No person shall—

## **5 Application for licence**

- (2) Notwithstanding subclause (1), the secretary may require the applicant to provide details relating to the applicant's proposed operation, in addition to those requested in the application form.

## **6 Issue of licences**

- (1) The secretary may in his discretion issue a licence to farm, breed, or sell unprotected wildlife to an applicant if the secretary is satisfied that the applicant will provide at the premises named in the licence, and during any conveyance of the wildlife, adequate safeguards to contain in captivity the unprotected wildlife specified in the application.
- (2) Notwithstanding regulation 7, the secretary may issue a licence either unconditionally or subject to such further conditions as he may specify.
