1977, No. 33

An Act to establish a Ministry of Energy and to define its functions, powers, and duties.

[6 October 1977]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

**1. Short Title and commencement**—(1) This Act may be cited as the *Ministry of Energy Act 1977*.

(2) Subject to subsection (3) of this section, this Act shall come into force on a date to be appointed by the Governor-General by Order in Council.

(3) The Governor-General may, by the same or a separate Order in Council, bring into force the provisions of section 21 (2) of this Act and the Fourth Schedule to this Act on a different date from the other provisions of this Act.

**2. Interpretation**—In this Act, unless the context otherwise requires—

“Committee” means a committee appointed under section 8 of this Act:

“Energy” means work or heat that is or may be produced or derived from coal, electricity, gas, geothermal activity, petroleum, petroleum products, uranium, water, or any other fuel or any other source whatsoever:

“Deputy Secretary” means a Deputy Secretary of Energy appointed in accordance with section 6 of this Act:

“Distribution” includes sale:

“Mineral” has the same meaning as it has in section 5 (1) of the *Mining Act 1971*:

“Minister” means the Minister of Energy:

“Ministry” means the Ministry of Energy established by section 3 of this Act:

“Secretary” means the Secretary of Energy appointed in accordance with section 5 of this Act:

“Terms and conditions”, in relation to employment, include remuneration.

## PART I

### THE MINISTRY OF ENERGY

**3. Establishment of Ministry**—There is hereby established a Department of State, to be called the Ministry of Energy.

**4. Minister of Energy**—(1) The Ministry shall be under the control of the Minister of Energy.

(2) The Minister may, from time to time, for the purposes of the carrying out of the functions, powers, and duties of the Ministry, give such directions as he thinks fit to the Secretary.

**5. Secretary of Energy**—There shall from time to time be appointed under the State Services Act 1962 a Secretary of Energy, who shall be the administrative head of the Ministry.

**6. Deputy Secretaries of Energy**—There shall from time to time be appointed under the State Services Act 1962 one or more Deputy Secretaries of Energy as may be necessary for the effective and efficient carrying out of the functions of the Ministry.

**7. Other officers and employees of Ministry**—(1) There shall from time to time be appointed under the State Services Act 1962 such other officers and employees of the Ministry as may be necessary for the effective and efficient carrying out of its functions.

(2) Every person who, immediately before the commencement of this Act, was under the State Services Act 1962 an officer or employee of—

(a) The New Zealand Electricity Department constituted under the Electricity Act 1968; or

(b) The Mines Department established as an instrument of the Crown under the control of the Minister of Mines; or

(c) The Ministry of Energy Resources established by section 3 of the Ministry of Energy Resources Act 1972—

shall on the commencement of this Act be deemed, without further appointment, to hold office as an officer or employee, as the case may be, of the Ministry of Energy under subsection (1) of this section.

(3) Every person who, immediately before the commencement of this Act, was employed by the Mines Department otherwise than under the State Services Act 1962 shall on the commencement of this Act be deemed, without further appointment, to be employed by the Ministry of Energy on the same terms and conditions as he was then employed by the Mines Department.

**8. Committees**—(1) The Minister may from time to time appoint such committees as he thinks fit to advise or otherwise assist the Minister or the Secretary on any matters relating to energy or minerals that the Minister may specify.

(2) Every member of a committee shall hold office at the pleasure of the Minister.

(3) Subject to this Act, and to any directions given to it by the Minister, every committee may regulate its own procedure.

(4) Every committee is hereby declared to be a statutory Board within the meaning of the Fees and Travelling Allowances Act 1951.

(5) There may, if the Minister so directs, be paid to any member of a committee, out of money appropriated by Parliament for the purpose,—

(a) Remuneration by way of fees, salary, or allowances in accordance with the Fees and Travelling Allowances Act 1951; and

(b) Travelling allowances and travelling expenses in accordance with that Act in respect of time spent travelling in the service of the committee.

(6) The Fees and Travelling Allowances Act 1951 shall apply accordingly.

(7) No person, by reason only of the fact that he is a member of a committee, shall be deemed to be employed in the service of the Crown for the purposes of the State Services Act 1962 or of the Government Superannuation Fund Act 1956.

**9. Delegation of powers by Minister**—(1) The Minister may from time to time, either generally or particularly, delegate to the Secretary all or any of the powers exercisable by him as Minister under any enactment, including powers delegated to him as Minister under any enactment, but not including—

(a) The power of delegation conferred on him by this section; or

(b) The power to consent to a delegation under section 10 of this Act; or

(c) Any power conferred on him by Part III of the Mining Act 1971 or by any of sections 128, 129, and 145 of the Mining Act 1971.

