(2) Before giving any such directions the Council may, if it thinks fit, examine on oath or otherwise the person making the application, or any person objecting to it, or any other person, with respect to the application; and for the purposes of any such examination the chairman may administer an oath to any person.

(3) The Council may also, if it thinks fit, require any person to verify by statutory declaration any statement made by him with respect to any application before the Council, or with respect to any objection to any such application.

Cf. 1971, No. 78, s. 21

22. Registration and enrolment—(1) If the Council, after considering any application under section 21 of this Act, considers that the applicant is entitled to be registered or enrolled in the manner specified in the application, it shall so direct, and the registrar shall thereupon register or enrol that person in that manner, and shall notify him accordingly.

(2) If the Council, after so considering any such application, considers that the applicant is not entitled to be registered or enrolled in the manner specified in the application, it shall direct accordingly, and the registrar shall thereupon refuse to register or enrol that person in that manner.

(3) If the Council refuses to direct the registration or enrolment of an applicant, it shall cause the applicant to be notified in writing of the reasons for its refusal.

Cf. 1945, No. 7, s. 11 (2); 1971, No. 78, s. 22

(2) Any person whose name is removed from the register or roll under Part IV of this Act, or whose registration or enrolment is suspended under this Act, shall if required to do so by the Council, deliver to the registrar, within 14 days after the date on which he receives written notice that his name has been so removed or that he has been so suspended, every certificate and badge which has been issued to him under this section and which he has not so delivered before that date.

(3) Every person commits an offence and is liable on summary conviction to a fine not exceeding $20 who fails to comply with the provisions of subsection (2) of this section.

24. Additional qualifications—(1) Any registered or enrolled nurse who obtains any degree, certificate, diploma, licence, or other qualification approved by the Council for the purposes of this section, other than that by virtue of which he is registered or enrolled, may apply to the Council to amend the register or roll, as the case may require, so far as it relates to the qualifications of that person; and on any such application the Council, if it is satisfied that the applicant is entitled to the degree, certificate, diploma, licence, or other qualification in respect of which the application is made, shall direct the registrar to amend the register or roll accordingly, and the registrar shall thereupon, on payment of the prescribed fee (if any), insert in the register or roll accordingly particulars of the degree, certificate, diploma, licence, or other qualification.

(2) The Council may, for the purpose of approving any degree, certificate, diploma, licence, or other qualification under this section, require the course of instruction or programme or examination relating to the course or programme to be such as may be approved or prescribed by the Council.

(3) The Council may at any time revoke any approval given for the purposes of this section.

(4) The provisions of this section shall, with the necessary modifications, apply in any case where the nurse holds, at the time of his application for registration or enrolment, any degree, certificate, diploma, licence, or other qualification in addition to that by virtue of which he is registered or enrolled.

Cf. 1945, No. 7, s. 19; 1971, No. 78, s. 24
25. Revision of register and roll—(1) The registrar may at any time, and shall if the Council so directs, send to any registered or enrolled nurse, by registered letter addressed to him at his last known address, an inquiry as to whether or not he desires to have his name retained in the register or roll, or has ceased to practise.

(2) If no reply is received to the letter within 6 months after it has been posted, or if the letter is not delivered and is returned to the registrar, the registrar shall, if the Council so directs, remove from every part of the register in which it appears or from the roll, as the case may require, the name of the nurse to whom the letter was sent.

(3) If the Council has reason to believe that any registered or enrolled nurse has died, it may direct the registrar to remove the name of that person from the register or roll, and the registrar shall remove that name accordingly from every part of the register in which it appears or from the roll, as the case may require.

(4) Any person whose name has been removed from the register or roll under this section may apply to the registrar to have his name restored to the register or roll; and, on proof to the satisfaction of the Council that his name has been so removed, it shall direct the registrar to restore to the register or roll accordingly the name of that person.

