10. Pending the raising of any such loan the Council may borrow any sum or sums of money not exceeding the whole amount authorized to be borrowed by the hypothecation or mortgage of any debentures hereby authorized to be issued, with power of sale in case of default, at such a price as to produce to the purchaser an interest of not more than six per centum per annum on the price paid. 12. If any agents shall raise any loan authorized to be raised under this Act they shall, within fourteen days after the issue of any debenture by them, forward notice in writing thereof and of the number and date of such debenture to the Corporation; and the Treasurer of the Corporation shall, within fourteen days after the receipt of such notice by him, or, in the case of any debenture issued by the Corporation, within fourteen days after the issue thereof, cause an entry to be made thereof as provided by the last-preceding section; and if such agents shall neglect or fail to forward such notice in writing as aforesaid within the time aforesaid they shall be liable to a penalty not exceeding twenty pounds; and if such Treasurer shall neglect or fail to make such entry as aforesaid within the time aforesaid he shall be liable to a penalty not exceeding twenty pounds.

13. The Council shall, from and out of the revenues in each and every year from the first raising of any sums of money under the authority of this Act until the whole amount so raised and the interest thereon shall have been duly paid, set apart as a sinking fund such sums of money as shall be sufficient to pay the amount of the principal money so raised in fifty years, and such sums shall be paid over by the Council as soon as they shall be so set apart to three Commissioners to be appointed by the Council (who may from time to time remove them or any of them, and appoint another or others in the room of the Commissioner or Commissioners so removed), and shall be invested, together with all interest and profits accruing therefrom, in such securities as the Council may from time to time direct.

Sinking Fund.

14. Such Commissioners shall send to the Council, at such times as the Council shall direct, accounts of all moneys and all securities in their hands, and shall, immediately after the thirty-first day of March in each year, send to the Council a balance-sheet showing all transactions in respect of such moneys or securities during the year ending on such day. Such Commissioners shall, together with such balance-sheet, send to the Council a certificate under their hands of all the securities held by the Commissioners, and shall, if required, verify the same by statutory declaration.

Commissioners to furnish accounts.

15. When the principal moneys of the loan shall become payable, the accumulations of such sinking fund shall be applied in or towards payment thereof.

Fund to be applied in payment of loan.

16. The Council may, whenever necessary for the purpose of paying the sinking fund and the annual interest payable upon all or any part of the moneys secured by any debentures issued under the provisions of this Act or "The City of Auckland Loans Consolidation Act, 1879," or any Act which that Act was intended to supersede, and

Special rate.

in lieu of the special rate authorized by section seventeen of that Act, make a special rate upon all rateable property in the City of Auckland, as the boundaries of such city are set out and defined in a Proclamation issued by His Excellency Sir James Prendergast, the Administrator of the Government of New Zealand, dated the twenty-sixth day of October, one thousand eight hundred and eighty-two, and published in the *New Zealand Gazette* for that year, number eighty-eight, to an amount not exceeding in any one year the sum of two shillings in the pound of the annual value of such property, and such special rate shall, as near as practicable, be in the form prescribed in respect to special rates in "The Municipal Corporations Act, 1876," but shall not commence until the first day of June, one thousand eight hundred and eighty-four.

Special rate to continue until moneys paid off.

17. Every such special rate shall be payable at such intervals not exceeding one year as the Council shall in and by the special order for making such rate appoint, and every such special rate shall, without any further proceeding by the Council or otherwise, be and continue to be an annual recurring rate upon every rateable tenement at any time situated within the area of the city at the time of the making of such special rate according to the annual value of each such tenement as appearing by the valuation last made affecting such tenements, until all moneys owing in respect of the moneys raised under the authority of this Act and of "The City of Auckland Loans Consolidation Act, 1879," shall have been paid off and discharged; and the Council may from time to time amend such special rate by increasing or diminishing the same if necessary so that the annual produce shall suffice to provide the interest and sinking fund on account of the loan.

Provisions of "Municipal Corporations Act, 1876," to apply.

18. Save where it is herein otherwise expressly provided, or there is something in the context repugnant thereto, all the provisions contained in "The Municipal Corporations Act, 1876," and any Act or Acts amending or substituted for the same relating to special rates, shall apply to every such special rate as aforesaid.

Limits of rates extended.

19. Notwithstanding anything in "The Municipal Corporations Act, 1876," to the contrary, the limit of rates to be made and levied within the said City of Auckland as fixed by the said Act may be exceeded by the Council for the purposes of this Act and the said "City of Auckland Loans Consolidation Act, 1879," to the extent authorized by this Act, and the said Council may levy a rate for general municipal purposes as well as the special rate authorized to be levied hereunder, but so always that there shall not be leviable by the said Council in the said City of Auckland a greater amount for rates in any one year than two shillings in the pound on the annual value of the rateable property in the city.