(2) Subject to any general or special directions given or conditions attached by the Minister, the Secretary may exercise any powers delegated to him under this section in the

same manner and with the same effect as if they had been conferred on him directly by this section and not by delegation.

(3) Until any delegation made under this section is revoked, it shall continue in force according to its tenor; and in the event of the Minister by whom the delegation has been made ceasing to hold office, it shall continue to have effect as if made by the person for the time being holding office as Minister.

(4) In the event of the Secretary to whom any such delegation has been made under this section ceasing to hold office, it shall continue to have effect as if made to the person who is for the time being holding office as Secretary or, if there is no Secretary or if the Secretary is absent from duty, to the person who is for the time being directed under the State Services Act 1962 to act in the place of the Secretary.

(5) Where the Secretary or any other person purports to act pursuant to any delegation made under this section, he shall, in the absence of proof to the contrary, be presumed to be acting in accordance with the terms of the delegation.

(6) Every delegation made under this section shall be revocable at will, and no such delegation shall prevent the exercise of any power by the Minister.

**10. Delegation of powers by Secretary—**(1) The Secretary may from time to time, either generally or particularly, delegate to such officer or officers or employee or employees of the Ministry as he thinks fit, all or any of the powers exercisable by him as Secretary under any enactment, including any powers delegated to him as Secretary under any enactment.

(2) Notwithstanding subsection (1) of this section—

- (a) The Secretary shall not delegate the power of delegation conferred on him by that subsection;
- (b) The Secretary shall not, without the written consent of the Minister, delegate any power delegated to him by the Minister; and
- (c) The Secretary shall not, without the written consent of the State Services Commission, delegate any power delegated to him under the State Services Act 1962.

(3) Subject to any general or special directions given or conditions attached by the Secretary, every officer or employee to whom any powers are delegated under this

section may exercise those powers in the same manner and with the same effect as if they had been conferred on him directly by this section and not by delegation.

(4) Any delegation under this section may be made to a specified officer or employee, or to officers or employees of a specified class, or to the holder or holders for the time being of a specified office or class of offices.

(5) Every person purporting to act pursuant to any delegation made under this section shall in the absence of proof to the contrary be presumed to be acting in accordance with the terms of the delegation.

(6) Any delegation made under this section shall be revocable at will, and no such delegation shall prevent the exercise of any power by the Secretary.

(7) Any delegation made under this section shall, until revoked, continue in force according to its tenor, notwithstanding that the Secretary by whom it was made may have ceased to hold office, and shall continue to have effect as if made by the successor in office of that Secretary.

## PART II

### FUNCTIONS OF THE MINISTRY

**11. General functions of Ministry in relation to energy policies—**(1) The Ministry shall advise the Minister on the formulation, implementation, co-ordination, and continuing review of effective and efficient policies for New Zealand relating to energy.

(2) The Ministry shall also have such other functions as are necessary for the formulation, implementation, co-ordination, and continuing review of effective and efficient policies for New Zealand relating to energy, and for the due administration by the Ministry of this Act in relation to energy.

(3) In carrying out the functions specified in subsections (1) and (2) of this section, the Ministry shall take into account all relevant considerations relating to energy, including (*inter alia*)—

- (a) Sources of energy and energy resources;
- (b) Exploration, discovery, assessment, research, development, production, processing, supply, distribution, uses, consumption, and conservation;
- (c) The separate needs of industry, commerce, transport, domestic users, and other classes of users, and of significant subclasses of those users;

- (d) The needs and interests of New Zealand, and of particular regions and subregions within New Zealand;
- (e) The international responsibilities of New Zealand;
- (f) Environmental and other social considerations;
- (g) Appropriate methods of organisation for the best administration of effective policies relating to energy; and
- (h) Future needs, patterns, changes, and problems, and the need to plan for and influence such matters.

