Subsidies to be paid  
to local bodies.

Powers Act, 1885" (in this section referred to as "the said Act"), levied for the year ending as aforesaid, and actually collected on or before the thirtieth day of June ensuing next after the said thirty-first day of March, one-fourth of the amounts to which they would be entitled under the plan of distribution described in the Schedule to the said Act.

(6.) In case any doubt arises as to the several payments to be made under this section, or as to payments to be made in respect of newly formed districts wherein the local body has not had sufficient time to levy and collect rates, the Governor in Council may decide the amounts of such payments, and his decision shall be final.

Authority to make temporary advances to local governing bodies.

10. (1.) The Colonial Treasurer is hereby authorised to issue and pay out of the Consolidated Fund, by way of temporary advance, any sum or sums, not exceeding in the whole the sum of one thousand pounds, for the purpose of defraying any charges or expenses incurred by or on behalf of any local governing body.

12. Out of the moneys appropriated by this Act for the construction of public roads, and such other public works as are usually constructed by or are under the control of local governing bodies, sums may be paid over to such local governing body or bodies as the Minister in charge of the department in connection with which such roads or works are constructed determines, to such amounts and upon such terms and conditions as such Minister prescribes, to be expended by such body upon any of the works or services for which the same are appropriated by this Act; and the Colonial Treasurer shall make all such payments accordingly.

14. Whereas under "The Lands Improvement and Native Lands Acquisition Act, 1894," the Colonial Treasurer is authorised to make advances to settlers for improving their lands: Be it enacted that all such advances and the expenses connected therewith, whether such advances are made directly to any member of an association or expended by or under the directions of the Minister of Lands, may be paid out of the vote taken in Class XXXII., Public Works Fund, for improved-farm settlements.

Power to pay money in excess of appropriation out of certain accounts.

15. (1.) Whenever it becomes necessary that money should be expended on account of the Government Insurance Department, the Public Trust Office, or the Government Advances to Settlers Office, in excess of or without the appropriation of Parliament, the Government Insurance Commissioner, the Public Trustee, or the Superintendent, as the case may be, may, with the sanction of the Colonial Treasurer, but not otherwise, pay such money in excess of or without the appropriation of Parliament.

Power to transfer £200,000 from Consolidated Fund to Public Works Fund.

17. The Colonial Treasurer may transfer any sum or sums not exceeding in the whole two hundred thousand pounds from the Consolidated Fund to the Public Works Fund, to be issued and applied to the purposes and services provided for in this Act.

County Fund not to be charged with cost of collection of goldfields revenue.

18. From and after the passing of this Act the cost of collection referred to in section three of "The Local Bodies' Finance and Powers Act, 1885," shall not be defrayed out of the revenues which by virtue of that section form part of the County Fund, and that Act is hereby amended accordingly.

Costs of elections of Licensing Committees may be recovered.

19. In any case where the Colonial Treasurer is satisfied that any local authority liable to make any payment in respect of the costs and expenses incident to the election and meetings of the Licensing Committee, as provided in section sixteen of "The Alcoholic Liquors Sale Control Act Amendment Act, 1895," has made default in so doing, he may pay the same, and may cause the

amount so paid to be recovered from the defaulting local authority as a debt due to the Crown, or to be deducted from any subsidy or other moneys at any time payable by the Government to such local authority.

20. The Colonial Treasurer is hereby empowered to make arrangements with the Imperial Government or other authority, civil or military, on behalf of the colony, for the payment of all or any of the expenses incidental to or arising out of the equipping and maintaining the contingents of mounted infantry raised for service in South Africa, including the costs of embarkation and transport to and from South Africa.
