An Act to authorise the Auckland City Council and other Councils in the Auckland area to share the cost of establishing and maintaining the Aotea Centre in the district of the City of Auckland and to provide for the constitution of a Board of Management for the Centre

[17 December 1985]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

1. Short Title—This Act may be cited as the Auckland Aotea Centre Empowering Act 1985.

2. Interpretation—In this Act, unless the context otherwise requires,—

“Act” means the Local Government Act 1974:

“Auckland Regional District” means the Auckland Regional District as constituted by the Auckland Regional Authority Act 1963:

“Board of Management” means the Aotea Centre Board of Management constituted by this Act:

“Centre” means the recreation and cultural centre to be known as the Aotea Centre proposed to be built on the land described in the First Schedule to this Act:

“Aotea Centre Trust Board” means the Aotea Centre Trust Board incorporated under Part II of the Charitable Trusts Act 1957.

3. Land to which Act applies—The land to which this Act applies is the land described in the First Schedule to this Act (hereinafter referred to as the land).

4. Construction of Centre—(1) For the avoidance of doubt it is hereby declared that the Auckland City Council, on behalf of itself and the other Councils named in the Second Schedule to this Act, is empowered and shall be deemed always to have been empowered to enter into such contract or contracts as it considers necessary or expedient for the construction, operation, and maintenance of the Centre and for the furtherance of the purposes of the Centre.

(2) Any change in the design of the Centre shall be implemented only after the Auckland City Council has consulted duly authorised representatives of the other Councils named in the Second Schedule to this Act.

5. Construction costs—(1) Subject to subsection (6) of this section, the Auckland City Council shall contribute at least one half of the sum required to construct and commission the Centre, including the cost of furnishings and fittings, and the other Councils named in the Second Schedule to this Act shall collectively contribute thereto in the individual percentages or amounts set out opposite their names in that Schedule:

Provided that, in calculating the percentage or amount to be contributed by the Auckland City Council, credit in the sum of \$3 million shall be given to it for the value of the land disregarding the value of any buildings thereon due for demolition.

(2) At least one-quarter of the said sum shall be sought by a public appeal by the Aotea Centre Trust Board.

(3) Any territorial authority which is not named in the Second Schedule or Third Schedule to this Act may make such grants of money towards the cost of constructing, commissioning, or operating the Centre at such time or times and in such manner as it thinks fit, and any territorial authority so named may make grants of money towards any of those costs that are additional to its obligations under either of these Schedules.

(4) Notwithstanding anything in any other Act, any local authority constituted under any Act and which is not otherwise empowered to do so, may, having regard to its financial

circumstances, make grants of money to assist in funding the Centre, either in respect of construction costs, or operating costs, or both, as the local authority shall think fit.

(5) Any grant made pursuant to this section shall not of itself involve the donor in accepting any obligations under this Act, nor in acquiring any privileges thereunder.

(6) Notwithstanding the provisions of subsection (1) of this section, the Auckland City Council's and the other Councils' obligations to contribute to the extent provided therein shall be based on the total sum required, after taking into account contributions received under subsections (2), (3), and (4) of this section.

6. Centre to be held by Auckland City Council on trust—

The Auckland City Council shall retain its freehold interest in the land and in the buildings to be erected on it but it shall nevertheless hold the same on trust for the purposes described in section 601 of the Act and as further authorised by the powers conferred upon the Board of Management by section 14 of this Act for the benefit of the whole of the Auckland Regional District.

7. Centre to be established for a charitable purpose—

The Centre is hereby declared to be established for a charitable purpose as defined in section 2 of the Charitable Trusts Act 1957.

8. Operating costs—Operating costs of the Centre in any year, after taking receipts into account, shall be borne by the Councils concerned in proportion to the percentages or amounts shown opposite their respective names in the Third Schedule to this Act. Any operating profit shall be shared by them in the same way.

9. Accounts—(1) The Auckland City Council shall be responsible for keeping proper accounts in respect of the activities of the Centre and in so doing it shall abide by such of the requirements of Part XII of the Act as are appropriate.

(2) The provisions of section 204 (2) of the Act shall apply in favour of any elector in the district of a territorial local authority contributing towards the cost of the construction or operation of the Centre.

(3) A copy of the annual financial statement relating to the transactions of the Centre shall be sent by the Auckland City

Council to each of the territorial authorities named in the Second and Third Schedules to this Act and to contributors acting under section 5 (3) and (4) of this Act.

(4) Within 6 months after the end of each financial year the Auckland City Council shall prepare such financial statements as are necessary to show fully the financial position in respect of the Centre and the financial results of the operation of the Centre during that financial year.

(5) The financial statements shall be audited by the Audit Office which for that purpose shall have and may exercise all the powers that it has under the Public Finance Act 1977 in respect of money and stores of a local authority and persons dealing therewith.

10. Board of Management—There is hereby established a Board to be known as the Aotea Centre Board of Management.

11. Members of Board of Management—(1) The Board of Management shall consist of—

(a) At least 3 persons to be appointed by the Auckland City Council:

(b) A number of persons to be appointed by the other Councils named in the Third Schedule to this Act, the number (compared with the number appointed by the Auckland City Council) to be in the proportion at the time of appointment that the aggregate percentage of their liability to contribute towards operating costs bears to the percentage liability of the Auckland City Council therefor. Appointments under this paragraph shall be made after consultation between the other Councils, and, without in any way imposing an obligation upon them, they shall take into account the preferences of the Councils which are the major contributors within their number:

Provided that, if the other Councils named in the said Third Schedule are unable to agree upon any such appointment or appointments, they shall decide the appointment or appointments by vote, the value of their respective votes being in proportion to their individual financial commitments towards operating costs at the time of voting.

(2) An appointee need not be a member of an appointing Council.

(3) Every member of the Board of Management who is appointed by the Auckland City Council shall hold office during

its pleasure, and every member appointed by the other Councils may be removed from office by a joint resolution of those Councils to that effect.

(4) Every member of the Board of Management shall hold office for a term of 3 years, unless the member sooner resigns or is removed from office, but shall be eligible for reappointment.

(5) In the event of a vacancy occurring it shall forthwith be filled by the Auckland City Council, or by the other Councils, as the case may require.

(6) Sections 97 and 98 of the Local Government Act 1974, with the necessary modifications, shall apply to every member of the Board of Management.

12. Chairman of Board of Management—The Chairman of the Board of Management shall be elected by it from among its members at the first meeting held after the commencement of this Act and thereafter at the first meeting of the Board of Management after every triennial general election of members of the Councils concerned.

13. Meetings of Board of Management—(1) Meetings of the Board of Management shall be held at such times and places as it may from time to time appoint, and the Board of Management may make its own rules for regulating the conduct of its business.

(2) Part V of the Local Government Act 1974, with the necessary modifications, shall apply in respect of every meeting of the Board of Management.

14. Functions and powers of Board of Management—(1) The principal functions of the Board of Management shall be to control, manage, and maintain the Centre, and to promote its use for any permitted purpose.
