for the amendment or replacement to be done under this section rather than by means of another power or process.

with the security in accordance with regulations made under section 547 (if any) until the effective date.

- (2) *See* section 547, under which regulations may provide for an enactment that is amended by this Act to continue to apply (or to apply with modifications or additions), or for provisions of this Act or the Financial Markets (Repeals and Amendments) Act 2013 to apply with modifications or additions, as set out in the regulations.
- (3) Subclause (1) must be treated as applying to a security offered under the 1978 Act in accordance with Part 1 of this schedule.
- (4) *See* clause 36 (amended enactments continue to apply or have effect in connection with schemes).

30 Issuer must send notification to security holders

- (1) The issuer of a security must, before or within 3 months after the effective date, send a written notice containing the following information to the security holder at the holder's last known address:
 - (a) the effective date and a statement to the effect that the requirements of this Act will apply after that date:
 - (b) the names and addresses of the issuer, the supervisor (if any), and the custodian (if any):
 - (c) in the case of a debt security or managed investment product,—
 - (i) a statement to the effect that the holder may obtain a copy of the governing document by electronic means; and
 - (ii) a statement to the effect that the holder has a right to receive from the issuer, free of charge, a copy of the governing document if the holder, within 15 working days of receiving the notice, makes a request to the issuer to receive a copy of the governing document:
 - (d) if a PDS has been lodged for an offer of financial products of the same class as the security, a statement to the effect that the holder may obtain a copy of the PDS by electronic means:
 - (e) in the case of a managed investment product, the statement of investment policy and objectives or a statement to the effect that the holder may obtain a copy of that statement by electronic means:
 - (f) if the notice contains a statement to the effect that the holder may obtain a copy of a document by electronic means, a statement as to how the holder may obtain a copy of the document by electronic means (for example, from a specified Internet site address):
 - (g) any other prescribed information.
- (2) This section does not apply to a security referred to in clause 20(3).

- (3) If a security holder, within 15 working days of receiving the notice, makes a request to the issuer to receive a copy of the governing document, the issuer must, as soon as practicable, send to the holder, free of charge, a copy of that document.
- (4) A person who contravenes this clause commits an offence and is liable on conviction to a fine not exceeding \$50,000.
- (5) The offence in this clause is an infringement offence (*see* subpart 5 of Part 8 of this Act).
- (6) In this clause and clause 31, **security holder** means,—
 - (a) in the case of a security to which section 215(1) does not apply, the holder of that security on the date that the notice is sent under subclause (1); or
 - (b) in the case of any other security, the person who is registered as the holder of the security in a register kept under subpart 4 of Part 4 of this Act on the date that the notice is sent under subclause (1).

31 PDS treated as having been given

- (1) This clause applies if—
 - (a) a notice is sent to a security holder under clause 30 before the effective date; and
 - (b) a PDS has, before the effective date, been lodged for an offer of financial products of the same class as the security held by the security holder; and
 - (c) a statement is included in the notice referred to in paragraph (a) as required by clause 30(1)(d); and
 - (d) the security held by the security holder is a financial product that the issuer, in the ordinary course of its business, continuously offers for issue.
- (2) The PDS referred to in subclause (1)(b) must be treated as having been given to the security holder for the purposes of section 50.

32 FMA may continue to perform and exercise functions, duties, and powers

If the former enactments continue to apply to securities or a scheme under this Part, the FMA may continue to perform and exercise all of its functions, duties, and powers conferred or imposed on it by or under the former enactments as if this Act had not been enacted (for example, it may grant, vary, or revoke an exemption under section 70B of the 1978 Act).

33 Certain requirements of former law continue for participatory securities that are not financial products

- (1) This clause applies to a participatory security to which this Part applies if—

- (a) a statutory supervisor was, or was required to be, appointed in respect of the security under section 33(3) of the Securities Act 1978; and
- (b) on the effective date, the security is not a financial product within the meaning of section 7.
- (2) However, this clause—
- (a) does not apply in relation to a participatory security if, before the effective date, the security was cancelled, redeemed, or forfeited, or all of the obligations owing under the security had been discharged:
- (b) ceases to apply to a security (and the scheme to which it relates) if the participatory security holders in the scheme opt out of this clause by way of a resolution approved by those holders holding no less than 75% of the value of the participatory securities.
- (3) The following enactments continue to apply on and after the effective date (as if this Act had not been enacted) to a security to which this clause applies, the scheme to which the security relates, and the statutory supervisor of the security:
- (a) sections 45, 48, and 49 of the 1978 Act:
- (b) regulations 41 and 42 and Schedules 16 and 17 of the Securities Regulations 2009:
- (c) any other provision of the 1978 Act or the Securities Regulations 2009 relating to the enforcement, application, or effect of the provisions referred to in paragraph (a) or (b) or the making of regulations relating to, or the granting of exemptions from compliance with, those provisions:
- (d) the Securities Trustees and Statutory Supervisors Act 2011.

