BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Discharged Soldiers Settlement Short Title.
 Amendment Act, 1923, and shall be read together with and deemed

part of the Discharged Soldiers Settlement Act, 1915 (hereinafter referred to as the principal Act).

PART I.

SPECIAL PROVISIONS IN RELIEF OF DISCHARGED SOLDIER SETTLERS.

Dominion Board for revaluation of soldiers' leases.

2. (1.) For the purposes of this Part of this Act the Governor-General may establish a Board to be called the Discharged Soldiers Dominion Revaluation Board (hereinafter in this Part referred to as the Dominion Board).

(2.) The Dominion Board shall consist of the Under-Secretary of the Department of Lands and Survey, who shall be the Chairman of the Board, and three other members who shall hold office during the pleasure of the Governor-General.

(3.) The powers of the Dominion Board shall not be affected by any vacancy in the membership thereof.

(4.) At any meeting of the Board three members shall form a quorum, and no business shall be transacted at any meeting unless a quorum is present.

(5.) Every question before the Board shall be determined by a majority of the votes of the members present at a meeting of the Board. On every such question the Chairman shall have a deliberative vote, and in the case of an equality of votes shall also have a casting-vote.

District Revaluation Committees.

3. (1.) For the purpose of more effectively carrying out the objects of this Part of this Act and of assisting in and expediting the work of revaluation the Minister of Lands may, on the recommendation of the Dominion Board, appoint such number of local committees to be District Revaluation Committees (hereinafter referred to as District Committees) as may be considered necessary.

(2.) Every District Committee shall consist of three persons, of whom at least two shall have reputed knowledge of local land-values and of farming generally, and shall be appointed to exercise its functions for a particular land district or for a defined portion of any such district.

(3.) Every member of a District Committee shall hold office during the pleasure of the Minister of Lands.

Land agents not qualified to be members of Dominion Board or of District Committee.

4. No person who is carrying on business as a land agent either by himself or jointly with any other person shall be qualified to be appointed as a member of the Dominion Board or of any District Committee established under this Part of this Act.

Remuneration of members of Dominion Board and of District Committees.

5. Members of the Dominion Board and of any District Committee, not being officers of the Public Service, may be paid such remuneration by way of salary and allowances as may from time to time be approved by the Minister of Lands, out of moneys appropriated by Parliament for the purpose.

Applications for Reduction of Rent.

Provision for revaluation of Crown and other lands held under lease or license by discharged soldiers.

6. Any discharged soldier within the meaning of the principal Act, being the lessee or licensee of any Crown land or other land administered by a Land Board and used for farming purposes or other purposes of production, whether such land has been disposed

of under the principal Act or any other Act, may, at any time within six months after the passing of this Act, apply in the manner provided by this Part of this Act for a revaluation of the land comprised in his lease or license.

7. (1.) Every application under the last preceding section shall be in the prescribed form, and shall be made in the first instance to the appropriate District Committee.

Applications for revaluation to be made in first place to District Committee.

(2.) On receipt of any such application the District Committee shall forthwith proceed to consider the same, and for that purpose shall hear evidence, and in particular shall value the said land, showing separately the value of improvements and the capital value of the land exclusive of such improvements.

(3.) The District Committee shall so soon as practicable forward to the Dominion Board—

(a.) Its valuation of the improvements and of the land exclusive of improvements; and

(b.) Its report upon such other matters relevant to the application as it thinks fit or as the Dominion Board may require.

8. (1.) On receipt of any such valuation and report relating to any land in respect of which an application for revaluation has been made under this Part of this Act the Dominion Board shall forthwith proceed to determine the value of improvements effected or paid for by the lessee or licensee, and the value of the land exclusive of those improvements.

Dominion Board to determine valuations.

(2.) Where the rent payable under the lease or license has been based on the original capital value of the land comprised therein, then if the value of the land as so determined, exclusive of the value of the improvements effected or paid for by the lessee or licensee as aforesaid, is less than such original capital value, the rent payable under the lease or license shall be proportionately reduced as from the first day of July, nineteen hundred and twenty-one, or the date of the lease or license (whichever date is the later).

(3.) Where the rent payable under the lease or license has been fixed otherwise than on the original capital value of the land comprised therein, the Dominion Board shall, if in its opinion the rent is excessive, reduce the rent to such amount as it thinks just, and such reduction shall take effect as from the first day of July, nineteen hundred and twenty-one, or the date of the lease or license (whichever date is the later).

(4.) Every determination of the Dominion Board under this section with reference to an application for revaluation and the reduction of rent shall forthwith be communicated to the applicant.

Applications for Reduction of Mortgages.

9. (1.) This section shall apply with respect to land used for farming purposes or other purposes of production by the owners or occupiers thereof to whom advances, secured on that land by way of mortgage to His Majesty, have been made under paragraph (a) or paragraph (b) or paragraph (d) of section two of the Discharged Soldiers Settlement Amendment Act, 1917.

Provision for relief of mortgagors to the Crown.

(2.) The owner or occupier of any land to which this section applies may, at any time within six months after the passing of this

Act, apply, in the manner provided by this Part of this Act, for a valuation of that land, with a view to the reduction pursuant to this section of the amount of any mortgage securing to His Majesty any advances made under the authority referred to in the last preceding subsection.

(3.) Every application under this section shall be in the prescribed form, and shall be made in the first instance to the appropriate District Committee.

(4.) On receipt of any such application the District Committee shall forthwith proceed to consider the same, and for that purpose shall hear such evidence as it thinks fit, and in particular shall value the said land, showing separately the value of improvements and the capital value of the land exclusive of such improvements.

(5.) The District Committee shall so soon as practicable forward to the Dominion Board—

(a.) Its valuation of the improvements and of the land exclusive of improvements ; and

(b.) Its report upon such matters relevant to the application as it thinks fit or as the Dominion Board may require.

(6.) On receipt of any such valuation and report the Dominion Board shall forthwith proceed to determine by what amount (if any), having regard to such valuation and report, the debt secured by way of mortgage to His Majesty should be reduced, and every such debt shall be reduced accordingly, and such reduction shall take effect as from the first day of July, nineteen hundred and twenty-one, or the date of the advance (whichever date is the later).

(7.) Where, pursuant to this section, the amount of any mortgage repayable by instalments has been reduced, the term of such mortgage may be reduced, or may be extended for a period not exceeding thirty-six and one-half years from the date when the reduction takes effect, or, in the alternative, the instalments of principal and interest for the balance of the original term shall be in accordance with a table for the payment of principal and interest prescribed for the purpose.

(8.) Every determination by the Dominion Board under this section shall forthwith be communicated to the applicant.

10. (1.) Where application under the last preceding section is made by any person in respect of land subject to any mortgage in addition to the mortgage securing the debt to His Majesty, the Dominion Board may enter into negotiations with any mortgagee for the reduction or discharge of his mortgage, and may agree to purchase, on behalf of His Majesty, the interest of any such mortgagee for such amount as may be mutually agreed on. Unless expressly authorized so to do by the Minister of Lands and the Minister of Finance, the Dominion Board shall not reduce the amount of the mortgage to His Majesty unless and until all other mortgages have been discharged.

(2.) Any moneys payable in respect of the purchase of any mortgage under this section may be paid out of the Discharged Soldiers Settlement Account without further appropriation than this section ; or the Minister of Finance may, subject to the consent of the mortgagee, issue debentures charged upon the public revenues of New Zealand for the amount of the purchase-money, or for any

Adjustment of payments on reduction of instalment mortgage.

Limitation of provisions as to relief in cases where subsequent mortgage is registered in favour of person other than His Majesty.

(3.) Where pursuant to this section the interest of all mortgagees other than His Majesty has been acquired by the Crown, it shall thereafter be unlawful for the owner to further mortgage or otherwise encumber his interest in the land save with the consent of the Minister of Lands, and every such mortgage or other encumbrance executed in contravention of this section shall be absolutely null and void as a charge upon the land :

Provided that nothing in this subsection shall be so construed as to deprive any person of any right of action to recover as a debt any moneys purporting to be secured by any such mortgage.

Relief with respect to Arrears of Rent, Interest, &c.

11. (1.) The Minister may, on the recommendation of the Dominion Board, and subject to such conditions as he thinks fit, postpone the payment of any rent or interest or instalment of principal or purchase-money due before the passing of this Act and payable to the Crown by a discharged soldier in respect of any land owned or occupied by him for farming purposes or other purposes of production, or may remit wholly or in part any such rent or interest. No such postponement of rent or interest shall be for a longer term than ten years. On the sale or other disposition of his interest in any such land before the expiry of the period for which any rent or interest has been postponed as aforesaid such rent or interest shall become immediately due and payable.

Provision for postponement or remission of arrears of rent or interest, &c.

(2.) If any rent or interest the payment of which is postponed as aforesaid is paid within the extended period the person by whom the same is paid shall be entitled to the same rebate (if any) as if such rent or interest had been paid on the due date.

(3.) Any such rent, interest, or instalment of purchase-money or principal the payment of which is postponed as hereinbefore provided shall not be deemed to be payments in arrear for the purpose of determining whether any person is entitled to any rebate of interest or rent on account of punctual payment.

Miscellaneous.

12. (1.) In any case where a discharged soldier is the lessee of land to which section fifty-seven of the Land for Settlements Act, 1908, applies, the Minister of Lands may extend the term allowed by that section for the payment of the value of any buildings thereon, but so that the extended term shall not in any case exceed thirty-six and one-half years.