Supreme Court may direct rate to be levied for payment of interest.

20. It shall be lawful for the Supreme Court of New Zealand, upon application duly made by the holder of any debenture or coupon issued under the authority of this Act, if the interest payable in respect of such debenture or coupon shall be in arrear or unpaid, by a rule or order of the said Court, to require the Corporation to show cause why such interest should not be forthwith paid, and, failing such payment, why a writ of *mandamus* should not issue requiring the said Council to levy a special rate to insure and provide for such payment;

and it shall be lawful for the said Supreme Court, upon cause being shown to the said rule or order, or upon proof of the due service of the same, if the Corporation shall not appear to show cause, to pronounce such decision thereon, and make such order as to costs, and by and to whom the same shall be paid, as may to the said Court appear to be just and right.

21. The moneys to be borrowed under the provisions of this Act shall be applied to the several purposes specified in the First Schedule to this Act, in the proportions therein set forth, and to no other purposes whatsoever.

How moneys to be applied.

22. The Council shall keep separate accounts of all moneys received and expended under the provisions of this Act for each of the purposes therein mentioned, and such accounts shall be balanced twice at least in every year.

Separate accounts to be kept.

23. No purchaser of a debenture or debentures issued under the provisions of this Act shall in any manner be concerned to see to the application of the moneys paid for the same, or be in anywise chargeable or accountable for the loss, misapplication, or non-application of the same, or to inquire as to the necessity for raising the same.

Purchaser of debentures not concerned to see to application of moneys.

24. When any money shall become due and payable as principal money secured by any debentures issued under this Act, the Council shall apply the accumulated sinking fund and all other moneys for the time being in their hands available for that purpose to the payment of the debentures upon which such principal moneys shall have so become due and payable.

Payment of debentures.

25. If, at the expiration of fourteen days from the time when any principal money has become due upon any debenture issued under this Act, and after presentation of such debenture at the place where the same is payable, it shall not be paid, the holder of such debenture may, without prejudice to any other mode of recovery, apply to a Judge of the Supreme Court of New Zealand, by petition, in a summary way, for the appointment of a Receiver; and the Judge is hereby empowered, if satisfied of the truth of the matters alleged in such petition, to appoint some fit person to collect and receive the whole or a competent part of the revenues, until such principal and any interest due or to accrue due thereon, together with costs of the application and the costs of collection, are fully paid; and, upon such appointment being made, all securities held by the Council or by any Commissioners appointed under this Act as accumulated sinking fund for the payment of such loan shall vest in the Receiver so appointed, and shall cease to be vested in the Corporation or the said Commissioners; and all moneys arising from the revenues or such competent part of the revenues as the Court shall order, until payment of such principal and interest and the costs of the application and the costs of collection as aforesaid, shall be paid to the Receiver so appointed, and when so paid shall be rateably apportioned between the debenture-holders.

Holder of debenture may apply to a Judge of the Supreme Court for the appointment of a Receiver.

26. All powers for the recovery of rates, tolls, rents, or other moneys of the Corporation shall, after the appointment of a Receiver, and in respect to all moneys so to be invested in him, cease to be exercised by the Council, and shall be vested in the Receiver.

Powers for recovery of rates to vest in Receiver.

27. The Receiver shall, in respect of any special rates vested in him, have the power given to the Council to amend a special rate as

Power of Receiver to amend special rate.

provided by the one hundred and thirteenth section of "The Municipal Corporations Act, 1876," but such power shall be exercised only upon an order by a Judge of the Supreme Court.

Receiver to give security.

28. Every Receiver shall, before entering on his office, give such security for the faithful execution thereof as the Judge shall direct.

Application of money by Receiver.

29. All moneys received by the Receiver shall be applied only under the order of a Judge of the Supreme Court, as follows:—

- (1.) In the payment of the expenses of the application and order;
- (2.) In the payment of such remuneration to the Receiver and in such expenses of his office as the Judge directs;
- (3.) In the payment of the principal and interest of the loan;
- (4.) The residue, after payment of the above, shall be paid into the Borough Fund, for the use of the Corporation.

And the Receiver shall account for all such moneys in such manner as the Judge shall direct.

When loan paid off, Receiver's powers to cease.

30. When all the principal and interest of the loan are paid, or at any other time, by an order of the Judge, the powers of the Receiver shall cease and shall revert in the Council, and he shall forthwith pay any moneys in his hands into the Borough Fund Account.

Holders of debentures to have no claim on colonial revenue.

31. No holder of any debenture or coupon to be issued under the authority of this Act shall have any claim in respect thereof upon the public revenues of the Colony of New Zealand.
