18. Special provisions relating to Lake Horowhenua—Whereas under the authority of the Horowhenua Block Act 1896, the Maori Appellate Court on the twentieth day of September, eighteen hundred and ninety-eight, made an Order determining the owners and relative shares to an area of thirteen thousand one hundred and forty acres and one rood, being part of the Horowhenua XI Block: And whereas the said area includes the Horowhenua Lake (as shown on the plan lodged in the office of the Chief Surveyor at Wellington under Number 15699), a one chain strip around the lake, the Hokio Stream from the outlet of the lake to the sea, and surrounding land: And whereas certificate of title, Volume 121, folio 121, Wellington Registry, was issued in pursuance of the said Order: And whereas by Maori Land Court Partition Order dated the nineteenth day of October, eighteen hundred and ninety-eight, the lake was vested in trustees for

the purposes of a fishing easement for all members of the Muaupoko Tribe who might then or thereafter own any part of the Horowhenua XI Block (in this section referred to as the Maori owners): And whereas the minutes of the Maori Land Court relating to the said Partition Order recorded that it was also intended to similarly vest the one chain strip around the lake, the Hokio Stream from the outlet of the lake to the sea, and a one chain strip along a portion of the north bank of the said stream, but this was not formally done: And whereas the Horowhenua Lake Act 1905 declared the lake to be a public recreation reserve under the control of a Domain Board (in this section referred to as the Board) but preserved fishing and other rights of the Maori owners over the lake and the Hokio Stream: And whereas by section ninety-seven of the Reserves and Other Lands Disposal and Public Bodies Empowering Act 1916 the said one chain strip around the lake was made subject to the Horowhenua Lake Act 1905, and control was vested in the Board: And whereas subsequent legislation declared certain land adjoining the said one chain strip, and more particularly firstly described in subsection thirteen of this section, to form part of the recreation reserve and to be under the control of the Board: And whereas as a result of drainage operations undertaken some years ago on the said Hokio Stream the level of the lake was lowered, and a dewatered area was left between the margin of the lake after lowering and the original one chain strip around the original margin of the lake: And whereas this lowering of the lake level created certain difficulties in respect of the Board's administration and control of the lake, and in view of the previous legislation enacted relating to the lake, doubts were raised as to the actual ownership and rights over the lake and the one chain strip and the dewatered area: And whereas a Committee of Inquiry was appointed in 1934 to investigate these problems: And whereas the Committee recommended that the title to the land covered by the waters of the lake together with the one chain strip and the said dewatered area be confirmed by legislation in ownership of the trustees appointed in trust for the Maori owners: And whereas certain other recommendations made were unacceptable to the Maori owners, and confirmation of ownership and further appointment of a Domain Board lapsed pending final settlement of the problems affecting the lake: And whereas by Maori Land Court Order dated the eighth day of August, nineteen hundred and fifty-one, new trustees were appointed for the part of Horowhenua XI Block in the place of the original trustees,

then all deceased, appointed under the said Maori Land Court Order dated the nineteenth day of October, eighteen hundred and ninety-eight: And whereas agreement has now been reached between the Maori owners and other interested bodies in respect of the ownership and control of the existing lake, the said one chain strip, the said dewatered area, the said Hokio Stream and the chain strip on a portion of the north bank of that stream, and certain ancillary matters, and it is desirable and expedient that provision be made to give effect to the various matters agreed upon: Be it therefore enacted as follows:

owners or any of them, are hereby declared to be and to have always been owned by the Maori owners, and the said bed of the stream and the said strip of land are hereby vested in the trustees appointed by Order of the Maori Land Court dated the eighth day of August, nineteen hundred and fifty-one, in trust for the said Maori owners.

(4) Notwithstanding the declaration of any land as being in Maori ownership under this section, there is hereby reserved to the public at all times and from time to time the free right of access over and the use and enjoyment of the land fourthly described in subsection thirteen of this section.

(5) Notwithstanding anything to the contrary in any Act or rule of law, the surface waters of the lake together with the land firstly and fourthly described in subsection thirteen of this section, are hereby declared to be a public domain subject to the provisions of Part III of the Reserves and Domains Act 1953:

Provided that such declaration shall not affect the Maori title to the bed of the lake or the land fourthly described in subsection thirteen of this section:

Provided further that the Maori owners shall at all times and from time to time have the free and unrestricted use of the lake and the land fourthly described in subsection thirteen of this section and of their fishing rights over the lake and the Hokio Stream, but so as not to interfere with the reasonable rights of the public, as may be determined by the Domain Board constituted under this section, to use as a public domain the lake and the said land fourthly described.

(6) Nothing herein contained shall in any way affect the fishing rights granted pursuant to section nine of the Horowhenua Block Act 1896.

(7) Subject to the provisions of this section, the Minister of Lands shall appoint in accordance with the Reserves and Domains Act 1953 a Domain Board to control the said domain.

(9) Notwithstanding anything in the Land Drainage Act 1908, the Soil Conservation and Rivers Control Act 1941, or in any other Act or rule of law, the Hokio Drainage Board constituted pursuant to the said Land Drainage Act 1908 is hereby abolished, and all assets and liabilities of the said Board and all other rights and obligations of the said Board existing at the commencement of this Act shall vest in and be assumed by the Manawatu Catchment Board, and until the said Catchment Board shall have completed pursuant to the Soil Conservation and Rivers Control Act 1941 a classification of the lands previously rated by the said Drainage Board, the said Catchment Board may continue to levy and collect rates in the same manner as they have hitherto been levied and collected by the said Drainage Board.

