---

This order brings the Antarctic Marine Living Resources Amendment Act 1999 into force on 1 May 2001. The Act repeals the provisions of the Antarctic Marine Living Resources Amendment Act 1981 relating to the appointment of inspectors of sea fishing and provides instead that inspectors will be high seas fishery inspectors by virtue of section 113Q of Part 6A of the Fisheries Act 1996. The Act also substitutes references to the Fisheries Act 1996 for references to the Fisheries Act 1908.

The amendments will be brought into force at the same time as Part 6A of the Fisheries Act 1996, which relates to high seas fishing.
