be expended by such authorities upon any of the works or services for which the same are appropriated by this Act; and the Minister of Finance may make all such payments accordingly.

- (k.) The payment of damages, compensation, or costs in respect of any injury or damage arising out of the construction or improvement of any such railway, road, bridge, building, or other public work, or out of the taking or acquisition of land for the purposes thereof.

(2.) The cost of tools, plant, provisions, clothing, or other requisites sold or lent to any worker as aforesaid may be deducted from time to time, in one or more sums of money, from the money earned, whether by day labour or by co-operative contract, by the said worker.

16. All advances made by the Minister of Finance under the Lands Improvement and Native Lands Acquisition Act, 1894, to settlers for improving their lands, and all expenses connected therewith, whether such advances are made directly to any member of an association or expended by or under the directions of the Minister of Lands, may be paid out of the vote taken in Class XXVI, Public Works Fund, for improved-farm settlements.