Cf. 1971, No. 78, s. 25

26. Rectification of incorrect registration or enrolment—

(2) If any particulars appearing in the register or roll in respect of the qualifications of any person who is registered or enrolled are proved to the satisfaction of the Council to be, or are to the knowledge of the Council, false or erroneous in any respect, the Council shall order the registrar to remove those particulars from the material part of the register or from the roll, as the case may require, or otherwise amend the register or roll, and the registrar shall thereupon amend the register or roll accordingly.
(3) The provisions of subsection (2) of this section shall apply notwithstanding that at the time when the entry in the register or roll was made the person actually possessed the qualifications particulars of which appear in the register or roll, or that at that time the entry was otherwise correct.

Cf. 1945, No. 7, s. 23 (1); 1971, No. 78, s. 26

27. Removal of name after removal overseas—(1) If the Council is satisfied that the name of a registered or enrolled nurse has, since the date of his registration or enrolment, been removed from any register or roll of nurses in the country in which his foreign degree, certificate, diploma, licence or other qualification was granted, it may, by writing under the hand of the chairman, direct his name to be removed from the register or roll, as the case may require, in New Zealand; and the name shall accordingly be removed from every part of the register in which it appears, or from the roll, as the case may require.

(2) Notice of its intention to direct any name to be removed from the register or roll pursuant to this section shall be given by the Council to the person affected, either personally or, if his address is unknown, by advertisement in such manner as the Council thinks sufficient; and his name shall not be removed from the register or roll before the expiration of one month after the date of the notice.

Cf. 1971, No. 78, s. 27

28. Change of name, and removal of name on request—(1) When it appears to the satisfaction of the Council that a registered or enrolled nurse has changed his name, or that the name of any registered or enrolled nurse is incorrectly stated in the register or roll, the registrar shall, on payment of the prescribed fee (if any), correct any entry in the register or roll relating to that nurse accordingly.

(2) No fee shall be payable where the correction of the register or roll is rendered necessary by reason of a mistake made by the Council or the registrar or any of the Council's officers or employees.

(3) The Council may at any time, if it thinks fit, on the application of any registered or enrolled nurse, cause the name of that nurse to be removed from the register or any part of the register, or from the roll, as the case may require.

Cf. 1945, No. 7, s. 23 (2); 1963, No. 56, s. 8; 1971, No. 78, s. 28
29. Amendment of register or roll to avoid duplication—
(1) If a registered general and obstetric nurse, or a registered psychiatric nurse, or a registered psychopaedic nurse, becomes registered as a comprehensive nurse, the registrar shall remove his name from the part of the register relating to general and obstetric nurses, or to psychiatric nurses, or to psychopaedic nurses, as the case may require.
(2) If a registered general nurse becomes registered as a general and obstetric nurse, or as a comprehensive nurse, the registrar shall remove his name from the part of the register relating to general nurses.
(3) If a registered obstetric nurse becomes registered as a general and obstetric nurse, or as a midwife, or as a comprehensive nurse, the registrar shall remove his name from the part of the register relating to obstetric nurses.
(4) If an enrolled nurse becomes registered as a general nurse, or as a general and obstetric nurse, or as a comprehensive nurse, the registrar shall remove his name from the roll.

