Title. AN ACT to amend "The Public Domains Act, 1881."  
[18th October, 1895.]

Preamble. WHEREAS certain lands known as Hagley Park and the Government Domain were specified in the Schedule to "The Canterbury Public Domains Act, 1872," and were brought under the operation of the said Act by a certain Ordinance of the Superintendent and Provincial Council of Canterbury, intituled "The Public Domains Ordinance, 1872," Session XXXVIII., No. 2: And whereas by "The Public Domains Act, 1881," the said Act and Ordinance were repealed, and by section three thereof it was enacted that all lands which from time to time had been brought under the operation of any of the Acts or Ordinances thereby repealed, and at the time of the passing of the Act were subject thereto, should be subject to the provisions of that Act: And whereas copies of the said Ordinance are not admissible as evidence of provincial laws owing to the omission thereon of an impressed note of the fact of such copies having been printed under the authority of the Government of the Province by the Printer for the time being of such Government, and difficulties exist in adducing evidence of the said Ordinance: And whereas by "The Christchurch Hospital Act, 1887," certain lands described in the Schedule thereto, and forming part of the lands specified in the Schedule to "The Canterbury Public Domains Act, 1872," and subject to the provisions of "The Public Domains Act, 1881," were vested in and transferred to the Board of the North Canterbury Hospital District for the purposes and subject as therein mentioned: And whereas by "The Christchurch Hospital Act 1887 Amendment Act, 1893," section three of "The Christchurch Hospital Act, 1887," was repealed, so far as it related to certain lands described in the Schedule to the said Amendment Act, and the said land was vested in the said Board of the North Canterbury Hospital District for the purposes and subject as therein mentioned: And whereas owing to the difficulties aforesaid, and to the passing of the said Acts, it is

expedient that the lands specified in the Schedule to "The Canterbury Public Domains Act, 1872," and such part of them as are subject to the provisions of "The Public Domains Act, 1881," should be particularly described and specified:
