[24 April 1993]

WHEREAS the Canterbury Museum is a non-profit-making permanent institution, founded by the people of Canterbury for the service and development of their community: And whereas the Museum acknowledges a particular responsibility for the natural and cultural heritage of the wider Canterbury region: And whereas responsibility for the maintenance and development of the said institution should continue to be widely shared:

BE IT THEREFORE ENACTED by the Parliament of New Zealand as follows:

1. Short Title—This Act may be cited as the Canterbury Museum Trust Board Act 1993.

2. Interpretation—In this Act, unless the context otherwise requires,—

4. Collection policy—The Museum may acquire or dispose of objects and data in accordance with its policy and recognised Museum practice, taking cognizance of its trusteeship role in the community.

5. Canterbury Museum Trust Board—(1) There shall continue to be a governing authority of the Museum known as the Canterbury Museum Trust Board, which shall be the same body corporate as the Canterbury Museum Trust Board established by section 3 of the Canterbury Museum Trust Board Act 1983.

(2) The Board shall consist of—

- (a) Four members appointed by the Christchurch City Council:

- (3) Where a member is to be appointed jointly by more than one contributing authority or other body, the procedure for making such appointment shall be determined by the parties responsible for such appointment.
- (4) The Board shall be a body corporate with perpetual succession and a common seal, and shall be capable of holding real and personal property and of doing and suffering all that bodies corporate may do and suffer.
- (5) The Board shall be deemed to be a local authority for the purposes of section 6 of the Finance Act (No. 2) 1941 and of the National Provident Fund Restructuring Act 1990.

6. Appointment of members of Board—(1) Within 3 months after the commencement of this Act, and within 3 months after each general election held pursuant to the Local Elections and Polls Act 1976 after the commencement of this Act, those contributing authorities and other bodies referred to in section 5 (2) of this Act shall each appoint a person or persons to be members of the Board.

(2) Any person appointed by a contributing authority need not be a member of that authority.

(3) Every member of the Board appointed under this section shall come into office on the day following that on which he or she is appointed.

7. Reappointment and resignation of Board members—(1) Any member of the Board may from time to time be reappointed or may at any time resign his or her office in writing addressed to the Secretary of the Board.

(2) Every such member, unless he or she sooner vacates office, shall continue to hold office until his or her successor comes into office.

(3) Every casual vacancy shall be filled as soon as practicable by the appointment of a person by the contributing authority or body which appointed the member who has vacated office; and the member appointed to fill any casual vacancy shall hold office only for the residue of the term of the vacating member:

Provided that where any such vacancy occurs within 6 months before the date fixed for the next general election, the appointing body or bodies affected by that vacancy may determine that the vacancy shall not be filled.

(4) The powers of the Board shall not be affected by any vacancy in its membership.

8. Meetings of Board—(1) The Board shall hold such meetings as are necessary to effectively carry out its functions.

(2) The first meeting of the Board following the appointment of members as specified in section 5 (2) of this Act shall be called by the Director as soon as practicable, and shall be chaired by the Director until a Chairperson is elected from the members of the Board.

(3) The Chairperson shall preside at all meetings of the Board at which he or she is present. In the absence of the Chairperson from any meeting the members present shall appoint one of their number to be the Chairperson of that meeting.

(4) At any meeting of the Board 4 members shall form a quorum.

(5) Every question before the Board shall be decided in open voting by a majority of the valid votes recorded on it.

(6) At any meeting of the Board the Chairperson shall have a deliberative vote and, in the case of an equality of votes, shall also have a casting vote.

(7) Subject to the provisions of this Act and of the Local Government Official Information and Meetings Act 1987, the Board shall regulate its own proceedings.

9. Functions and powers of Board—(1) The functions of the Board shall be—

(a) To appoint, and whenever necessary reappoint or replace, a Chief Executive Officer who shall be appointed as Director of the Museum and who shall be responsible to the Board for employing on behalf of the Board staff of the Museum and for negotiating their terms of employment:

(b) To establish for the guidance of the Director broad lines of policy consistent with the objectives of the Museum as outlined in section 3 of this Act:

(c) To ensure that the Museum building, collections and documentation are maintained in good order and condition:

(d) To ensure that the Museum is run effectively and efficiently in accordance with its policy.

(2) The Board shall have such powers, not inconsistent with this Act or with relevant sections of the Local Government Act 1974, as are reasonably necessary for the effective performance of its functions.

10. Delegation of functions and powers—(1) The Board may from time to time, either generally or specifically, by resolution, delegate any of its functions and powers (other than this power of delegation and the powers conferred on the Board under section 15 of this Act) to the Director or to any committee appointed under section 11 of this Act.

