Title.

AN ACT to provide for the Winding-up of certain Companies to which the Companies (Special Investigations) Act, 1934, is applicable, and to make certain Incidental Provisions. [5th April, 1935.]

WHEREAS the Inspectors appointed pursuant to the Companies (Special Investigations) Act, 1934, to investigate the affairs of the several companies specified in the Schedule hereto have reported the result of their investigations as required by the said Act, and copies of their reports are set out in parliamentary papers (1934-35) H.-27 and (1934-35) H.-27B: And whereas it appears from such reports—

Preamble.

- (a) That large sums of money have been subscribed by members of the public in New Zealand and Australia to two of the said companies—namely, the Investment Executive Trust of New Zealand, Limited (incorporated in New Zealand), and the Southern British National Trust, Limited (incorporated in New South Wales), upon the security of debentures issued by those companies:
- (b) That the terms upon which such moneys were subscribed, as set out in the debentures, required that such moneys, subject to certain specified deductions, should be invested in specified classes of securities and that the income from such investments, subject to certain specified deductions, should belong to the debenture-holders according to their respective classes:
- (c) That large amounts of the moneys so subscribed were invested in debentures issued by certain companies specified in the Schedule hereto:
- (d) That the companies with which such investments were made were directly or indirectly controlled by the directors of the Investment Executive Trust of New Zealand, Limited, and of the Southern British National Trust, Limited, and by reason of such control the said directors indirectly utilized the moneys originally subscribed by the debenture-holders in order to make profits for themselves, and have by their dealings through such companies received large sums of money and other property, and are now possessed of certain shares in and debentures of and claims against such companies:

- (e) That except in the case of Farms and Farmlets, Limited, and the Transport Mutual and General Insurance Company, Limited, the Inspectors appointed in respect of the several companies specified in Part I of the Schedule hereto respectively recommend that such companies should be wound up :
- (f) That it is unlikely that in the event of a winding-up the assets available for the debenture-holders of the Investment Executive Trust of New Zealand, Limited, and of the Southern British National Trust, Limited, would be sufficient to pay to them the whole of the capital secured by their debentures :
- (g) That in view of the fact that the moneys subscribed by the debenture-holders have been utilized by the said directors in manner aforesaid it would not be just and equitable in the event of a winding-up that any claims by the said directors should be allowed to rank in priority to or equally with the claims of members of the public under debentures issued by the Investment Executive Trust of New Zealand, Limited, or by the Southern British National Trust, Limited :

And whereas by reason of the matters set forth in such reports and in parliamentary paper (1934-35) H.-27A (being a statement by the Minister of Finance as to the proposed special legislation arising out of such reports), and by reason of the relationship of Farms and Farmlets, Limited, and of the Transport Mutual and General Insurance Company, Limited, with other companies specified in Part I of the Schedule hereto; it is expedient that all the companies so specified should be compulsorily wound up : And whereas by means of investments made as hereinbefore mentioned with companies specified in the Schedule hereto portions of the moneys subscribed by the debenture-holders as aforesaid were used for the purpose of purchasing a freehold property situated at the corner of King Street and Castlereagh Street in the City of Sydney, New South Wales, which property is hereinafter referred to as the Trust Building, and

further portions of such moneys were subsequently expended in altering, improving, and furnishing the said building: And whereas the Trust Building was so purchased in the name of the British National Investment Trust, Limited, being a company specified in the Schedule hereto and incorporated in New Zealand, and is now vested in that company, subject to a mortgage securing the principal sum of one hundred thousand pounds and interest thereon: And whereas the British National Trust, Limited, being a company specified in the Schedule hereto and incorporated in the Territory for the Seat of Government of the Commonwealth of Australia, is also interested in the Trust Building by virtue of its holding an unregistered lease of the building for ninety-nine years and by virtue of its owning substantially the whole of the ordinary shares in the British National Investment Trust, Limited: And whereas the Public Trustee of New South Wales has taken possession of the Trust Building and of other assets in New South Wales of certain companies specified in the Schedule hereto as Receiver and Manager under an Act of the Parliament of New South Wales, the Short Title of which is the Companies (Receiver and Manager) Act, 1934: And whereas by a Bill that is now before the said Parliament it is proposed that provision be made for the vesting of the Trust Building (freed from the said lease), and of all fixtures, furniture, and other chattels of the British National Trust, Limited, in or about the said building, in the said Public Trustee of New South Wales, upon trust to sell and dispose of the same and to distribute the proceeds of such sale and disposition, and the rents and profits of the said building, fixtures, furniture, and other chattels received by him pending such realization, after payment of all costs, charges, and expenses charged on the said property, between the Southern British National Trust, Limited, and the Investment Executive Trust of New Zealand, Limited, in the following proportions—namely, one-third to the Southern British National Trust, Limited, and two-thirds to the Investment Executive Trust of New Zealand, Limited: And whereas the proposed division of such proceeds will render valueless

certain preference shares in the British National Investment Trust, Limited, of a nominal value of fifty-five thousand pounds, held by the Southern British National Trust, Limited, and consequently, in order to compensate for the loss of such shares, it is proposed by the said Bill of the Parliament of New South Wales to provide for the cancellation of certain debentures of the Southern British National Trust, Limited, for fifty-five thousand pounds held by the Investment Executive Trust of New Zealand, Limited: And whereas the cancellation of such debentures will have the effect of varying the relative positions of the several classes of the debenture-holders of the Investment Executive Trust of New Zealand, Limited: And whereas by reason of such variation, and by reason of the fact that the relative positions of the several classes of such debenture-holders have also been varied by unauthorized dealings by the directors of the said company with the investments held as security for the respective classes of debentures, it is expedient that provision should be made in manner hereinafter appearing for the purpose of defining the relative rights of the several classes of such debenture-holders:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—
