vice and good conduct being granted to non-commissioned officers and men of the Militia, which Medal is designated the Militia Long Service Medal, and in the year 1906 to extend the grant of the Medal to certain Militia Forces Overseas;

And Whereas His late Majesty was graciously pleased in the year 1908 to approve of a Medal being granted to non-commissioned officers and men of the Special Reserve, which Medal is designated the Special Reserve Long Service and Good Conduct Medal;

And Whereas His late Majesty was graciously pleased in the year 1908 to approve of a Medal for efficiency being granted to non-commissioned officers and men of the Territorial Force, which Medal is now designated the Territorial Efficiency Medal;

And Whereas We are desirous of instituting a new Medal to replace the aforesaid Medals in order that throughout Our Empire and territories under Our protection there may be 1 Medal to reward the long and meritorious service of warrant officers, non-commissioned officers and men of Our Militia in Great Britain, hereinafter referred to as Our Militia, of Our Territorial Army in Great Britain, hereinafter referred to as Our Territorial Army, and of the other authorised Auxiliary Military Forces of Our Empire, or territories under Our protection, hereinafter referred to as the other Auxiliary Military Forces of Our Empire, and that thereby the Imperial character of such service may be recognised;

Now, Therefore, it is Our Will and Pleasure that the grant of the aforesaid Medals shall be discontinued for future service and in lieu thereof We have instituted, constituted and created and by these Presents for Us, Our Heirs and Successors, do institute, constitute and create a new medal which We are desirous should be highly prized by members of Our Militia, of Our Territorial Army and of the other Auxiliary Military Forces of Our Empire; and We are graciously pleased to make, ordain and establish the following rules and ordinances for the governance of the same which shall henceforth be inviolably observed and kept:—

Firstly: It is ordained that the Medal shall be designated “The Efficiency Medal”.

Secondly: It is ordained that the Medal shall be of silver, oval in shape and shall bear in relief on the obverse the Royal and Imperial Effigy and on the reverse the inscription “For Efficient Service”.

Thirdly: It is ordained that the Medal shall be worn suspended on the left breast by a green ribbon one inch and a quarter in width with yellow stripes down the edges.

Fourthly: It is ordained that the Medal shall in all cases bear a subsidiary title to denote whether at the time the recipient qualified for the award of the Medal he was serving in Our Militia or in Our Territorial Army or in one of the other Auxiliary Military Forces of Our Empire; such subsidiary title being specified in the regulations hereinafter mentioned and inscribed on the mount of the Medal.

Fifthly: It is ordained that the Medal shall be awarded to warrant officers, non-commissioned officers and men who complete 12 years' efficient service on the active list of Our Militia, of Our Territorial Army or of the other Auxiliary Military Forces of Our Empire; and who are recommended by the Commanding Officer of the unit in which the period of service requisite to qualify for the Medal is completed and who are certified by the responsible military authorities as deserving of the Medal.

Sixthly: It is ordained that a Clasp to be worn on the ribbon of the Medal shall be awarded to warrant officers, non-commissioned officers and men who, having been awarded the Medal, complete a total of 18 years' efficient service as aforesaid, and a further Clasp shall be awarded to those who complete 24 years' efficient service as aforesaid.

Seventhly: It is ordained that service in West Africa (except that performed by natives of West Africa) shall reckon two-fold as qualifying service for the Medal or Clasps, but any period spent on leave therefrom shall reckon only as single qualifying service.

Eighthly: It is ordained that such war service as may be defined from time to time in the regulations hereinafter mentioned shall reckon two-fold as qualifying service, or as single qualifying service, towards the period of service required for the award of the Medal or Clasps; and that war service not so defined shall not reckon as qualifying service; Provided that nothing in this Our Warrant shall permit service to reckon more than two-fold as qualifying service for the Medal or Clasp.

Ninthly: It is ordained that such service rendered in the ranks of a Cadet Force as may be defined in the regulations hereinafter mentioned shall count as qualifying service for the Medal or Clasps.

Tenthly: It is ordained that service on the permanent staff of any of the aforesaid forces by members of the permanent forces of Our Empire or territories under Our protection or service in a Reserve or Auxiliary force involving a liability for service only and no liability for training in peace, shall not reckon as qualifying service for the Medal or Clasps.

Eleventhly: It is ordained that the service requisite to qualify for the Medal or Clasps shall be continuous service except in special circumstances and all such exceptions shall be defined in the regulations hereinafter mentioned, provided, nevertheless, that where service is rendered in more than 1 of the aforesaid forces, such forces not being in the same portion of Our Empire, or territories under Our protection, an interval not exceeding 12 months between any 2 periods of service, shall not be regarded as breaking the continuity of such service.

Twelfthly: It is ordained that such service in the authorized Naval or Air Auxiliary or Volunteer Forces of Our Empire or territories under Our protection as may be defined in the regulations hereinafter mentioned shall count as qualifying service for the Medal or Clasps.

Thirteenthly: It is ordained that an officer of the aforesaid forces who has in virtue of service in the ranks thereof been awarded the Medal or Clasps shall, if The Efficiency Decoration be subsequently conferred upon him, not be called upon to surrender the Medal or Clasps, but shall not be permitted to wear them until such time as he has completed the full periods of qualifying service in respect of both the Decoration and the Medal or Clasps.

