**7.** The Board as reconstituted by this Act is hereby declared to be the same body corporate as the Bay of Islands Harbour Board constituted under the Bay of Islands Harbour Act 1920.

**8.** It shall be lawful for the Board from time to time as it may require to borrow, subject to the provisions of the Harbours Act 1950 and the Local Government Loans Board Act 1926, a sum or sums not exceeding in the whole the sum of one hundred and ninety-eight thousand pounds (in addition to any moneys heretofore borrowed by the Board under or by virtue of any other Act) for the purpose of carrying out, subject to the Harbours Act 1950, the works specified in the Schedule to this Act.

**9.** The Board may, by resolution, decide to raise such loan as aforesaid under the Local Bodies' Loans Act 1926, in which case the Board may from time to time raise the moneys in accordance with the provisions of Part I of that Act, and the provisions of that Act shall apply as if the Board were a local authority and the said harbour works were public works within the meaning of that Act:

Provided that, before raising any such moneys as aforesaid, the Board shall take a poll of the ratepayers of the harbour district on the proposal to raise the loan; and the provisions of the said Act shall accordingly apply as if the prior consent of the ratepayers to the raising of the loan had been required pursuant to paragraph (a) of subsection one of section nine of that Act:

Provided also that, for the purposes of the poll to be taken under that Act, a majority of the total valid votes recorded shall suffice to carry the proposal.

**10.** (1) For the purposes of any poll of ratepayers to be taken under this Act the rolls of ratepayers of the boroughs, town districts (not being parts of any county), counties, and any part of any county comprised in the harbour district shall be deemed to be the roll of ratepayers of the harbour district.

(2) It shall be the duty of the Clerk of the local authority of each such district comprised wholly or in part within the harbour district, whenever requested to

do so by the Board, to supply to the Board a certified roll of the ratepayers of such district, or of the part thereof within the harbour district, together with as many copies as the Board may require.

(3) The cost of preparing any roll of ratepayers for the purposes of this section and of supplying copies thereof shall be paid by the Board.

11. The Board shall appoint some fit person to be a Returning Officer for the conduct of any poll to be taken under this Act.

Returning  
Officer.

12. (1) In addition to the charge on the harbour fund created by the Harbours Act 1950, the Board may, if the loan is being or has been raised in accordance with the provisions of the Local Bodies' Loans Act 1926, but not otherwise, make and levy, for further securing repayment of moneys borrowed from time to time under the authority of this Act and interest thereon, a special rate on the unimproved value of all rateable property within the said Harbour District in manner provided by law and in accordance with the provisions of the Rating Act 1925.

Board may  
make special  
rate.

(2) The special rate to be levied under the authority of this Act shall be a rate, the product of which shall not exceed the product of—

(a) A rate of thirteen-sixteenths of a penny in the pound upon the unimproved value, as at the thirty-first day of March, nineteen hundred and fifty-two, of all rateable property in the County of Mangonui and the Borough of Kaitaia:

(b) A rate of one penny and a halfpenny in the pound upon the unimproved value, as at the thirty-first day of March, nineteen hundred and fifty-two, of all rateable property in the County of Hokianga:

(c) A rate of one penny and a halfpenny in the pound upon the unimproved value, as at the thirty-first day of March, nineteen hundred and fifty-two, of all rateable property in the County of Whangaroa:

(d) A rate of twopence and one-sixteenth of a penny in the pound upon the unimproved value, as at the thirty-first day of March, nineteen hundred and fifty-two, of all rateable property in the County of Bay of Islands and the Borough of Kaikohe.

(3) All rates levied by the Board in any year on each of the areas referred to in paragraphs (a), (b), (c), and (d) of subsection two of this section shall be in the same proportion as the product of the rate specified in each of the said paragraphs bears to each other.

**Estimate of revenue and expenditure.**

**13.** (1) If the loan is being or has been raised in accordance with the provisions of the Local Bodies' Loans Act 1926, the Board shall in each year cause an estimate to be prepared, in such manner and according to such principle and method as the Board approves, of the anticipated revenue of the year (exclusive of any rate to be levied under this Act) and the anticipated expenditure of the year (including the annual payment or payments to be made, including interest with respect to the moneys borrowed under the authority of this Act, but exclusive of capital expenditure on any loan account) and shall upon such estimate determine the deficiency of such revenue to meet such expenditure.

(2) Any credit or debit balance of the Board's General Account at the close of each year shall be carried forward to the account of the next succeeding year for the purpose of the estimate of such succeeding year and the determination of the deficiency of the revenue of such succeeding year to meet the expenditure thereof.

(3) The Board may levy or direct the levy, in accordance with the Harbours Act 1950, in each year of such part of the said special rate as is sufficient to provide for such deficiency.

(4) The Board may, for the purposes of levy or such direction and levy, adopt some convenient fraction of a penny notwithstanding that the sum produced thereby may exceed such deficiency.

**Prior securities not affected.**

**14.** Nothing in this Act or in any debentures issued in pursuance thereof shall affect or prejudice the rights of the holders of any debentures heretofore executed or issued by the Board pursuant to the provisions of the Bay of Islands Harbour Act 1920, the Bay of Islands Harbour Amendment Act 1922, and the Bay of Islands Harbour Amendment Act 1930.

**Repeals.**

**15.** The Bay of Islands Harbour Act 1920 is hereby amended by repealing sections four and seven.

16. (1) Notwithstanding anything in this Act, any special rate made and levied by the Board for the purpose of providing for the annual charges in respect of any loan raised before the passing of this Act shall apply only to rateable property within the Bay of Islands Harbour District as constituted before the passing of this Act.

Saving as to  
existing loan  
and special rate  
therefor.

(2) Until any such loan as aforesaid is paid off, any other moneys that may become available, out of the revenue of the Board, for the purposes of meeting annual charges on loan moneys shall be applied in meeting the annual charges in respect of that loan and not in meeting the annual charges on any loan raised by the Board under this Act or any subsequent enactment.
