1922, No. 20.—*Local and Personal.*

Title. AN ACT to amend the Bay of Islands Harbour Act, 1920.
[28th October, 1922.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title. 1. This Act may be cited as the Bay of Islands Harbour Amendment Act, 1922, and shall form part of and be read together with the Bay of Islands Harbour Act, 1920 (hereinafter referred to as the principal Act).

Borrowing-powers defined. 2. The power of borrowing conferred upon the Board by section eight of the principal Act shall be deemed to confer, and at all times since the passing of the principal Act to have conferred, upon the Board full power and authority to borrow money for the purpose of exercising the right conferred upon the Board by section sixteen of the principal Act of purchasing from His Majesty the King the Railway Wharf at Opuā, together with the buildings and erections thereon, and such portion of the railway reserve at Opuā appurtenant to the said wharf as may be agreed upon between the Board and His Majesty the King, acting by and through the Minister of Railways.

Validating poll of ratepayers. 3. Whereas on the fifteenth day of June, nineteen hundred and twenty-one, a poll of the ratepayers of the Bay of Islands Harbour District on a proposal to borrow moneys under the authority of the principal Act was taken, and the Chairman of the Board, acting under the Local Bodies' Loans Act, 1913, has declared that such proposal was carried: And whereas doubt has arisen as to the authority of the Board to borrow money for one of the purposes specified in the voting-paper at such poll, and whether the same was

taken in every particular according to law: And whereas it is expedient that such poll should be validated: Be it therefore enacted as follows:—

(1.) The taking of a poll of ratepayers of the Bay of Islands Harbour District on the proposal to borrow the sum of forty thousand pounds for the purposes of purchasing the wharf and part of the railway reserve at Opuā, and of extending such wharf, and of erecting buildings and purchasing equipment, and for contingencies, which said poll was taken on the fifteenth day of June, nineteen hundred and twenty-one, shall be deemed and is hereby declared to be within the power conferred upon the said Board by virtue of the principal Act.

(2.) The consent of the ratepayers of the Bay of Islands Harbour District and of the whole of such district shall be deemed to have been duly given and ascertained to the proposal to borrow the said sum of forty thousand pounds.

(3.) The Board is hereby declared to be fully and duly authorized and empowered to borrow the said sum of forty thousand pounds.

4. Section eight of the principal Act is hereby amended as follows:—

Section 8 of principal Act amended.

(a.) By omitting from subsection one the words “fifty thousand pounds,” and substituting the words “ninety thousand pounds”; and by adding to the said subsection the words “and for the erection of cool-storage accommodation within the harbour district”:

(b.) By repealing subsection two.

5. Section ten of the principal Act is hereby amended by omitting the word “three-farthings,” and substituting the words “one penny and one farthing.”

Section 10 of principal Act amended.

6. Section eleven of the principal Act is hereby amended by deleting the words “equal to one-half,” and substituting the words “not less than one-half but not exceeding two and one-half.”

Section 11 of principal Act amended.

7. Section sixteen of the principal Act as amended by section seventy-seven of the Reserves and other Lands Disposal and Public Bodies Empowering Act, 1921–22, is hereby further amended by omitting the words “nineteen hundred and twenty-two,” and substituting the words “nineteen hundred and twenty-three.”