(2) Subject to any general or special directions given or conditions imposed by the Board, the Director or any committee to which any such delegation is made may exercise or perform the delegated functions or powers in the same manner and with the same effect as if they had been conferred by this section and not by delegation.

(3) Where the Director or any committee purports to act pursuant to any such delegation, the Director or committee shall, in the absence of proof to the contrary, be presumed to be acting in accordance with the terms of the delegation.

(4) Every delegation under this section shall be revocable at will, and no such delegation shall prevent the exercise of any function or power by the Board.

(5) Until any such delegation is revoked, it shall continue in force according to its tenor.

11. Committees—(1) The Board may from time to time, by resolution, appoint or discharge or alter or continue or reconstitute any committee to advise the Board on such matters concerning the functions of the Board as it sees fit.

(2) Any person may be appointed to be a member of a committee notwithstanding that he or she is not a member of the Board.

(3) Subject to any directions given by the Board, every committee may regulate its own procedure.

(4) At any meeting of a duly appointed committee 2 persons shall form a quorum.

12. Contracts of Board—(1) Any contract which, if made between private persons must be by deed, may be similarly made by or on behalf of the Board in writing under the seal of the Board.

(2) Any contract which, if made between private persons must be in writing signed by the parties to be charged therewith, may be similarly made by or on behalf of the Board, either under the seal of the Board or signed by two members of the Board on behalf of and by the direction of the Board.

(3) Any contract which, if made between private persons may be made orally, may be similarly made by or on behalf of the Board, but no oral contract shall be made for any sum exceeding \$2,000.

(4) Notwithstanding anything in the provisions of this section, no contract made by or on behalf of the Board shall be invalid by reason only that it was not made in the manner provided in the provisions of this section if it was made pursuant to a resolution of the Board or to give effect to a resolution of the Board, either in relation to contracts generally or in relation to that particular contract.

(5) Nothing in this section shall limit or affect the law relating to the entering into contracts of an agent on behalf of a principal.

13. Local authorities, etc., may contribute to Board's funds—For the purpose of providing funds for the exercise and performance of the Board's powers and functions, any local authority or public body may from time to time without further authority than this section make grants out of its general funds to the Board of such amounts as it thinks fit.

14. Money to be banked—(1) Where any money belonging to the Board, amounting to or exceeding \$20, comes into the hands of any officer of the Board or other person authorised to receive money on behalf of the Board, that officer or other person shall, within 7 days, ensure that it is paid into the appropriate account at such trading banks and savings banks as the Board from time to time appoints.

(2) Money may be withdrawn from the bank either by cheque or by any other instrument (not being a promissory note or a bill) signed by any 2 persons authorised by the Board; but every payment of money by the Board shall be authorised by a prior resolution of the Board or shall be submitted to the Board for confirmation at its next ordinary meeting after the date of payment.

15. Annual plan—(1) The Board shall prepare and adopt, for each financial year ending with the 30th day of June, an annual plan which outlines—

(a) In particular terms for the financial year in which the plan is adopted and in general terms for each of the following 2 financial years—

(i) The intended significant policies and objectives of the Board; and

(ii) The nature and scope of significant activities to be undertaken; and

(iii) The performance targets and other measures by which performance may be judged in relation to the objectives:

(b) In particular terms for the financial year in which the report is adopted, and in general terms for each of the following 2 financial years, in total and for each significant activity of the Board—

(i) The indicative costs, including an allowance for depreciation of plant; and

(ii) The sources of funds and the amount of any proposed levies.

(2) The plan shall include an explanation of any significant changes between the policies, objectives, activities, and performance targets specified in the plan as being those for the financial year in which the plan is adopted and those specified in the plan for the immediately preceding financial year as being those for the financial year in which the plan is adopted.

(3) The draft annual plan shall be referred to contributing authorities for a period of 6 weeks concluding no later than the 31st day of May in each year or such earlier date as agreed by mutual consultation with contributing authorities.

(4) The Board shall consider all submissions received in respect of the draft annual plan and amend it as considered appropriate prior to adoption by the Board no later than 2 weeks following the period referred to in subsection (3) of this section.

(5) A copy of the annual plan, when adopted, shall forthwith be sent to each contributing authority.

16. Levies—(1) The levies proposed in the draft annual plan shall be deemed to have been approved by all contributing authorities and binding on them once the annual plan is adopted unless either the Christchurch City Council or 2 or more of the remaining contributing authorities give notice in

writing objecting to the levies proposed therein during the period referred to in section 15 (3) of this Act.

(2) Within 14 days of the receipt of such notice, the Board shall convene a meeting of all contributing authorities to be held not later than 1 month following that date referred to in section 15 (3) of this Act.