(4) Without limiting the generality of the functions specified in subsections (1) and (2) of this section, or of the considerations specified in subsection (3) of this section, the Ministry shall in particular—

- (a) Assess the levels and patterns of demand in New Zealand for energy, and for sources of energy, and wherever desirable formulate effective methods of influencing such demands in relation to available resources;
- (b) Promote, encourage, and stimulate exploration for and the discovery of any kinds, forms, and sources of energy, and the co-ordination of such activities and, if the Minister so directs, itself undertake or commission such activities;
- (c) Undertake, promote, and encourage the establishment, maintenance, development, and co-ordination of adequate sources of supply of energy for New Zealand;
- (d) Promote, encourage, and stimulate investigations, research, and studies into any matters relating to energy, and the co-ordination of such activities and, if the Minister so directs, itself undertake or commission such activities;
- (e) Promote, encourage, and stimulate efficient, economical, and co-ordinated methods in activities relating to energy;
- (f) Promote, encourage, and stimulate efficient and economical uses of energy and sources of energy;
- (g) Consider all aspects of investment in activities relating to energy;
- (h) Formulate methods of influencing and promoting the conservation of energy;
- (i) Wherever desirable, publish and disseminate, and promote, encourage, and stimulate the publication and dissemination of information relating to energy;

- (j) Encourage co-operation and co-ordination among organisations and individuals (including Departments of State) that are concerned with matters relating to energy;
- (k) Make financial grants or loans to or subsidise, out of money appropriated by Parliament for the purpose, bodies and organisations that are engaged in activities relating to energy; and
- (l) If the Minister so directs, provide administrative, technical, and secretarial assistance to Departments of State, to statutory bodies, and to bodies corporate wholly owned by the Crown, that are concerned with matters relating to energy.

**12. Control of prices—**(1) The Minister shall exercise and perform, in relation to goods and services of the classes specified in subsection (4) of this section that may be made subject to price control under Part IV of the Commerce Act 1975, all the functions, powers, and duties conferred on the Minister of Trade and Industry under that Part of that Act.

(2) The Secretary shall exercise and perform, in relation to goods and services of the classes specified in subsection (4) of this section that may be made subject to price control under Part IV of the Commerce Act 1975, all the functions, powers, and duties conferred on the Secretary of Trade and Industry under that Part of that Act.

(3) In relation to the classes of goods and services specified in subsection (4) of this section,—

- (a) Every reference in Part IV of the Commerce Act 1975 and in sections 2A, 25, 66 (1) (a), 66 (2), and 130 (2) of that Act to the Minister shall accordingly hereafter be read as a reference to the Minister of Energy instead of the Minister of Trade and Industry; and
- (b) Every reference in that Part of that Act and in sections 2A, 14 (2), 15 (1), 19, 30 (2), 120A, 124 (2), 126 (c), 130, 132, and 133 (4) of that Act to the Secretary shall accordingly hereafter be read as a reference to the Secretary of Energy instead of the Secretary of Trade and Industry.

(4) This section applies to goods and services of the following classes:

- (a) Coal, coal products, electricity, gas, geothermal energy, petroleum, petroleum products, and petrochemicals:

- (b) Any other goods being kinds, forms, or sources of energy, or products from sources of energy, that the Governor-General may from time to time, by Order in Council, declare to be goods to which this section applies:
- (c) Any services relating to matters concerning energy that the Governor-General may from time to time, by Order in Council, declare to be services to which this section applies.

(5) Before making any decision under any of sections 84, 89, 90, 91, 92 (4), and 94 (2) of the Commerce Act 1975 in respect of any goods or services of the classes specified in subsection (4) of this section, being a decision that may affect—

- (a) Retail margins for petroleum products; or
- (b) Exports from New Zealand or industrial production or industrial development in New Zealand—

the Secretary of Energy shall consult with and consider the views of the Secretary of Trade and Industry, or any officer of the Department of Trade and Industry designated for that purpose by the Secretary of Trade and Industry.

(6) Where by virtue of the commencement of this section or of any Order in Council made under this section, the provisions of this section become applicable to any class of goods or services,—

- (a) Any prosecution for an offence against the Commerce Act 1975 that has been instituted in relation to any such goods or services before this section becomes applicable to them shall be continued and completed as if this section were not applicable; and
- (b) Any other matter or proceeding under that Act in relation to any such goods or services that is pending or in progress when this section becomes applicable to them shall be continued, completed, and perfected as if this section were not applicable.

### **13. General functions of Ministry in relation to minerals—**

(1) The Ministry shall advise the Minister on the development and regulation of the mineral industry of New Zealand, and shall also have such other functions as are necessary for the development and regulation of that industry, and for the due administration of this Act in relation to minerals.