Schedule 4 Part 6: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Subpart 1—Transitional licences

Schedule 4 Part 6 subpart 1: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

71 FMA may issue transitional licence

- (1) The FMA may issue a transitional licence that covers the service of acting as a provider of a financial advice service.
- (2) A transitional licence must be treated as being a licence issued under subpart 2 of Part 6 of this Act (subject to the provisions of this subpart).
- (3) Section 395(1), (1A), and (3) (application for licence) applies to a transitional licence.
- (4) However,—
 - (a) an application for a transitional licence must be made before the commencement of section 16 of the Financial Services Legislation Amendment Act 2019 (which amends section 388 to make acting as a provider of a financial advice service a market service for which a licence is required); and
 - (b) a transitional licence may not cover a type of market service other than a financial advice service.
- (5) Subclause (4)(a) does not limit section 395(1A) (which allows the FMA to specify time frames within which applications must be made).
- (6) This clause does not prevent a licensee from holding both a transitional licence and 1 or more other licences that cover the service referred to in subclause (1) (but *see* clause 72(2)).

Schedule 4 clause 71: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

72 Duration and coverage of transitional licence

- (1) A transitional licence continues in force until the close of the date that is 2 years after the commencement of section 16 of the Financial Services Legislation Amendment Act 2019 unless it is sooner cancelled.
- (2) However, a transitional licence no longer covers a type of regulated financial advice if—
 - (a) another licence is issued to the licensee under subpart 2 of Part 6 of this Act; and

- (b) that other licence covers that type of regulated financial advice.
- (3) Subclause (2)—
 - (a) applies regardless of what conditions are imposed on the other licence (for example, new limits or restrictions on the regulated financial advice that may be provided):
 - (b) does not limit the FMA's power under section 408.

Schedule 4 clause 72: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

73 When transitional licence must be issued

The FMA must, after receiving an application for a transitional licence, issue the licence if the FMA is satisfied that—

- (a) the eligibility criteria (if any) that are prescribed by the regulations for transitional licences are satisfied; and
- (b) the applicant's directors and senior managers are fit and proper persons to hold their respective positions and otherwise satisfy the requirements that are prescribed by the regulations for transitional licences (if any); and
- (c) there is no reason to believe that the applicant is likely to contravene the market services licensee obligations; and
- (d) the applicant is, or will be, registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 on and from commencing to provide the service.

Schedule 4 clause 73: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

74 Licence may cover authorised bodies

- (1) A transitional licence may, in its conditions, authorise 1 or more named entities to provide the market service covered by the licence if the FMA is satisfied that—
 - (a) there is no reason to believe that the entity is likely to contravene the market services licensee obligations; and
 - (b) the entity is, or will be, registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 on and from commencing to provide that service; and
 - (c) the entity meets the eligibility criteria and other requirements prescribed by the regulations for the purposes of this clause (if any).
- (2) The entity must be treated as being an authorised body that is authorised under section 400(1A).
- (3) This clause does not apply if the licensee is an individual.

Schedule 4 clause 74: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

75 Certain transitional licence holders may not engage nominated representatives

- (1) A transitional licence is subject to a condition that the licensee or an authorised body may nominate an individual as a nominated representative of the licensee or body under section 431T only if, immediately before the commencement of this clause, the licensee or body (as the case may be) was any of the following:
 - (a) a qualifying financial entity (QFE) or a member of a QFE group under the Financial Advisers Act 2008;
 - (b) an entity that—
 - (i) is registered under the Financial Service Providers (Registration and Dispute Resolution) Act 2008 in respect of a financial adviser service; and
 - (ii) engages 1 or more individuals, who are not registered under that Act, to provide on its behalf a class service (within the meaning of section 5 of the Financial Advisers Act 2008 as in force before its repeal).
- (2) If the licensee or authorised body (as the case may be) is an entity referred to in subclause (1)(b) (and is not a person referred to in subclause (1)(a)), the transitional licence is also subject to a condition that a nominated representative must not provide, on behalf of the licensee or body, a personalised service (within the meaning of section 5 of the Financial Advisers Act 2008 as in force before its repeal).

