Explanatory memorandum

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination, which is deemed to have come into force on 1 October 2021, amends the Judicial Officers Superannuation Determination 2019 (the **principal determination**).

The changes remove a restriction on permanent part-time Judges of the Court Martial Appeal Court and Judges of the Court Martial receiving a superannuation subsidy. The effect of the amendments is that Judges who are permanently appointed to those courts, irrespective of whether the appointment is on a full-time or a part-time basis, will be entitled to receive the judicial officer's superannuation prescribed in the principal determination. Judges who are appointed to those courts in an acting, fixed-term, or temporary capacity, however, will not be entitled to the superannuation subsidy.