(2) Without limiting the generality of the functions specified in subsection (1) of this section, the Ministry shall in particular—

- (a) Promote and encourage exploration for and the discovery of minerals, and the proper development of the mineral resources of New Zealand; and
- (b) By providing advice and assistance, foster the development of the mineral industry of New Zealand.

**14. Functions of Ministry under other enactments—**The Ministry shall administer the enactments specified in the First Schedule to this Act.

**15. Participation in operations—**(1) The Minister may from time to time, on behalf of the Crown, either alone or jointly with any other person or persons, carry on any business relating to exploration for or the discovery, production, processing, supply, distribution, uses, or conservation of energy, sources of energy, products from energy or sources of energy, minerals, and mineral products; and in particular but without limiting the generality of this section may—

- (a) Establish or promote, or concur in or support the establishing or promoting, of any body corporate having power to carry on any such business;
- (b) Subscribe for, purchase, or otherwise acquire, and sell or otherwise dispose of shares, stocks or interests, and otherwise participate in, any body corporate, firm, partnership, or joint venture (whether established before or after the commencement of this Act) having power to engage in any such business;
- (c) Exercise all of the rights and powers of the Crown as the holder of any shares, stocks, and interests in any such undertaking; and
- (d) Purchase or otherwise acquire any kinds, forms, or sources of energy, or minerals, from any such undertaking.

(2) The Minister of Finance may from time to time, on behalf of the Crown advance money on such terms as he thinks fit to any undertaking referred to in subsection (1) of this section in which the Minister of Energy holds any shares, stock, or interests.

(3) All money required to be paid by the Crown under this section shall, without further appropriation than this section, be paid out of the Consolidated Revenue Account or the National Development Loans Account.

(4) Where any money is required to be paid under this section, and the money is paid out of the National Development Loans Account, the authority of the Minister of Finance to borrow money under section 11 of the New Zealand Loans Act 1953 shall be deemed to be extended as if the money so paid had been authorised to be transferred from the National Development Loans Account to another fund or account as mentioned in that section.

(5) Where any undertaking referred to in subsection (1) of this section is wholly owned, legally or beneficially, by the Crown, the terms and conditions of employment of the officers and employees of the undertaking shall be determined by the undertaking in agreement with the State Services Commission, or by the Minister in the absence of agreement.

(6) Notwithstanding subsection (5) of this section, in any case where a composite agreement within the meaning of section 66 of the Industrial Relations Act 1973—

- (a) To which any undertaking referred to in that subsection is a party; and
- (b) Which relates to any activities to be undertaken in respect of any contract or contracts for a specified exploration programme or the construction of a specified facility or any other specified project; and
- (c) Which sets out the terms and conditions of employment of any employees of the undertaking—

is registered by the Industrial Commission under section 65 of that Act, the terms and conditions of employment of those employees shall be determined under that agreement.

(7) The Crown, acting through any Department of State, may from time to time at the request of any undertaking referred to in subsection (1) of this section—

- (a) Execute any work or provide any service for or supply any goods, stores, or equipment to the undertaking; or
- (b) Enter into contracts or arrangements with any other persons for the execution or provision of any work or service by the Department for the undertaking, or for the supply of any goods, stores, or equipment by the Department to it—

on such terms and conditions as may be agreed on.

(8) The Minister may from time to time, on behalf of the Crown,—

(a) Transfer, exchange, or otherwise dispose of any kind, form, or source of energy (except electricity) purchased or otherwise acquired by him under this Act to any Department of State; and

(b) Sell, exchange, or otherwise dispose of any kind, form, or source of energy (except electricity) purchased or otherwise acquired by him under this Act to any body corporate, firm, partnership, joint venture, or person.

(9) All money received by the Crown under subsection (7) or subsection (8) of this section shall be received or credited into the Public Account.

(10) The Minister may from time to time, on behalf of the Crown, contract with any body corporate, firm, partnership, or person to act as agent for all or part of a contract; deed, agreement, or other instrument that the Minister has entered into under this section.

(11) The Minister may from time to time, on behalf of the Crown, enter into and execute agreements, contracts, deeds, and other instruments for the purposes of this section, and do all other acts and things that are reasonably necessary for such purposes.

(12) The Minister shall cause accounts (including a balance sheet) in accordance with the directions of the Minister of Finance under section 103 of the Public Revenues Act 1953 to be prepared for each financial year of all money received and paid by him under this section.

(13) A copy of the accounts, duly audited by the Audit Office, shall be laid before Parliament during the session of Parliament first ensuing after the end of the financial year to which the accounts relate.