Schedule 4 clause 75: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

76 Transitional licence may authorise entity to be engaged

- (1) This clause applies if—
 - (a) a person (**P**) is a licensee or an authorised body under a transitional licence (**P's licence**); and
 - (b) another person (**E**) holds a transitional licence or is an authorised body under **P's** licence; and
 - (c) immediately before the commencement of this clause, **P** and **E** are parties to an agreement under which either or both of the following occurs:
 - (i) **P** engages **E** to give financial advice to **P's** retail clients on **P's** behalf;
 - (ii) **P** engages **E**, who engages 1 or more individuals to give financial advice to **P's** retail clients on **P's** behalf.

- (2) P's licence is subject to a condition that authorises P and E to continue the conduct that is the subject of the agreement referred to in subclause (1)(c) (*see* section 431F(1)(b)).
- (3) This clause is subject to any other conditions on P's licence (which may, for example, impose limits or restrictions on the type of advice that may be given).
- Schedule 4 clause 76: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

77 Application of Part 6 of Act, etc

- (1) Part 6 of this Act applies in relation to transitional licences with all necessary modifications including the following:
- (a) references in sections 397 and 398 to a decision under section 396 must be treated as references to a decision under clause 73:
- (b) sections 396, 397(1)(b) and (c), 399, 403(3)(c), and 407 do not apply:
- (c) references to the requirements of section 396 or 400 in section 403(3)(b) or subpart 3 of Part 6 of this Act must be treated as references to the requirements of clause 73 or 74.

Example

Subpart 3 of Part 6 provides for certain consequences if the licensing requirements in section 396 are not, or are no longer, satisfied. These include a duty for the licence holder to report matters to the FMA (*see* section 412) and the FMA could suspend or cancel the licence (*see* section 414(3)).

ABC Limited satisfies the licensing requirements in clause 73 and is granted a transitional licence. However, a change occurs that means that ABC Limited no longer satisfies a requirement.

Under paragraph (c), the ordinary monitoring and enforcement consequences apply to the transitional licence as if the references to licensing requirements in section 396 were references to the licensing requirements in clause 73.

ABC Limited must, therefore, report the matter to the FMA and the FMA may exercise a power under subpart 3 of Part 6.

- (2) However, a transitional licence must be disregarded for the purposes of section 397(1)(b) when the FMA is considering an application for another licence.
- (3) Matters may be prescribed under section 546(1)(a) for the purposes of clauses 73(a) and (b) and 74(1)(c).
- (4) A decision of the FMA under this subpart may be appealed under subpart 9 of Part 8 of this Act as if it were a decision under Part 6 of this Act.

Schedule 4 clause 77: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

78 FMA may refuse to consider application made before specified time, event, or circumstance

- (1) This clause applies to an application for—
 - (a) a transitional licence; or
 - (b) a licence under subpart 2 of Part 6 of this Act that covers the service of acting as a provider of a financial advice service.
- (2) The FMA may, under section 395(1A), refuse to consider the application if it is made—
 - (a) before a date specified by the FMA; or
 - (b) before an event specified by the FMA has occurred; or
 - (c) before circumstances specified by the FMA have been satisfied.
- (3) This clause does not limit section 395(1A).
- (4) This clause ceases to apply on the close of the date that is 2 years after the commencement of section 16 of the Financial Services Legislation Amendment Act 2019.

Schedule 4 clause 78: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Subpart 2—Renewal of financial adviser authorisation and QFE status not required in transitional period

Schedule 4 Part 6 subpart 2: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

79 Renewal of financial adviser authorisation and QFE status not required in transitional period

- (1) This clause applies to a person (A) if,—
 - (a) immediately before the commencement of this clause, A is an authorised financial adviser or has QFE status (within the meaning of the Financial Advisers Act 2008); but
 - (b) A's period of authorisation or period of a grant of QFE status would, but for this clause, terminate under section 57(1)(a) or 75A(1)(a) of that Act after that commencement.
- (2) Despite sections 57(1)(a) and 75A(1)(a) of the Financial Advisers Act 2008, A's authorisation or QFE status must be treated as continuing until the commencement of section 97(1) of the Financial Services Legislation Amendment Act 2019 (which repeals the Financial Advisers Act 2008).
- (3) However, subclause (2) ceases to apply if—
 - (a) A's authorisation or QFE status terminates under section 57(1)(b) to (d) or 75A(1)(b) to (d) of the Financial Advisers Act 2008; or

- (b) an application for the renewal of A's authorisation or QFE status is made before the commencement of this clause but is declined by the FMA after that commencement.

Schedule 4 clause 79: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Subpart 3—Preparation of code

Schedule 4 Part 6 subpart 3: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

80 Code may be prepared before commencement

- (1) Any action taken by or on behalf of the body of persons appointed by the Minister and known as the code working group in preparing the code of conduct must be treated as having been validly taken by the code committee under, and for the purposes of, clauses 32 to 39 of Schedule 5.
- (2) For the purposes of subclause (1), a reference in clauses 32 to 39 of Schedule 5 to the code committee includes a reference to the code working group.
- (3) The Minister may exercise or perform a power or duty under Schedule 5 before that schedule comes into force.
- (4) Subclauses (1) and (3) apply regardless of whether the action is taken before or after the Financial Services Legislation Amendment Act 2019 is enacted.
- (5) The Minister must ensure that the code comes into force no later than the date on which subpart 5A of Part 6 comes into force.
- (6) If Schedule 5 requires the code or any other information to be published on an Internet site maintained by or on behalf of the code committee, the code or information may instead, before the commencement of that schedule, be published on an Internet site maintained by or on behalf of the department of State that is responsible for the administration of this Act.

Schedule 4 clause 80: inserted, on 9 April 2019, by section 59(5) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

Subpart 4—Miscellaneous transitional provisions

Schedule 4 Part 6 subpart 4: inserted, on 15 March 2021, by section 59(6) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

81 New competency requirements do not prevent certain persons from continuing to give certain advice

- (1) This clause applies to a person (A) if,—
 - (a) immediately before the commencement of this clause, A is—
 - (i) an authorised financial adviser (within the meaning of the Financial Advisers Act 2008); or
 - (ii) an individual who is registered under the FSP Act in respect of a financial adviser service; or

- (iii) a qualifying financial entity (within the meaning of the Financial Advisers Act 2008) or an entity that is registered under the FSP Act in respect of a financial adviser service; and
- (b) in the case of—
 - (i) paragraph (a)(i) or (ii),—
 - (A) A is engaged by a financial advice provider (P) to give regulated financial advice as a financial adviser on P's behalf; or
 - (B) A holds a transitional licence, or a licence issued under sub-part 2 of Part 6 of this Act, that covers the service of acting as a provider of a financial advice service; or
 - (ii) paragraph (a)(iii), A is a financial advice provider that is registered under the FSP Act in respect of a financial advice service.
- (2) Section 431I (duty to meet standards of competence) does not prevent A from giving regulated financial advice about a particular matter or in particular circumstances if, immediately before the commencement of this clause, A would have been permitted to provide that advice under the Financial Advisers Act 2008.
- (3) Accordingly, P is not required to ensure compliance with section 431I (and is not otherwise liable in relation to that section) to the extent that A is permitted to act under subclause (2).
- (4) In the case of subclause (1)(b)(i)(A), subclause (2) applies only if the advice is given on P's behalf.
- (5) This clause is subject to the conditions on A's licence or P's licence (which may, for example, impose limits or restrictions on the services that are covered by the licence).
- (6) In this clause,—

financial adviser service has the same meaning as in the Financial Advisers Act 2008 (as in force before its repeal)

FSP Act means the Financial Service Providers (Registration and Dispute Resolution) Act 2008.
- (7) This clause ceases to apply on the close of the date that is 2 years after the commencement of this clause.

Schedule 4 clause 81: inserted, on 15 March 2021, by section 59(6) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

82 Former QFE advisers not prevented from providing certain services

- (1) This clause applies to an individual (A)—
 - (a) who, immediately before the commencement of this clause, is a QFE adviser (within the meaning of the Financial Advisers Act 2008); and

- (b) who, after the commencement of this clause, has become a financial adviser; and
 - (c) who is engaged by a financial advice provider (**P**) to give regulated financial advice on P's behalf.
- (2) Section 431I (duty to meet standards of competence) does not prevent A from providing, on behalf of P,—
- (a) a personalised service in relation to P's category 1 products (but only if, immediately before the commencement of this clause, P was a QFE or member of a QFE group that engaged A); or
 - (b) a personalised service in relation to category 2 products; or
 - (c) a class service in relation to category 1 products or category 2 products.
- (3) Accordingly, P is not required to ensure compliance with section 431I (and is not otherwise liable in relation to that section) to the extent that A is permitted to act under subclause (2).
- (4) This clause is subject to the conditions on P's licence (which may, for example, impose limits or restrictions on the services that are covered by the licence).
- (5) In this clause and clause 83, **category 1 product**, **category 2 product**, **class service**, **personalised service**, **QFE**, and **QFE group** have the same meanings as in section 5 of the Financial Advisers Act 2008 as in force before its repeal.
- (6) This clause ceases to apply on the close of the date that is 2 years after the commencement of this clause.

Schedule 4 clause 82: inserted, on 15 March 2021, by section 59(6) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

83 Nominated representatives not prevented from providing certain services

- (1) This clause applies to an individual (**A**)—
- (a) who becomes a nominated representative in accordance with clause 75; and
 - (b) who is engaged by a financial advice provider (**P**) to give regulated financial advice on P's behalf.
- (2) Section 431I (duty to meet standards of competence) does not prevent A from providing, on behalf of P,—
- (a) a personalised service in relation to P's category 1 products; or
 - (b) a personalised service in relation to category 2 products; or
 - (c) a class service in relation to category 1 products or category 2 products.
- (3) Accordingly, P is not required to ensure compliance with section 431I (and is not otherwise liable in relation to that section) to the extent that A is permitted to act under subclause (2).
- (4) However, this clause is subject to clause 75(2) (which imposes a condition restricting the advice that certain nominated representatives may provide).

- (5) This clause ceases to apply on the close of the date that is 2 years after the commencement of this clause.

Schedule 4 clause 83: inserted, on 15 March 2021, by section 59(6) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

84 Financial advisers treated as holding DIMS licence

- (1) This clause applies to a person (A) who, immediately before the commencement of this clause,—

- (a) is permitted to provide a discretionary investment management service under section 18(1)(d) of the Financial Advisers Act 2008; and
- (b) provides that service to 1 or more retail clients (as defined in that Act).

- (2) A must, on and after the commencement of this clause, be treated as holding a market services licence that—

- (a) covers the service of acting as a provider of a discretionary investment management service; and
- (b) is subject to a condition that the service that A can provide under the licence is limited to the discretionary investment management service that A could provide immediately before the commencement of this clause; and
- (c) is subject to the conditions, limitations, or restrictions that, immediately before the commencement of this clause, were imposed by or under the Financial Advisers Act 2008 on A's authorisation under that Act, except standard conditions as defined in section 5 of that Act (and those conditions, limitations, or restrictions that the licence is subject to must be treated as conditions of the licence for the purposes of this Act); and
- (d) has an expiry date that is the earliest of the following:
 - (i) the date that A is issued with another licence that covers the service; and
 - (ii) the date that the licence is cancelled; and
 - (iii) the date that is 2 years after the commencement of this clause.

- (3) However, subclause (2) does not apply if, before the commencement of this clause, A has given written notification to the FMA that A does not want subclause (2) to apply.

- (4) Nothing in this clause—

- (a) prevents the FMA from exercising any power in relation to the licence; or
- (b) limits the conditions that the licence is subject to under section 402 (for example, conditions imposed by regulations).

Schedule 4 clause 84: inserted, on 15 March 2021, by section 59(6) of the Financial Services Legislation Amendment Act 2019 (2019 No 8).