(3) At that meeting each contributing authority may be represented by 1 delegate. The delegates attending the meeting shall hear such submissions as the Board may make in support of its budget and levy. The Christchurch City Council or not less than 3 other contributing authorities may resolve that the total levy be reduced to an amount being not less than the total levy made in respect of the previous year.

17. Calculation of levy—(1) For the purpose of apportioning levies, the population of the district of each contributing authority shall be the population of that district as at the 30th day of June immediately preceding the previous financial year as certified by the Government Statistician, whose certificate shall be conclusive evidence as to that population.

(2) The levy made in each financial year against each contributing authority shall be an amount equal to a percentage of the total contribution computed as follows:

- (a) The percentages of population of each contributing authority shall be ascertained and multiplied by the factor specified in the Schedule to this Act:
- (b) Each product ascertained shall be converted to a percentage of the total levy for all contributing authorities.

18. Payment of levies—The amount of the levy for each financial year ending with the 30th day of June shall be paid by each contributing authority either from its general revenues or from the proceeds of the rate provided for in section 19 of this Act—

- (a) In 1 lump sum in the month of September in that financial year; or
- (b) By 3 equal instalments in the months of September, December, and March in that financial year.

19. Power to rate—In addition to any other rate which it is authorised to make, each contributing authority may from time to time make and levy a rate in its district, to be known as the Canterbury Museum rate, for the purpose of providing the

contribution payable to the Board under this Act; and all the relevant provisions of the Rating Powers Act 1988 shall apply to such rate.

20. Borrowing powers—(1) The Board may from time to time borrow such sums of money as it considers necessary for carrying out its functions under this Act.

(2) The provisions of the Local Authorities Loans Act 1956 shall, with the necessary modifications, apply to the Board in all respects as if the Board were a local authority within the meaning of that Act, but special loans may be raised by the Board without the prior consent of the ratepayers notwithstanding the provisions of section 34 of that Act.

(3) Any special loans raised by the Board shall have the prior approval of the Christchurch City Council and at least 1 of the remaining contributing authorities.

21. Payment by University of Canterbury—The University of Canterbury shall annually pay to the Board one-half of the net income available from its Museum, Library, and School of Technical Science Endowment.

22. Investment of money—Subject to the terms of any trust or endowment, any money held by or on behalf of the Board and available for investment shall be invested in any securities in which trust funds may be invested by trustees in accordance with the Trustee Act 1956, or in accordance with any other statutory authority, or in such other manner as the Board, with the approval of the Minister of Finance, may determine:

Provided that, notwithstanding any rule of law or equity to the contrary, the Board shall not be obliged to convert any securities which are the subject of a gift to the Board and which are not securities in which the Board may invest money pursuant to this section.

23. Application of income and capital—(1) Subject to the terms of any trust or endowment, the income and capital of the Board shall be applied in doing whatever the Board thinks expedient to enable the Board to accomplish the purposes for which it is established.

(2) Without limiting the generality of subsection (1) of this section, the Board may from time to time transfer any of its income to the capital of the fund created for any 1 or more of the purposes for which that income may be applied.

24. Unplanned expenditure—The Board may in every year, out of its funds, expend for purposes not authorised by any Act or law for the time being in force any sum or sums not amounting in the aggregate to more than 0.5 percent of its total expenditure for that year.

25. Travelling allowances and expenses—There shall be payable to members of the Board, and of any committee of the Board, travelling allowances and expenses in accordance with the Fees and Travelling Allowances Act 1951 as if they were members of a statutory Board within the meaning of that Act.

26. Members of Board and committees not personally liable—Subject to section 31 of the Public Finance Act 1977, no member of the Board, or of any committee of the Board, shall be personally liable for any act or default done or made by the Board or committee or by any member thereof in good faith in the course of the operations of the Board or committee.

27. Audit of Board's accounts—The Board shall keep full and correct accounts of all money received and expended by it, and the accounts shall be audited by the Audit Office, which for that purpose shall have and may exercise all such powers as it has under the Public Finance Act 1977 in respect of public money and stores and persons dealing therewith.

28. Annual report—(1) The Board shall prepare and adopt, in respect of each financial year, a report assessing the performance of the Board against the policies, objectives, activities, performance targets, indicative costs, and sources of funds specified in the plan adopted in respect of that financial year under section 15 of this Act.

- (i) On the financial statements specified in subsection (2) of this section; and
 - (ii) On the performance targets and other measures by which performance has been judged in relation to the objectives; and
- (b) Such other information as is necessary to enable an informed assessment of the operations of the Board, including a comparison between the actual performance of the Board for the financial year and the projected performance of the Board for the financial year as set out in the plan adopted in respect of the financial year under section 15 of this Act.
- (4) The report adopted under subsection (1) of this section shall be adopted before the end of the fifth month after the close of the financial year to which it relates.
- (5) Where the Board adopts a report under this section, it shall—
