“(2) If no reply is received to that letter within three months from the posting thereof, or if the letter is not delivered and is returned to the Director-General of Health, the Director-General shall, if the Board so directs, remove from the register the name of the plumber to whom the letter was sent.

“(3) If any registered plumber applies to the Director-General of Health to have his name removed from the register, the Director-General shall, if the Board so directs, remove the name from the register accordingly.

“(4) Any person whose name has been removed from the register in pursuance of this section may apply to the Director-General of Health to have his name restored to the register, and on payment of the prescribed fee his name shall be restored to the register accordingly.”