(14) The powers conferred on the Minister by this section are in addition to any other powers conferred on him or on the Ministry by any enactment.

### PART III

#### AMENDMENTS TO OTHER ENACTMENTS

##### *Coal*

**16. Amendments to enactments relating to coal—**(1) The enactments specified in Part I of the Second Schedule to this Act are hereby amended in the manner indicated in that Part of that Schedule.

(2) Unless in any case the context otherwise requires, every reference in any other enactment or in any regulation, rule, order, agreement, deed, instrument, application, notice, licence, or other document whatsoever in force at the commencement of this Act—

- (a) To the Minister of Mines, shall hereafter be read as a reference to the Minister of Energy;
- (b) To the Mines Department, shall hereafter be read as a reference to the Ministry of Energy;
- (c) To the Secretary of Mines, shall hereafter be read as a reference to the Secretary of Energy;
- (d) To any other officer or employee of the Mines Department, shall hereafter be read as a reference to an officer or employee, as the case may require, of the Ministry of Energy.

### *Electricity*

**17. Amendment of Electricity Act 1968—**(1) The Electricity Act 1968 is hereby amended by repealing section 6 (which relates to the functions of the New Zealand Electricity Department), and substituting the following section:

**“6. Principal functions of Ministry of Energy under this Act—**Subject to section 11 of the Ministry of Energy Act 1977, the Ministry shall have the following principal functions under this Act:

- “(a) To initiate, organise, co-ordinate, continue, and maintain the production, transmission, and supply of electricity;
- “(b) To encourage the development and improvement of systems of supply of electricity;
- “(c) To seek to ensure standards of safety, efficiency, and economy of operation in respect of the production, transmission, and supply of electricity;
- “(d) To initiate and carry out surveys in respect of the supply and use of electricity;
- “(e) To advise Government departments on all matters affecting electricity;
- “(f) To carry out such functions in respect of and incidental to the production, transmission, and supply of electricity as the Minister may from time to time direct.”

(2) The Electricity Act 1968 is hereby further amended in the manner indicated in Part II of the Second Schedule to this Act.

**18. Amendments to other enactments relating to electricity—**(1) The enactments specified in Part II of the Second Schedule to this Act (in addition to the Electricity Act 1968) are hereby amended in the manner indicated in that Part of that Schedule.

(2) The Electricity Amendment Act 1973 is hereby consequentially repealed.

(3) Unless in any case the context otherwise requires, every other reference in any other enactment or in any regulation, rule, order, agreement, deed, instrument, application, notice, licence, or other document whatsoever in force at the commencement of this Act—

(a) To the Minister of Electricity, shall hereafter be read as a reference to the Minister of Energy:

(b) To the New Zealand Electricity Department, shall hereafter be read as a reference to the Ministry of Energy:

(c) To the General Manager of the New Zealand Electricity Department, shall hereafter be read as a reference to the Secretary of the Ministry of Energy:

(d) To any other officer or employee of the New Zealand Electricity Department, shall hereafter be read as a reference to an officer or employee, as the case may require, of the Ministry of Energy.

### *Energy Resources*

**19. Repeal of enactments constituting Ministry of Energy Resources—**(1) The following enactments are hereby repealed:

(a) The Ministry of Energy Resources Act 1972:

(b) The Ministry of Energy Resources Amendment Act 1973.

(2) From the commencement of this Act, all shares, stocks, interests, and other rights that immediately before the commencement of this Act, were vested in or held by the Minister of Energy Resources on behalf of the Crown pursuant to section 5A of the Ministry of Energy Resources Act 1972 (as inserted by section 2 of the Ministry of Energy Resources Amendment Act 1973) shall without further authority than this section vest in or be held by, as the case may require, the Minister of Energy on behalf of the Crown, in accordance with section 15 of this Act; and from the commencement of this Act, all liabilities of the Minister of Energy Resources on

behalf of the Crown under that section of that Act immediately before the commencement of this Act shall become liabilities of the Minister of Energy on behalf of the Crown in accordance with section 15 of this Act.

**20. Amendments to other enactments relating to energy resources**—(1) The Energy Resources Levy Act 1976 is hereby amended in the manner indicated in Part III of the Second Schedule to this Act.