(10) The Manawatu Catchment Board shall control and improve the Hokio Stream and maintain the lake level under normal conditions at thirty feet above mean low water spring tides at Foxton Heads:

Provided that before any works affecting the lake or the Hokio Stream are undertaken by the said Catchment Board, the prior consent of the Domain Board constituted under this section shall be obtained:

(1) The reservation for cemetery purposes of the land described in subsection six of this section is hereby revoked, and the said land is hereby declared to be vested in the Corporation freed and discharged from all trusts, reservations, and restrictions heretofore affecting the same.

(5) The District Land Registrar for the Land Registration District of Otago is hereby authorised and directed to make such entries in the register books, to deposit such plans, to accept such documents for registration, and to do all such other things as may be necessary to give effect to the provisions of this section.

(6) The land to which this section relates is particularly described as follows:

All that area in the Otago Land District, being Lot 1, D.P. 8780, being part Cemetery Reserve situated in Block XVII, Town of Balclutha, containing two acres two roods twenty-two perches and five-tenths of a perch, more or less, and being part of the land comprised and described in certificate of title, Volume 319, folio 75, Otago Registry: as shown on the plan marked L. and S. 2/632, deposited in the Head Office, Department of Lands and Survey, at Wellington, and thereon edged green.

20. Amending section 5 (3) of the Paritutu Centennial Park Act 1938 in respect of certain lands adjacent to the park—Whereas the Taranaki Harbour Board (in this section referred to as the Board) is the owner of all the lands abutting on the road known as Paritutu Crescent, excepting the areas described in the First Schedule to the Paritutu Centennial Park Act 1938: And whereas the Board holds part of such first-mentioned lands (in this section referred to as the said lands) in trust for the construction and maintenance of such docks, piers, and other works as may be deemed advisable by the Board for facilitating the trade and commerce of the City of New Plymouth, and another part of the said lands in trust for the construction and maintenance of a harbour or breakwater or any other works for the accommodation of vessels, or for facilitating the loading and shipping of goods and passengers at or near the City of New Plymouth: And whereas the said lands are not required for the aforesaid purposes: And whereas the Board proposes to subdivide from time to time the said lands into allotments with a view to leasing the same: And whereas subsection three of section five of the Paritutu Centennial Park Act 1938 provides that the District Land Registrar shall refuse to register any instrument affecting any allotment or subdivision of the said lands until Paritutu Crescent aforesaid has been formed to proper county standards in terms of the Public Works Act 1928: And whereas it is considered that it is in the interests of the district that

the said allotments be made available, but it is unnecessary and uneconomic for the Board to comply strictly with the provisions imposed by the said subsection three of section five of the Paritutu Centennial Park Act 1938, and it is considered sufficient that the Board should only be required to comply with the provisions of the said subsection three so as to ensure that before any instrument affecting any allotment referred to in the said subsection three is registered the Board has complied with the requirements imposed by the said subsection three in respect of:

- (a) That part of Paritutu Crescent from Ngamotu Road to the farthest point of the western boundary of such allotment if such allotment abuts on Paritutu Crescent and does not abut on any other street or road;
or
- (b) From Ngamotu Road aforesaid to the farthest point of the western boundary of the junction with Paritutu Crescent of any street or road leading from Paritutu Crescent to such allotment, whether or not such allotment abuts on Paritutu Crescent:

Be it therefore enacted as follows:

(1) Subsection three of section five of the Paritutu Centennial Park Act 1938 is hereby amended by omitting the words "or subdivision".

(2) Subsection three of section five of the Paritutu Centennial Park Act 1938 is hereby further amended by omitting the words "in respect of the lands by this section vested in His Majesty the King for the purposes of a public road", and substituting therefor the words "in respect of that part of the lands by this section vested in His Majesty the King for the purposes of a public road from:

- "(a) The Ngamotu Road to the farthest point of the western boundary of such allotment, if such allotment abuts on Paritutu Crescent and does not abut on any other street or road; or
- "(b) From Ngamotu Road to the farthest point of the western boundary of the junction with Paritutu Crescent of any street or road leading from Paritutu Crescent to such allotment whether or not such allotment abuts on Paritutu Crescent."

(3) Nothing in the foregoing provisions of this section shall be construed to release the Board from the obligations in respect of the portion of Paritutu Crescent referred to as Eden Street in section fifteen of the Reserves and Other Lands Disposal Act 1955, which would otherwise have been imposed

upon it by the provisions of subsection five of section one hundred and twenty-five of the Public Works Act 1928, nor affect the obligations of the Board under the Land Subdivision in Counties Act 1946 in respect of any subdivision, nor to release the Board from its obligations to form to the standard required by the Taranaki County Council any other portion of Paritutu Crescent along the frontage of which further subdivision shall be made by the Board.

(4) On being satisfied that the Board has complied with the provisions of subsection five of section one hundred and twenty-five of the Public Works Act 1928 in respect of that part of Paritutu Crescent from Ngamotu Road to the farthest point of the western boundary of any allotment referred to in the said subsection three of section five of the Paritutu Centennial Park Act 1938 if such allotment abuts on Paritutu Crescent and does not abut on any other street or road, or from Ngamotu Road aforesaid to the farthest point of the western boundary of the junction with Paritutu Crescent of any street or road leading from Paritutu Crescent to such allotment, whether or not such allotment abuts on Paritutu Crescent, the District Land Registrar for the Land Registration District of Taranaki is hereby authorised and directed to deposit such plans, to accept such documents for registration, to make such entries in the register books in respect of the said lands, and to do all such other things as may be necessary to give effect to the provisions of this section.