 - (b) A is providing a DIMS to an investor (C) under an investment authority that was granted before the commencement of this clause.
- (2) The requirement in sections 423 and 424 to provide an SDS relating to the DIMS to C does not apply.
- (3) However, subclause (2) ceases to apply on the specified date unless A, before the specified date, has sent a written notice that contains, or is accompanied by, the following information to C at C's last known address:
 - (a) a statement to the effect that the requirements of this Act apply to the DIMS on and after a date that is referred to in the statement (being the date on which clause 84 comes into force);
 - (b) the names and addresses of A and the custodian (if any);
 - (c) either—
 - (i) a copy of the SDS relating to the DIMS (being an SDS that complies with regulation 205 of the 2014 regulations but subject to subclause (4)(b) of this clause); or
 - (ii) a statement to the effect that C may obtain a copy of that SDS on request to A and also by electronic means, and a statement as to how C may obtain a copy of that SDS by electronic means (for example, from a specified Internet site address).
- (4) If subclause (2) applies,—
 - (a) regulation 206 of the 2014 regulations (investment proposal must be provided to investors) does not apply in relation to the DIMS provided by A to C; and
 - (b) the SDS that is made available to C under subclause (3)(c)—
 - (i) is not required to refer to the investment proposal; but
 - (ii) must state that information about the investment strategy applying to the investor, and about the returns, fees, and expenses of that strategy, will be made available to the investor by way of regular reports; and
 - (c) regulation 226(1)(a) of the 2014 regulations does not apply to the client agreement in respect of the DIMS provided to C.

- (5) However, subclause (4)(c) ceases to apply on the specified date unless the SDS that is made available to C under subclause (3)(c) provides adequately for the matters in regulation 226(1)(a)(i) to (iv) of the 2014 regulations.
- (6) Section 437(2) to (4) does not apply to an investment authority referred to in subclause (1)(b).
- (7) However,—
- (a) subclause (6) ceases to apply on the specified date unless A, before the specified date, has sent a written notice that discloses the scope of the investment authority to C at C's last known address, including the matters referred to in section 437(2)(a) to (c); and
- (b) if there are no limits on the investment authority on a matter referred to in section 437(2)(a) or (b) or if the matter is capable of change without the prior written consent of C, the written notice under paragraph (a) must clearly disclose that fact.
- (8) This clause does not apply to an investment authority granted after the licence referred to in subclause (1) is issued.

- (9) In this clause,—

Part 8

Provisions relating to Financial Markets (Conduct of Institutions)

Amendment Act 2022

Schedule 4 Part 8: inserted, on 25 July 2023, by section 23 of the Financial Markets (Conduct of Institutions) Amendment Act 2022 (2022 No 36).

95 Dealing with applications to act as financial institution from existing banks, insurers, and NBDTs

- (1) This clause applies to a person (A) if,—
- (a) immediately before the commencement of this clause, A is a registered bank, a licensed insurer, or a licensed NBDT; and
 - (b) an application is made for a licence to cover A's service of acting as a financial institution (whether under an existing or a new licence and whether under section 395 or, by way of an application to vary the conditions of a licence, under section 404 of this Act).
- (2) To the extent that the application relates to A, the FMA must not decline the application unless the Reserve Bank has given its consent.
- (3) The Reserve Bank may withhold its consent only if the Reserve Bank is satisfied,—
- (a) in a case where A is a registered bank or a licensed NBDT, that withholding the consent is necessary for maintaining a sound and efficient financial system;
 - (b) in a case where A is a licensed insurer, that withholding the consent is necessary for maintaining a sound and efficient insurance sector.
- (4) If the FMA has asked for the Reserve Bank's consent but the Reserve Bank refuses to give its consent, the FMA must accept the application (to the extent that it relates to A) even if it does not consider that 1 or more of the requirements referred to in section 396 or 400 are satisfied.
- (5) The FMA may exercise a power under section 414(2) in respect of the requirements referred to in section 396 or 400 (without having to be satisfied under section 414(1)).

- (6) Subclause (5) ceases to apply in relation to a person when the FMA first becomes satisfied that those requirements referred to in section 396 or 400 are satisfied in relation to the person.

Schedule 4 clause 95: inserted, on 25 July 2023, by section 23 of the Financial Markets (Conduct of Institutions) Amendment Act 2022 (2022 No 36).

96 Regulations may provide that licensing requirement does not apply until particular date

- (1) The Governor-General may, by Order in Council, on the recommendation of the Minister, make regulations for the purpose set out in subclause (2) (and those regulations have effect despite the commencement of section 8 of the Financial Markets (Conduct of Institutions) Amendment Act 2022).
- (2) The purpose is to provide that the requirement to hold, or be authorised under, a licence to provide the service of acting as a financial institution does not apply to a class of persons specified in the regulations until on or after a date specified in those regulations.
- (3) A date specified in those regulations must be on or before the fifth anniversary of the date on which the Financial Markets (Conduct of Institutions) Amendment Act 2022 receives the Royal assent.
- (4) The Minister must consult the FMA before making a recommendation under this clause.
- (5) Regulations made under this clause are secondary legislation (*see* Part 3 of the Legislation Act 2019 for publication requirements).

