“Provided that the annual retiring allowance of a contributor to whom this section applies by reason only of this subparagraph shall be reduced as provided in subsection (6) of this section:

“(c) Every female contributor whose contributory service commenced before the first day of April, nineteen hundred and sixty-two, and to whom this section is applied by her controlling authority, being—

“(6) In any case where this section applies to any female contributor by reason only of the operation of subparagraph (iv) of paragraph (a), or subparagraph (iv) of paragraph (b), of subsection (5) of this section, the annual retiring allowance which the contributor is entitled to receive from the Fund after her retirement from the Government service shall be computed as provided in subsection (1) of this section, except that the amount of the said annual retiring allowance shall be reduced by an amount equal to half of the amount of the actuarial reduction necessary to ensure that

the burden cast on the Fund because this section so applies to that contributor is the same as the burden that would have been cast on the Fund if this section had not so applied to that contributor.

“(7) In the case of any contributor to whom this section applies by virtue of paragraph (f) of subsection (3) of this section, and of every contributor to whom this section applies by virtue of paragraph (c) of subsection (5) of this section, the Board may impose such terms and conditions, whether as to payments into the Fund, reduction of annual retiring allowance as that allowance is computed under this section, or otherwise, as the Board thinks fit.

“(8) The Board may, in its discretion, review any determination made before the commencement of this Act by the Teachers’ Superannuation Board in so far as it effected a reduction in the retiring allowance payable to a contributor to the Teachers’ Superannuation Fund who retired after attaining the age of sixty years but before he had completed forty years’ service.

“(9) For the purposes of this section, a person whose Government service was interrupted for any term which included any part of the period commencing with the first day of April, nineteen hundred and sixty-one, and ending with the first day of April, nineteen hundred and sixty-two, but whose Government service is deemed under subsection (4) of section 11, or under section 27, of this Act not to have been so interrupted, shall be deemed to have received, as a result of the Government Service Equal Pay Act 1960, a benefit by way of either an increase in salary or an increase in salary maximum that became effective on or before the last-mentioned date, if she resumes or has resumed duty in the Government service in a position in which, in the opinion of her controlling authority, she would have received such a benefit if she had held the position throughout the said period.”

(2) The following enactments are hereby consequentially repealed:

- (a) Subsection (1) of section 26 of the Police Act 1958:
- (b) Subsection (3) of section 5, section 9, and subsection (2) of section 26, of the Superannuation Amendment Act 1959.

9. Retiring allowance where contributor medically unfit for further duty—Section 36 of the principal Act is hereby amended by repealing subsection (3), and substituting the following subsection:

“(3) The provisions of subsection (2) of this section shall not apply to any contributor after the contributor has attained the age of sixty years.”

10. Increasing allowance for dependent widower—Section 37 of the principal Act is hereby amended by repealing subsection (1), and substituting the following subsection:

“(1) Where any contributor to the Fund retires from the Government service as medically unfit for further duty in consequence of injuries suffered by that contributor in the execution of his or her duty, or where the death of a contributor is directly attributable to injuries suffered by the contributor in the execution of his or her duty, if the Board is of opinion that the retiring allowance payable to the contributor or any annuity payable to the widow or any dependent widower or other dependant of the contributor is not sufficient, the Board may increase the retiring allowance or annuity to such amount as the Board considers fair and equitable.”

11. Election to continue contributory service after retirement—The principal Act is hereby amended as from its commencement by omitting from subsection (4) of section 43 the words “the salary on the basis of which he was contributing immediately before his retirement”, and substituting the words “such salary as the Board may from time to time determine”.

12. Death of female contributor—(1) Section 46 of the principal Act is hereby amended by inserting in paragraph (a) of subsection (1), after the word “husband” where it first appears, the words “who in the opinion of the Board was neither totally nor partially dependent on her immediately before her death”.

(2) Section 46 of the principal Act is hereby further amended by inserting, after paragraph (a) of subsection (1), the following paragraphs:

“(aa) If she leaves a husband who in the opinion of the Board was totally or partially dependent on her immediately before her death, there shall be paid out of the Fund to the widower at his election, either—

“(i) An annuity during his widowhood at one half of the rate of the retiring allowance to which the deceased contributor was entitled at the date of her death if she died after her retirement

or, if she died before retirement, to which she would have been entitled if she had retired on the date of her death on the ground of being medically unfit for further duty, disregarding in either case the effect of any election made under section 40 or section 48 of this Act, or at the rate of one hundred and thirty pounds a year, whichever is the greater; or

“(ii) The amount of the deceased contributor’s contributions to the Fund, less any sums received by her from the Fund in her lifetime:

“Provided that if the marriage took place after the contributor became entitled to a retiring allowance or after the thirty-first day of December, nineteen hundred and forty-eight, whichever is the later, there shall be paid out of the Fund to the widower the amount of the deceased contributor’s contributions to the Fund, less any sums received by her from the Fund in her lifetime:

“Provided also that if the widower remarries after becoming entitled to an annuity under this paragraph the annuity shall not be payable while he is married, but if he again becomes a widower the annuity shall be payable during his subsequent widowhood; but no person shall by virtue of this proviso be entitled to more than one annuity under this Act:

“(ab) Any such election shall be made by the widower in writing delivered to the Superintendent, and shall be deemed to be final when the first payment from the Fund is accepted by him.”

(3) Subsection (3) of section 51 of the principal Act is hereby consequentially amended—

(a) By inserting, after the words “the total annual amount of” where they secondly appear, the words “the widower’s annuity and”:

“Provided that, with the consent of the Service Board, this subsection shall cease to apply in any case where the period of desertion or absence without leave has terminated or in the case of a deceased permanent member is deemed by the Service Board to have terminated before his death.”

14. Capitalisation of retiring allowance—Section 91 of the principal Act is hereby amended by inserting, after subsection (1), the following subsection:

“(1A) Where a contributor is within three months of ceasing duty in the Government service, whether or not he will remain in the Government service on leave for a period after he ceases duty, he shall be entitled to anticipate his right to make an election under subsection (1) of this section to the extent of one-half of what is permitted under that subsection on condition that, between the date on which he receives any sum in anticipation under this subsection and the date on which he would be entitled to make an election under the said subsection (1), he shall pay interest to the Fund at such rate as the Board may determine on any sum which he so receives in anticipation, which interest shall be recoverable as a debt due to the Crown, and may be deducted from any retiring allowance payable to the contributor or any annuity payable to the widow or widower of the contributor:

“Provided that an election by a contributor under this subsection shall not prevent his making a further election under the said subsection (1) so far as he has not anticipated his rights as aforesaid.”

15. Saving—Nothing in this Act shall affect any retiring allowance or annuity or refund which became payable under the principal Act before the commencement of this Act, and the principal Act shall apply to all such allowances and annuities and refunds as if this Act not been passed.

PART II

16. Commencement—This Part of this Act shall come into force on the twenty-first day of March, nineteen hundred and sixty-three.

17. Interpretation—In this Part of this Act, unless the context otherwise requires,—

“Member of the Prisons Service” means any employee of the Prisons Division of the Department of Justice; but does not include any such employee who is occupying a position which in the opinion of the controlling authority does not carry any custodial or supervisory responsibility over inmates; and “Prisons Service” has a corresponding meaning:

“Police” means the Police of New Zealand within the meaning of the Police Act 1958.

18. Contributors—(1) Every person who at any time after the commencement of this Part of this Act becomes a member of the Police or of the Prisons Service shall be a contributor to the Fund subject to this Part of this Act:

Provided that any temporary employee who has obtained the approval of the relevant controlling authority shall not be required to be a contributor to the Fund.

(2) Any member of the Police or of the Prisons Service who at the commencement of this Part of this Act is not a contributor may elect to become a contributor subject to this Part of this Act at any time before the first day of October, nineteen hundred and sixty-three:

Provided that any such member who has not made an election before that date shall not, while he remains a member, be entitled to become a contributor.

(3) Every member of the Police or of the Prisons Service who is or becomes a contributor shall remain a contributor subject to the provisions of this Part of this Act during such time as he remains a member of the Police or of the Prisons Service.

(4) Nothing in section 28 of the principal Act shall apply to a member of the Police or of the Prisons Service.

Cf. 1958, No. 109, s. 18

19. Rate of contribution—The contribution to be made by a member of the Police or of the Prisons Service shall be in accordance with the scale set out in the Schedule to this Act and shall be deducted from his salary as the salary becomes payable from time to time.