Fourteenthly: It is ordained that any service reckoned as qualifying service for the grant of any Long Service, Good Conduct or Efficiency Medal (or Clasp) which may have been awarded to a member of Our Militia, Our Territorial Army or of the other authorised Auxiliary Military Forces of our Empire as aforesaid shall not reckon as qualifying service for The Efficiency Medal or Clasps albeit that the recipient of any of the above mentioned Medals (or Clasps) may be permitted to wear them with the Efficiency Medal (with or without Clasps), provided that he has completed the full periods of qualifying service in respect of each Medal or Clasp.

Fifteenthly: It is ordained that it shall be competent for Our Army Council in regard to Our Militia and Our Territorial Army, or for the Governors-General, Governors or Officers administering the Gov-

ernment, as the case may be, in regard to the Auxiliary Military Forces of Our respective Dominions, Colonies, or territories under Our Protection, or for Our Viceroy in regard to the Auxiliary Military Forces in India, to cancel and annul the award of the Medal to any person and also to restore a forfeited Medal, under the conditions laid down in the regulations hereinafter mentioned.

Sixteenthly: It is ordained that the Medal shall be awarded under such regulations as to grant, forfeiture, restoration and other matters, in amplification of these Our rules and ordinances as may, with Our approval signified through one of Our Principal Secretaries of State, be issued from time to time by Our Army Council in regard to Our Militia and our Territorial Army, or by the Governors-General, Governors or Officers administering the Government as the case may be, in regard to the Auxiliary Military Forces of Our respective Dominions, Colonies, or territories under Our protection, or by Our Viceroy in regard to the Auxiliary Military Forces in India.

Lastly: We reserve to Ourselves, Our Heirs and Successors, full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these rules and ordinances, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court at St. James's this 23rd day of September, in the 21st year of Our Reign, and in the year of Our Lord one thousand nine hundred and thirty.

Notes**1 *General***

This is a reprint of The Efficiency Medal. The reprint incorporates all the amendments to the warrant as at 15 January 1954, as specified in the list of amendments at the end of these notes. Relevant provisions of any amending enactments that contain transitional, savings, or application provisions that cannot be compiled in the reprint are also included, after the principal enactment, in chronological order. For more information, *see* <http://www.pco.parliament.govt.nz/reprints/>.

2 *Status of reprints*

Under section 16D of the Acts and Regulations Publication Act 1989, reprints are presumed to correctly state, as at the date of the reprint, the law enacted by the principal enactment and by the amendments to that enactment. This presumption applies even though editorial changes authorised by section 17C of the Acts and Regulations Publication Act 1989 have been made in the reprint.

This presumption may be rebutted by producing the official volumes of statutes or statutory regulations in which the principal enactment and its amendments are contained.

3 *How reprints are prepared*

A number of editorial conventions are followed in the preparation of reprints. For example, the enacting words are not included in Acts, and provisions that are repealed or revoked are omitted. For a detailed list of the editorial conventions,

see <http://www.pco.parliament.govt.nz/editorial-conventions/>
or Part 8 of the *Tables of New Zealand Acts and Ordinances
and Statutory Regulations and Deemed Regulations in Force*.

4 Changes made under section 17C of the Acts and Regulations Publication Act 1989

Section 17C of the Acts and Regulations Publication Act 1989 authorises the making of editorial changes in a reprint as set out in sections 17D and 17E of that Act so that, to the extent permitted, the format and style of the reprinted enactment is consistent with current legislative drafting practice. Changes that would alter the effect of the legislation are not permitted. A new format of legislation was introduced on 1 January 2000. Changes to legislative drafting style have also been made since 1997, and are ongoing. To the extent permitted by section 17C of the Acts and Regulations Publication Act 1989, all legislation reprinted after 1 January 2000 is in the new format for legislation and reflects current drafting practice at the time of the reprint.

In outline, the editorial changes made in reprints under the authority of section 17C of the Acts and Regulations Publication Act 1989 are set out below, and they have been applied, where relevant, in the preparation of this reprint:

- omission of unnecessary referential words (such as “of this section” and “of this Act”)
- typeface and type size (Times Roman, generally in 11.5 point)
- layout of provisions, including:
 - indentation
 - position of section headings (eg, the number and heading now appear above the section)
- format of definitions (eg, the defined term now appears in bold type, without quotation marks)
- format of dates (eg, a date formerly expressed as “the 1st day of January 1999” is now expressed as “1 January 1999”)
- position of the date of assent (it now appears on the front page of each Act)

- punctuation (eg, colons are not used after definitions)
- Parts numbered with roman numerals are replaced with arabic numerals, and all cross-references are changed accordingly
- case and appearance of letters and words, including:
 - format of headings (eg, headings where each word formerly appeared with an initial capital letter followed by small capital letters are amended so that the heading appears in bold, with only the first word (and any proper nouns) appearing with an initial capital letter)
 - small capital letters in section and subsection references are now capital letters
- schedules are renumbered (eg, Schedule 1 replaces First Schedule), and all cross-references are changed accordingly
- running heads (the information that appears at the top of each page)
- format of two-column schedules of consequential amendments, and schedules of repeals (eg, they are rearranged into alphabetical order, rather than chronological).