30. Provisional certificates—(1) Notwithstanding anything to the contrary in this Act, where it appears to the registrar that a person who has applied for registration or enrolment is qualified for registration or enrolment, the registrar may grant to that person a provisional certificate which shall entitle him, while the certificate is in force, to practise such calling as he would have been entitled to practise if he had been registered or enrolled pursuant to the application pending consideration by the Council of that person's application.
(2) Every provisional certificate shall, unless it has been cancelled or has lapsed, remain in force for the period specified in it, not in any case exceeding 3 months, but the certificate may from time to time be renewed for a further period not exceeding 3 months.
(3) The holder of a provisional certificate shall, while the certificate is in force, be deemed for all purposes to be registered or enrolled, as the case may require, in respect of the calling specified in the certificate.
(4) The registrar may cancel any provisional certificate at any time on the direction of the Council or may, without any such direction, refuse to renew any such certificate.
Cf. 1945, No. 7, s. 23A; 1963, No. 56, s. 9; 1971, No. 78, s. 29
31. Temporary visitors to New Zealand—(1) Notwithstanding anything in this Act, if the Council is satisfied that any person is or will be visiting New Zealand for the purpose of giving instruction in nursing, and that—
(a) He is qualified for registration or enrolment under this Act; or
(b) He is the holder of a qualification granted outside New Zealand and recognised by the Council as evidence that the holder has, for the purposes of this section, sufficient knowledge of and experience in the class of nursing to which the qualification relates—
the Council may, if it thinks fit, issue to him a certificate of temporary registration or enrolment entitling him to practise the calling in respect of which he is so qualified for registration or enrolment or is the holder of a qualification, as the case may be, for such period as may be determined by the Council and specified in the certificate.

(2) Notwithstanding anything in this Act, if the Council is satisfied that any person is or will be visiting New Zealand for the purpose of obtaining experience as a nurse, or of carrying out research in nursing—
(a) In the Department of Health; or
(b) In any hospital or other institution, or in any organisation, or under other circumstances, approved by the Council for the purposes of this section,—
the Council may in its discretion, on payment of the prescribed fee (if any), issue to that person a certificate of temporary registration or enrolment if it is satisfied that—
(c) The person is qualified for registration or enrolment, as the case may require, under this Act; or
(d) The person is the holder of a qualification granted outside New Zealand and recognised by the Council as evidence that the holder has, for the purposes of this section, sufficient knowledge of and experience in the class of nursing to which the qualification relates.

(3) A temporary certificate issued under subsection (2) of this section shall entitle the person to whom it is issued to practise the calling in respect of which the certificate was issued in the Department of Health, or in the hospital, other institution, or organisation, or under the other circumstances, specified in the certificate, for such period as may be determined by the Council and be so specified.
(4) The provisions of sections 19 to 22 of this Act shall apply to every application for temporary registration or enrolment under this section.

(5) The Council may from time to time, in its discretion, extend the period specified in any certificate under this section, if it is satisfied that the circumstances in which it was issued still exist. Where any such extension is granted, the certificate shall be surrendered by the holder to the registrar who may cause the extension to be endorsed on the certificate or issue a new certificate.

(6) During the period specified in any certificate issued under subsection (1) of this section, or any extension of that period, the holder of the certificate shall, unless it has been cancelled under this section, be deemed for all purposes to be registered or enrolled, as the case may require, in respect of the calling so specified.

(7) During the period specified in any certificate issued under subsection (2) of this section, or any extension of that period, the holder of the certificate shall, unless it has been cancelled under this section, be deemed for all purposes to be registered or enrolled, as the case may require, in respect of the calling in respect of which the certificate was issued while he is practising that calling in the Department, hospital, other institution, or organisation, or under the other circumstances, specified in the certificate, but not otherwise.

(8) The registrar may cancel any such certificate at any time on the direction of the Council.

Cf. 1971, No. 78, s. 30

32. Suspension from practice for disability—(1) If it appears to the Council that—

(a) Any registered or enrolled nurse is unable, because of mental or physical disability, to practise satisfactorily the calling in respect of which he is registered or enrolled; and

(b) Because the nurse may attempt to practise that calling, it is desirable in the public interest to prevent him from doing so—

the Council may require the nurse to submit himself for a medical examination at the expense of the Council by a medical practitioner.

(2) The requirement to submit to a medical examination shall be communicated to the nurse by a notice in writing, under the hand of the chairman or registrar and served on the nurse; and the notice shall specify—
(a) The name and address of the medical practitioner by whom the Council has arranged to have the examination conducted; and

(b) The time by which the examination is to take place (being a reasonable time, and in any event being not less than 7 days, after the notice is served on the nurse).

(3) Where a medical practitioner examines a nurse pursuant to this section, the medical practitioner shall as soon as practicable after the examination make a written report to the registrar as to the mental and physical condition of the nurse so far as it affects the capacity of the nurse to practise satisfactorily the calling in respect of which he is registered or enrolled.

(4) Where—
    (a) The Council has served a notice on a nurse in accordance with subsection (2) of this section;
    (b) The time specified in the notice for the medical examination has expired, or the registrar has sooner received the written report of the medical practitioner in respect of the nurse;
    (c) In every case where the registrar has received the report, the Council has considered the report and all relevant circumstances;
    (d) The Council has given the nurse a reasonable opportunity to be heard on the matter; and
    (e) After the requirements of paragraphs (a) to (d) of this subsection have been complied with, the Council is satisfied that—
        (i) The nurse is unable, because of mental or physical disability, to practise satisfactorily the calling in respect of which he is registered or enrolled; and
        (ii) Because the nurse may attempt to practise that calling, it is necessary in the public interest to prevent him from doing so—
    the Council may suspend the nurse from practice.

(5) Any such suspension may be revoked at any time by the Council.

(6) Any such suspension, or revocation of a suspension, shall be communicated to the nurse by notice in writing, under the hand of the chairman or registrar and served on the nurse; and shall take effect on being served.
(7) While a nurse is suspended under this section from practice, he shall be deemed for the purposes of this Act, other than Part IV, not to be registered in any part of the register and not to be enrolled.

Cf. 1945, No. 7, s. 29; 1963, No. 56, s. 11; 1971, No. 78, s. 31 (1), (2), (3), (4), (5)

33. Limited practice in cases of disability—(1) Where—
(a) Paragraphs (a) to (d) of section 32 (4) of this Act have been complied with in respect of a registered or enrolled nurse; and
(b) The Council is satisfied as to the matters specified in paragraph (e) (i) of section 32 (4) of this Act, but considers that it would nevertheless not be contrary to the public interest to allow the nurse to practise his calling under the special conditions described in subsection (3) of this section—
the Council may, instead of suspending the nurse under section 32 (4) of this Act, suspend the nurse under this section from all practice of the calling in respect of which he is registered or enrolled, except practice in accordance with subsection (3) of this section.

(2) Where, in the case of a nurse who is for the time being suspended from practice under section 32 (4) of this Act, the Council considers that although the suspension should not be revoked, it would nevertheless not be contrary to the public interest to allow the nurse to practise his calling under the special conditions described in subsection (3) of this section, the Council may permit the nurse to practise the calling in respect of which he is registered or enrolled, in accordance with subsection (3) of this section, so long as the suspension remains in effect.

(3) For the purposes of subsections (1) and (2) of this section, a nurse may practise the calling in respect of which he is registered or enrolled—
(a) In a hospital or other institution; or
(b) With an organisation—
for the time being specified by the Council, and in accordance with such conditions (if any) as the Council may from time to time think fit to impose.

(4) Any suspension under this section may be revoked at any time by the Council.

(5) A suspension, or revocation of a suspension, under this section, or permission given under this section, shall be com-
communicated to the nurse by notice in writing, under the hand of the chairman or registrar and served on the nurse; and shall take effect on being served.

(6) A nurse on whom notice is served under subsection (5) of this section may practise the calling in respect of which he is registered or enrolled in accordance with subsection (3) of this section, but not otherwise.

Cf. 1945, No. 7, s. 29; 1963, No. 56, s. 11; 1971, No. 78, s. 31 (7), (8)

34. Duty to notify suspected disability—If the medical superintendent or other person in charge of any hospital or other institution or organisation in which a registered or enrolled nurse is employed has reason to believe that the nurse is unable, because of mental or physical disability, to practise satisfactorily the calling in respect of which he is registered or enrolled, the medical superintendent or other person in charge shall forthwith inform the Council of the matter, setting out the reasons for his belief.

Cf. 1945, No. 7, s. 29; 1963, No. 56, s. 11; 1971, No. 78, s. 31 (8)

35. Offences as to registration and enrolment—Every person commits an offence, and is liable on summary conviction to imprisonment for a term not exceeding 12 months, who, for the purpose of obtaining registration or enrolment under this Act (either for himself or for any other person)—

(a) Either orally or in writing, makes any declaration or representation which to his knowledge is false or misleading in a material particular; or

(b) Produces to the Council or makes use of any document knowing it to contain any such declaration or representation; or

(c) Produces to the Council or makes use of any document knowing that it is not genuine.

Cf. 1945, No. 7, s. 22; 1971, No. 78, s. 32

PART III

SCHOOLS OF NURSING AND NURSING PROGRAMMES

36. Approval of schools of nursing—(1) Subject to any regulations for the time being in force under this Act, the Council may, with the concurrence of the Minister, approve any institution controlled or maintained by any Department
of State, or by any hospital board, as a school of nursing for persons seeking to be registered in any capacity or capacities specified by the Council or for persons seeking to be enrolled.

(2) The approval of any school of nursing under this section may, in the discretion of the Council, be so limited that only a defined part of the prescribed nursing programme may be taken at that school.

(3) Subject to any regulations for the time being in force under this Act, the approval of any school of nursing by the Council may be at any time revoked by the Council with the concurrence of the Minister.

(4) If a hospital board is dissatisfied with any decision of the Council in refusing to approve the institution controlled or maintained by the board as a school of nursing, or in revoking any such approval, the board may, within 3 months after the date of the notification of the Council's decision, apply to the Administrative Division of the Supreme Court for an order that the decision of the Council be reversed; and thereupon the Court may, after having regard to any regulations for the time being in force under this Act relating to the approval of schools of nursing, make such order as it thinks just, and the Council shall be bound by the terms of the order.

(5) Nothing in this section shall prevent the enactment of regulations prescribing qualifications for registration or enrolment which do not include the undertaking of a nursing programme at a school of nursing.

(6) In this section, "institution" includes any department of an institution.

Cf. 1945, No. 7, s. 24; 1960, No. 18, s. 11; 1965, No. 35, s. 7; 1971, No. 78, s. 33

37. Inclusion of one nursing programme in another nursing programme—For the purposes of qualification for registration in any capacity under this Act, the prescribed nursing programme required to be undertaken for registration in one capacity may include a nursing programme required to be undertaken for registration in another capacity, and references in this Act to the prescribed nursing programme shall be construed accordingly:

Provided that in any such case the examinations to be prescribed for registration in any such capacity shall be
38. Credits for previous achievements—(1) Where a person has undergone, either in New Zealand or elsewhere, any period of instruction in a subject included in a nursing programme prescribed in respect of the calling in which he seeks to be registered or enrolled, the Council may from time to time, in its discretion, direct that it shall not be necessary for that person to undertake such portion or portions of the prescribed programme as the Council may determine.

(2) In giving any direction under this section, the Council may make such modifications and impose such conditions as it thinks fit in respect of the programme to be undertaken by the person in respect of whom the direction is given.

(3) Every person in respect of whom any direction has been given under this section shall, when he has completed the nursing programme as modified by any such direction and has complied with any conditions imposed by the Council under this section, be deemed for the purposes of the provisions of this Act relating to qualifications for registration or enrolment, as the case may require, to have undertaken the prescribed nursing programme.

(4) Nothing in this section shall be deemed to render it unnecessary for any person to pass any prescribed examination.

(5) This section shall be read subject to any regulations made under paragraph (i) of section 60 (1) of this Act or the corresponding provisions of any previous enactment.

Cf. 1945, No. 7, s. 25A; 1957, No. 15, s. 3; 1971, No. 78, s. 34.

39. Experimental programmes—(1) If the Council considers that it would be advantageous for a scheme to be undertaken on a trial basis, the Council may, with the approval of the Minister, by resolution adopt the scheme for such period as may be specified in the resolution and in relation to such schools of nursing as may be so specified, being schools of nursing appearing to the Council to be suitable for the purpose of carrying out the scheme.
(2) In this section, “scheme” means a nursing programme and examinations to be undergone and passed by persons seeking registration in any capacity or enrolment where either—
   (a) The programme and examinations comprising the scheme differ from, but appear to the Council to be no less efficient than, the programme and examinations prescribed for registration in that capacity or for enrolment, as the case may require; or
   (b) No programme and examinations are prescribed for registration in that capacity or for enrolment, as the case may require, but the Council considers that the programme and examinations comprising the scheme are such as to maintain proper standards of training.

(3) A scheme comprising a nursing programme and examinations adopted by a resolution of the Council under this section shall provide that, during the period for which it is adopted, persons who, to the satisfaction of the Council, undergo the programme and who pass the examinations shall, notwithstanding anything in any regulations for the time being in force under this Act, be entitled to registration in the capacity to which the scheme relates, or enrolment, as the case may require.

(4) Any scheme adopted under this section may contain such incidental and supplementary provisions (including provisions for charging fees in respect of the sitting of examinations specified in the scheme) as appear to the Council to be requisite or expedient for the purposes of the scheme.

(5) The period for which a scheme is adopted under this section may from time to time, with the approval of the Minister, be extended by resolution of the Council for such period as may be specified in the resolution.

(6) Any scheme adopted under this section may from time to time, with the approval of the Minister, be extended by resolution of the Council to apply to any other school or schools of nursing specified in the resolution.

PART IV

DISCIPLINE

40. Complaints against nurses—(1) Except as otherwise provided by rules made under section 12 of this Act, every person who seeks to complain to the Council of the conduct of any registered or enrolled nurse shall make the complaint to the registrar.
(2) Every such complaint (other than a complaint made by a Court) shall be in writing.

(3) When the registrar has received any complaint under this section, he shall notify the convener of the Penal Cases Committee of the complaint; and the convener may require that the complaint be supported by such statutory declarations as he may require, or decide that the matter need not proceed further, or forthwith proceed in accordance with section 41 of this Act.

(4) If the convener decides that the matter need not proceed further, he shall report the substance of the complaint and the reasons for his decision to the other members of the Penal Cases Committee.

(5) Without limiting the provisions of subsection (1) of this section, a complaint may be made under this section by any person in the service of the Crown acting in his official capacity.

Cf. 1971, No. 78, s. 37

41. Penal Cases Committee to investigate complaints—

(1) Except where the convener of the Penal Cases Committee decides that the matter need not proceed further, the convener shall, upon being notified of the complaint in accordance with section 40 of this Act, and having received any statutory declarations that he may require, cause the Penal Cases Committee to investigate the complaint and determine whether any further action shall be taken in respect of it.

(2) Before the Penal Cases Committee decides whether or not further action shall be taken in respect of the complaint—

(a) The convener shall post or deliver to the nurse concerned a notice specifying the substance of the complaint with sufficient particularity to enable that nurse to answer it and inviting him within such period (being not less than 14 days) as may be specified in the notice, to give the convener any written explanation he may wish to offer and to advise the convener if he wishes to be heard by the committee; and

(b) The Penal Cases Committee shall allow the time specified in the notice to elapse, and shall give the nurse concerned reasonable opportunity to be heard, either personally or by counsel or otherwise, and shall give due consideration to any explanation made.
(3) Where at the conclusion of any such investigation the majority of the Penal Cases Committee considers that further inquiry should be made by the Council in relation to the subject-matter of the complaint, the committee shall frame an appropriate charge and refer it to the chairman of the Council who shall thereupon convene a meeting of the Council for the purpose of hearing the charge.

(4) Every charge that is referred to the chairman of the Council pursuant to subsection (3) of this section shall be prosecuted at the hearing by the Penal Cases Committee, and the committee and the nurse against whom the charge has been made may for that purpose be represented by counsel or otherwise.

(5) No member of the Penal Cases Committee shall act as a member of the Council or of any other committee of the Council at the hearing of, or deliberation and adjudication on, any charge arising out of a complaint which has been referred to the Penal Cases Committee under this section.

(6) Notwithstanding anything in subsections (1) to (5) of this section, if any member of the Penal Cases Committee has reason to believe that a registered or enrolled nurse might have been guilty of professional misconduct, the committee may investigate the matter of its own motion, without any complaint under section 40 of this Act having been made, and subsections (2) to (5) of this section shall apply in any such case with any modifications that may be necessary.

Cf. 1971, No. 78, s. 38

42. Disciplinary powers of Council—(1) If any registered or enrolled nurse—

(a) Is convicted by any Court in New Zealand of any offence for which the maximum punishment is not less than 2 years' imprisonment; or

(b) After due inquiry is found by the Council to have been guilty of professional misconduct,—

the Council may, if it thinks fit, impose in respect of that nurse any one of the penalties specified in subsection (2) of this section:

Provided that if the Council suspends or censures a nurse, it may also fine him under paragraph (c) of that subsection.

(2) Where the Council is empowered to impose a penalty on any nurse, it may by writing under the hand of the chairman—

(a) Subject to subsection (4) of this section, order the name of that nurse to be removed from the register
or roll, as the case may require, and subject to the provisions of this Act, that nurse shall thereupon cease to be registered or enrolled accordingly:

(b) Subject to subsection (4) of this section, order that the nurse be suspended from practice for a period not exceeding 12 months:

(c) Impose a fine on the nurse not exceeding $100:

Provided that no such fine may be imposed under this paragraph in any case where the Council is proceeding under paragraph (a) of subsection (1) of this section, or where the Council is inquiring into any act or omission which constitutes an offence for which the person has been convicted by any Court and which is punishable by imprisonment or fine:

(d) Order that the nurse be censured.

(3) The Council may, by writing under the hand of the chairman, order any such nurse to pay any costs and expenses of and incidental to the inquiry by the Council and any investigation made by the Penal Cases Committee.

(4) A person shall not be suspended from practice, nor shall the name of any person be removed from the register or roll under paragraph (a) of subsection (1) of this section by reason of any offence committed before the date of his registration or enrolment, as the case may be, if at that date the Council was aware of his conviction in respect of the offence.

(5) If any university or institution, having granted to any person a degree, certificate, diploma, licence, or other qualification that may be entered on the register or roll under this Act, exercises any power conferred by law of removing the name of that person from the rolls or register in which the degree, certificate, diploma, licence, or other qualification is recorded and notifies to the Council the fact of the removal,—

(a) The registrar shall make a note of the fact in the register or roll, as the case may require; and

(b) If the university or institution notifies to the Council the findings of fact on which the decision to remove the name was based, the findings may (if the Council thinks fit) be treated for the purposes of any inquiry under this section as conclusive evidence of the facts found.

(6) Every fine imposed, and all costs and expenses payable, under this section shall be recoverable as a debt due to the Council.
Subject to subsection (11) of this section, while any order of suspension from practice under this section remains in force, the person shall be deemed for the purposes of this Act, other than this Part, not to be registered or enrolled; but forthwith on the expiry of the order his rights and privileges as a registered or enrolled person shall be revived as from the date of the expiry.

Subject to subsections (9) and (10) of this section, any person whose name has been removed from any part of the register or from the roll under this section, or from the corresponding register under the corresponding provisions of any previous enactment, may apply to the Council for the restoration of his name to the register or roll, as the case may be; and the provisions of sections 19 to 22 of this Act shall, so far as they are applicable and with the necessary modifications, apply in respect of every such application.

In any order under this section directing the name of any person to be removed from the register or roll, the Council, and (in the event of an appeal against any such order) the Supreme Court, may fix a time after which the person whose name is so removed may apply to have his name restored to the register or roll, as the case may be.

If neither the Council nor the Supreme Court fixes any such time, the Council may refuse to consider any such application for such time as it thinks fit.

In any case where a person is registered in more than one part of the register, an order that his name be removed from the register or that he be suspended from practice may be limited to a specified part or specified parts of the register or to a specified calling or specified callings, as the case may require; and subsections (4), (7), (8), (9), (10), and (12) of this section shall apply to any such order with such modifications as may be necessary.

An order that the name of a person be removed from the register or roll, or an order of suspension or censure, shall not take effect, and no fine or costs or expenses shall be payable, in any case until the expiry of a period of 28 days after the notification by the Council to the person affected of the making of the order. If within the said period of 28 days the person gives due notice of appeal, the order shall not take effect, and no fine or costs or expenses shall be payable, unless and until it is confirmed by the Supreme Court or the appeal is withdrawn or for any reason dismissed by that Court.

43. Procedure—(1) Before the Council exercises any power under section 42 of this Act, there shall be served on the person concerned a notice containing a copy of the charge framed by the Penal Cases Committee, or if there is no such charge, a notice stating that the Council has reason to believe that a ground exists entitling the Council to exercise its powers under that section, specifying the ground with sufficient particularity to enable the person to answer the same. Every such notice shall specify the time, date, and place for the hearing of the matter by the Council.

(2) A notice under subsection (1) of this section may require the person to whom it is addressed to notify the Council in writing, not later than some specified date before the date proposed for the hearing of the matter, as to whether or not he intends to appear before the Council at the hearing. If he fails to notify his intention as required by the notice or notifies the Council that he does not intend to appear, he shall not be entitled to appear and be heard except by leave of the Council granted on such conditions as to the payment of costs or otherwise as the Council thinks fit.

(3) With the prior written consent of a person on whom a notice has been served under this section, and who has notified the Council that he intends to appear, a committee of the Council may hear and determine the matter:

Provided that the determination of the committee shall be of no effect until it has been confirmed by the Council, which shall have power to determine—

(c) To reduce any period of suspension of registration or enrolment or any fine; or

(d) To substitute a fine for a period of suspension; or

(e) To substitute a censure for any of the said penalties; or

(g) To rescind or modify any order to pay costs and expenses.
(4) Sections 44 to 48 of this Act shall apply in respect of any proceedings before a committee under subsection (3) of this section as if they were proceedings before the Council, and for that purpose the committee and the chairman of the committee shall have the powers and discretions respectively conferred on the Council and the chairman of the Council by sections 45, 47, and 48 of this Act.

(5) In all proceedings under this Part of this Act, the Council shall observe the rules of natural justice, and may receive evidence notwithstanding that it would not be admissible in a Court of law.

and give evidence before it at any inquiry or investigation under this Act, and to produce all books and documents in that person's custody or under his control relating to the subject-matter of any such inquiry or investigation.

(2) The Council or Penal Cases Committee may require any such evidence to be given on oath, and either orally or in writing, and for that purpose the chairman of the Council or the convener of the Penal Cases Committee, as the case may require, may administer an oath to any person.

(3) Every person who, without lawful justification, refuses or fails to give evidence when summoned to do so by the Council or the Penal Cases Committee or to answer truly and fully any question put to him by the Council or committee, or to produce to the Council or committee any book or document required of him, commits an offence and is liable on summary conviction to a fine not exceeding $100.

Cf. 1971, No. 78, s. 42

46. Immunity of witnesses and counsel—Witnesses and counsel shall have the same privileges and immunities in relation to inquiries and investigations before the Council or the Penal Cases Committee, as if they were proceedings in a Court of law.