Cf. 1958, No. 109, s. 19

20. Rates of contribution by existing contributors—The rate of contribution payable in respect of future service in the Police or the Prisons Service by any member of the Police or of the Prisons Service who is a contributor to the Fund at the commencement of this Part of this Act shall be the appropriate rate payable under this Part of this Act having regard to his age at the date of the commencement of his contributory service.

Cf. 1958, No. 109, s. 20

21. Computation of contributory service—(1) Subject to the provisions of this Part of this Act, for the purposes of computing the length of contributory service of a member of the Police or of the Prisons Service, every complete year of service in the Police or the Prisons Service shall be deemed to be one year and one-seventh:

Provided that where the contributory service of a member commenced before he attained the age of twenty-five years, every complete year of service in the Police or the Prisons Service shall, if necessary, be deemed to be increased by such proportion of a year, being less than one-seventh, as would entitle the member, having regard to his age at the commencement of his contributory service, to forty years contributory service at the age of sixty years if his contributory service had all been in the Police or the Prisons Service:

Provided also that every fraction of a year of contributory service in the Police or the Prisons Service shall, for the purpose of computing the length of contributory service, be deemed to be increased proportionately in accordance with this subsection.

(2) Notwithstanding the provisions of subsection (1) of this section, any member of the Police or of the Prisons Service shall not on retirement be deemed to have completed more than forty years of contributory service during the period before the commencement of this Part of this Act unless his actual period of contributory service during that period is longer than forty years.

(3) Where a period of contributory service is partly in the Police or the Prisons Service and partly outside those branches of the Government service, only the period served in those branches of the Government service shall be computed in accordance with subsection (1) of this section.

(4) Nothing in this section shall apply to the computation of any period of contributory service unless the contributor is a member of the Police or the Prisons Service at the date of his death or retirement.

Cf. 1958, No. 109, s. 21

22. Transfer to or from other branches of Government service—(1) Where a contributing member of the Police or of the Prisons Service transfers from the Police or the Prisons Service to another branch of the Government service, the rate of contribution payable in respect of his service in that branch shall be the appropriate rate payable under the principal Act having regard to his age at the date of the commencement of his contributory service. In any such case any period of service in the Police or the Prisons Service shall be computed as if that service were ordinary contributory service in the branch to which the contributor transfers and he shall be entitled to a refund of an amount equal to the difference between his actual contributions and the contributions he would have paid if he had been employed in that branch during his service in the Police or the Prisons Service

(2) Where a contributor transfers from another branch of the Government service to the Police or the Prisons Service, the rate of contribution payable by him in respect of his service in the Police or the Prisons Service shall be the appropriate rate payable under this Part of this Act, having regard to his age at the date of the commencement of his contributory service.

Cf. 1958, No. 109, s. 22

23. Reimbursement of Fund—(1) There shall be paid to the Fund out of money appropriated by Parliament for the purpose such sum as is certified by the Government Actuary as being equal to the difference between the amount paid as contributions to the Fund by contributors who were members of the Prisons Service at the commencement of this Part of this Act and the amount that would have been paid by those contributors if this Part of this Act had been in force when the contributions were made.

(2) The amount certified under subsection (1) of this section may be paid to the Fund by instalments as approved by the Minister of Finance.

(3) The annual instalments that would have been payable to the Fund pursuant to section 23 of the Police Act 1958 had that section not been repealed shall continue to be payable as if that section were still in force.

Cf. 1958, No. 109, s. 23

24. No election to contribute in respect of certain employment—A member of the Police or of the Prisons Service contributing to the Fund under this Part of this Act may not, without the consent of the relevant controlling authority and except on such terms and conditions as may be prescribed by the Minister of Finance, elect to contribute in respect of any training or service referred to in subsection (2) of section 2 of the principal Act.

Cf. 1958, No. 109, s. 24

25. Special provisions as to service in island territories—Where any period of contributory service by a member of the Police or of the Prisons Service is computed in accordance with section 51 of the principal Act, the provisions of this Part of this Act shall not, without the consent of the relevant controlling authority and except on such terms and conditions as may be prescribed by the Minister of Finance, apply to that member in respect of that period.

Cf. 1958, No. 109, s. 25

26. Application of principal Act—Except as otherwise provided in this Part of this Act, all the provisions of the principal Act, as far as they are applicable and with any necessary modifications, shall apply to members of the Police or of the Prisons Service as they apply to other persons in the Government service.