Example

The requirement for financial institutions to hold a market services licence comes into force on a particular date (**date A**).

However, regulations under this clause provide that the requirement does not apply to NBDTs until a later date (**date B**).

While the requirement applies to registered banks and insurers on date A, it only starts to apply to NBDTs on date B.

Legislation Act 2019 requirements for secondary legislation made under this clause

Publication	PCO must publish it on the legislation website and notify it in the <i>Gazette</i>	LA19 s 69(1)(c)
Presentation	The Minister must present it to the House of Representatives	LA19 s 114
Disallowance	It may be disallowed by the House of Representatives	LA19 ss 115, 116

This note is not part of the Act.

Schedule 4 clause 96: inserted, on 25 July 2023, by section 23 of the Financial Markets (Conduct of Institutions) Amendment Act 2022 (2022 No 36).

97 Applications for financial institution licence may be made before commencement

- (1) A person may apply for a market services licence to cover the service of acting as a financial institution—
 - (a) before the commencement of section 8 of the Financial Markets (Conduct of Institutions) Amendment Act 2022; and
 - (b) if regulations under clause 96 apply, before the date referred to in clause 96(2).
- (2) For the purposes of dealing with the application, any provisions of the Financial Markets (Conduct of Institutions) Amendment Act 2022 that are relevant to the matter and that are not yet in force must be treated as if they were in force.
- (3) The FMA may refuse to consider the application if it is made—
 - (a) before a date specified by the FMA; or
 - (b) before an event specified by the FMA has occurred; or
 - (c) before circumstances specified by the FMA exist.
- (4) Subclause (3) ceases to apply to an application made after the later of—
 - (a) the commencement of section 8 of the Financial Markets (Conduct of Institutions) Amendment Act 2022; and
 - (b) the date referred to in clause 96(2) (if the regulations made under that clause apply in relation to the applicant).
- (5) This clause does not limit section 395(1A).

Schedule 4 clause 97: inserted, on 25 July 2023, by section 23 of the Financial Markets (Conduct of Institutions) Amendment Act 2022 (2022 No 36).

98 Incentives regulations may apply to existing agreements

- (1) Regulations made under section 546(1)(og) may provide that they apply to 1 or more classes of incentives offered, given, or otherwise payable on or after the commencement of those regulations.
- (2) Subclause (1) may apply even if an incentive is offered, given, or otherwise payable under an agreement entered into before either or both of the following:
 - (a) the commencement of those regulations;
 - (b) the enactment of the Financial Markets (Conduct of Institutions) Amendment Act 2022.
- (3) However, nothing in those regulations applies to—
 - (a) any incentive that is given or otherwise paid or payable before the commencement of those regulations; or

-
- (b) any incentive that a person has become entitled to before that commencement (even if it is given or otherwise payable after that commencement).
- (4) If the regulations apply to an agreement referred to in subclause (2), compliance with those regulations does not—
- (a) place any party to the agreement or any other person in breach of the agreement, or make any of them liable for a civil wrong; or
 - (b) entitle any person to terminate or cancel an agreement, or to accelerate the performance of an obligation, or to impose a penalty or an increased charge, unless the regulations provide otherwise.
-

Example

A company (**A**) acts as an insurer. A offers motor vehicle insurance to consumers.

A car dealer (**B**) offers A's insurance to its customers when they buy cars. A is contractually obliged to pay B an incentive based on the volume of A's insurance products that are sold.

The contract providing for the incentive is entered into before commencement of the regulations.

The regulations cannot apply to incentives that are payable before the commencement of the regulations. However, this clause allows the regulations to apply to incentives payable after commencement even though the contract was entered into before commencement.

The regulations ban a certain incentive that would otherwise be payable under the contract.

A must no longer pay the incentive. A does not breach the contract by refusing to pay the incentive and B has no right to cancel the contract because of that refusal.

Schedule 4 clause 98: inserted, on 25 July 2023, by section 23 of the Financial Markets (Conduct of Institutions) Amendment Act 2022 (2022 No 36).

 - (c) Part 3 sets out situations when client money or property services are not regulated under this Act:
 - (d) Part 4 provides for a code of professional conduct for financial advice services and for the establishment and operation of a code committee:
