Title.

AN ACT to Provide for the Sale, Reservation, and Other Disposition of Certain Reserves, Crown Lands, Endowments, and Other Lands, to Validate Certain Transactions, and to Make Provision in Respect of Certain Other Matters. [21st October, 1949

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Reserves and Other Lands Disposal Act, 1949. Short Title.

2. Whereas by a Proclamation dated the seventeenth day of December, eighteen hundred and eighty-one, and registered in the Land Registry Office at Auckland as Number 607 (in this section referred to as the Proclamation), certain land in the City of Hamilton was taken for the purpose of the Waikato-Thames Railway: And whereas in January, nineteen hundred and four, certain adjoining land was subdivided, and the subdivisional plan thereof deposited in the said Land Registry Office as Number 3198: And whereas the various lots on the said plan have been sold and certificates of title over them have been issued to various purchasers in accordance with the plan: And whereas it has subsequently been discovered that the common boundary between the land included in the Proclamation and that shown on the plan is not correct and that certain land shown on the plan as freehold land is also included in the Proclamation as railway land and certain freehold land not included in the plan but shown as adjoining railway land was not included in the Proclamation and is not in fact railway land: And whereas to rectify the position it is desirable and expedient to amend the boundary of the land taken by the Proclamation so that the said boundary coincides with the boundary of the land included in the plan: Be it therefore enacted as follows:—

Adjusting the boundary between portion of the Waikato-Thames Railway and certain freehold land, and validating certain certificates of title.

(1) The south-eastern boundary of the land taken by the Proclamation, commencing from the point of intersection of the said boundary with River Road in the City of Hamilton and continuing in a north-easterly direction to its point of intersection with Heaphy Terrace in the same city, shall be deemed to be and to have always been that shown as the north-western boundary on the said plan as redefined by later surveys and shown on plans deposited in the Land Registry Office at Auckland under Numbers 3978, 7000, 13040, 14251, and 28995.

(2) The certificates of title issued in accordance with the said plan are hereby validated and declared to have been properly issued.

(3) The District Land Registrar of the Land Registration District of Auckland is hereby authorized and directed to make such entries in the register books and to do all such other things as may be necessary to give effect to the provisions of this section.

Validating a certain payment made by the Moana Domain Board. 1934, No. 17

(3) If at any time within five years after the date specified in any Proclamation issued under this section the registered proprietor or licensee or any other person having any estate or interest in any land to which the Proclamation relates adduces satisfactory evidence of his title to or interest in that land he shall be entitled to claim compensation for his interest therein. The amount of any such compensation shall in every case be determined by the Land Settlement Board, and on any such determination shall, without further appropriation than this section, be paid out of the Land Settlement Account established under the provisions of the Land Act, 1948:

Provided that in no case shall the amount of compensation awarded under this section exceed the unimproved value, as determined by the said Board, of the land as at the date specified in the Proclamation affecting the same, together with the value as at that date and as determined by the said Board of any improvements then existing on the land and effected by the claimant or at his expense.