(2) Unless in any case the context otherwise requires, every reference in any other enactment or in any regulation, rule, order, agreement, deed, instrument, application, notice, licence, or other document whatsoever in force at the commencement of this Act—

- (a) To the Minister of Energy Resources, shall hereafter be read as a reference to the Minister of Energy:
- (b) To the Ministry of Energy Resources, shall hereafter be read as a reference to the Ministry of Energy:
- (c) To the Commissioner of Energy Resources, shall hereafter be read as a reference to the Secretary of Energy:
- (d) To an Assistant Commissioner of Energy Resources, shall hereafter be read as a reference to a Deputy Secretary of Energy:
- (e) To any other officer or employee of the Ministry of Energy Resources, shall hereafter be read as a reference to an officer or employee, as the case may require, of the Ministry of Energy.

### *Gas*

**21. Amendments to enactments relating to gas**—(1) The enactments specified in Part IV of the Second Schedule to this Act are hereby amended in the manner indicated in that Part of that Schedule.

(2) The Fourth Schedule to this Act (which relates to the Natural Gas Corporation of New Zealand) shall apply in relation to the matters specified in that Schedule.

### *Geothermal Energy*

**22. Amendments to enactments relating to geothermal energy**—The enactments specified in Part V of the Second Schedule to this Act are hereby amended in the manner indicated in that Part of that Schedule.

*Minerals*

**23. Amendments to enactments relating to minerals—**The enactments specified in Part VI of the Second Schedule to this Act (which relate to minerals, mining, and quarries) are hereby amended in the manner indicated in that Part of that Schedule.

*Nuclear Energy*

**24. Amendment of Atomic Energy Act 1945—**The Atomic Energy Act 1945 is hereby amended in the manner indicated in Part VII of the Second Schedule to this Act.

*Petroleum*

**25. Amendments to enactments relating to petroleum—**The enactments specified in Part VIII of the Second Schedule to this Act are hereby amended in the manner indicated in that Part of that Schedule.

*Consequential Amendments to other Enactments*

**26. Consequential amendments—**The enactments specified in Part IX of the Second Schedule to this Act (which relate to the State Services and to the jurisdiction of the Ombudsmen and to the Commerce Act 1975) are hereby amended in the manner indicated in that Part of that Schedule.

## PART IV

## MISCELLANEOUS PROVISIONS

**27. Special provisions for scheduled undertakings in respect of energy—**(1) Notwithstanding any provision to the contrary in the Companies Act 1955—

- (a) The accounts of any company for the time being specified in the Third Schedule to this Act shall be kept in a form to be approved by the Minister of Finance; and
- (b) Those accounts shall be audited by the Audit Office, which for that purpose shall have all the powers that it has under the Public Revenues Act 1953 in respect of public money and public stores and persons dealing with public money and public stores.

(2) Nothing in sections 151 to 153 or in sections 163 to 166 of the Companies Act 1955 shall apply to any company that is for the time being specified in the Third Schedule to this Act.

**28. Regulations—**(1) The Governor-General may from time to time, by Order in Council, make regulations for all or any of the following purposes:

- (a) Requiring specified classes of users or intending users of energy or of sources of energy to supply to the Secretary prescribed information as to—
  - (i) The kinds, forms, and sources of energy used or to be used by them;
  - (ii) The purposes for which they are so used or to be used;
  - (iii) The means by which they are so used or to be used; and
  - (iv) Changes or proposed changes in the kinds, forms, or sources of energy so used or to be used, or in the quantities so used or to be used:
- (b) Providing for such other matters as are contemplated by or necessary for giving full effect to this Act and for its due administration.

(2) No person who becomes aware of any information referred to in subsection (1) (a) of this section that is supplied pursuant to any regulation made under this section shall wilfully divulge that information to any other person unless—

- (a) The person to whom the information is divulged is an officer or employee of the Ministry and the information is divulged to him for the purposes of carrying this Act into effect; or
- (b) The person to whom the information relates consents to its being so divulged.

(3) Every person who contravenes subsection (2) of this section commits an offence against this Act and is liable on summary conviction to imprisonment for a term not exceeding 3 months or to a fine not exceeding \$1,000 or to both.

**29. Annual reports—**(1) The Secretary shall as soon as practicable after the end of each financial year furnish to the Minister a report on the operations of the Ministry for that year.

(2) The report shall incorporate the accounts, balance sheets, and reports that the Secretary is required to prepare under section 184 of the Coal Mines Act 1925 in respect of each coal mine administered by the Minister under Part III of that Act.

(3) A copy of the report shall be laid by the Minister before Parliament within 28 days after it has been furnished to the Minister if Parliament is then in session or, if Parliament is not then in session, within 28 days after the commencement of the next ensuing session.
