1988, No. 105

An Act—

(a) To give effect to an agreement entered into between the New Zealand Maori Council and Graham Stanley Latimer and the Crown in settlement of an application for judicial review

- made by the New Zealand Maori Council and Graham Stanley Latimer; and
- (b) To make to the Treaty of Waitangi Act 1975, the State-Owned Enterprises Act 1986, and the Legal Aid Act 1969 the amendments proposed in that agreement; and
 - (c) To protect existing and likely future claims before the Waitangi Tribunal relating to land presently in Crown ownership; and
 - (d) To give better effect to the objects of the State-Owned Enterprises Act 1986, and to ensure compliance with section 9 of that Act

[30 June 1988

WHEREAS—

- (a) The Crown intended, following the establishment of certain State enterprises under the State-Owned Enterprises Act 1986, to transfer certain land to those enterprises; and
- (b) The New Zealand Maori Council and Graham Stanley Latimer and the Iwi represented by them believed that the transfer of some or all of that land would constitute a breach by the Crown of section 9 of the State-Owned Enterprises Act 1986, which provides that nothing in that Act permits the Crown to act in a manner that is inconsistent with the principles of the Treaty of Waitangi; and
- (c) The New Zealand Maori Council and Graham Stanley Latimer, in furtherance of that belief, filed in the High Court at Wellington on the 30th day of March 1987 an application for judicial review; and
- (d) By order of the High Court the application for judicial review was, on the 1st day of April 1987, removed into the Court of Appeal; and
- (e) The Court of Appeal, on the 29th day of June 1987,—
 - (i) Made a declaration that the transfer of assets to State enterprises without establishing any system to consider in relation to particular assets or particular categories of assets whether such transfer would be inconsistent with the principles of the Treaty of Waitangi would be unlawful; and
 - (ii) Gave certain directions concerning the preparation by the Crown of a scheme of safeguards, which was to be lodged in the Court of Appeal after it had been submitted to the New Zealand Maori Council for agreement or comment; and

- (iii) Made a further declaration (which might be varied or discharged at any time on the motion of the Crown) that in the meantime the Crown ought not to take any further action affecting any of the assets referred to in the statement of claim, by way of transfer of assets or long-term agreement or arrangement, that is or would be consequential on the exercise of statutory powers conferred by the State-Owned Enterprises Act 1986; and
- (f) After extensive negotiations between the New Zealand Maori Council and Graham Stanley Latimer and the Crown, there has not been agreement on a system, of the type described in paragraph (e) (i) of this Preamble, to apply, as was contended for by the New Zealand Maori Council and Graham Stanley Latimer, before the transfer of assets to State enterprises but there has been agreement on an alternative system of safeguards, to apply after the transfer of assets to State enterprises, so that, in the public interest, the transfers authorised by the State-Owned Enterprises Act 1986 may take place as soon as practicable; and
- (g) It is essential, in order to protect the position of Maori claimants and to ensure compliance with section 9 of the State-Owned Enterprises Act 1986, that there be safeguards—
- (i) Including power for the Waitangi Tribunal to make a binding recommendation for the return to Maori ownership of any land or interests in land transferred to State enterprises under that Act; and
 - (ii) Requiring the Waitangi Tribunal to hear any claim relating to any such land or interests in land as if it or they had not been so transferred; and
 - (iii) Precluding State enterprises and their successors in title from being heard by the Waitangi Tribunal on claims relating to land or interests in land so transferred; and
- (h) The New Zealand Maori Council and Graham Stanley Latimer and the Crown have agreed that amendments to the Treaty of Waitangi Act 1975, the State-Owned Enterprises Act 1986, and the Legal Aid Act 1969 are required in order to allow the transfers and to protect existing or likely future claims before the Waitangi Tribunal; and

- (i) The Crown has agreed to submit for the consideration of Parliament a Bill containing the amendments agreed on; and
- (j) The New Zealand Maori Council and Graham Stanley Latimer and the Crown have informed the Court of Appeal of the nature of those amendments; and
- (k) The Court of Appeal has, by consent of the parties to the application for judicial review, discharged both the directions given by it to the Crown and the consequential interim declaration made by it in relation to those directions; and
- (l) It is desirable that the agreement between the New Zealand Maori Council and Graham Stanley Latimer and the Crown be given effect to and that the amendments proposed in that agreement to the Treaty of Waitangi Act 1975, the State-Owned Enterprises Act 1986, and the Legal Aid Act 1969 be made:

BE IT THEREFORE ENACTED by the Parliament of New Zealand as follows:

1. Short Title and commencement—(1) This Act may be cited as the Treaty of Waitangi (State Enterprises) Act 1988.

(2) This Act shall be deemed to have come into force on the 9th day of December 1987.

PART I

AMENDMENTS TO TREATY OF WAITANGI ACT 1975

2. This Part to be read with Treaty of Waitangi Act 1975—This Part of this Act shall be read together with and deemed part of the Treaty of Waitangi Act 1975 (in this Part referred to as the principal Act).

3. Functions of Tribunal—Section 5 (1) of the principal Act is hereby amended by repealing paragraph (a), and substituting the following paragraphs:

“(a) To inquire into and make recommendations upon, in accordance with this Act, any claim submitted to the Tribunal under section 6 of this Act:

“(aa) To make recommendations, in accordance with section 8D of this Act, that land or interests in land be no longer subject to resumption under section 27B of the State-Owned Enterprises Act 1986:”.

4. New sections inserted—The principal Act is hereby amended by inserting, after section 8, the following sections:

“8A. Recommendations in respect of land transferred to or vested in State enterprise—(1) This section applies in relation to any land or interest in land transferred to a State enterprise under section 23 of the State-Owned Enterprises Act 1986 or vested in a State enterprise by an Order in Council made under section 28 of that Act, whether or not the land or interest in land is still vested in a State enterprise.

“(2) Subject to section 8B of this Act, where a claim submitted to the Tribunal under section 6 of this Act relates in whole or in part to land or an interest in land to which this section applies, the Tribunal may—

“(a) If it finds—

“(i) That the claim is well-founded; and

“(ii) That the action to be taken under section 6 (3) of this Act to compensate for or remove the prejudice caused by the ordinance or Act, or the regulations, order, proclamation, notice, or other statutory instrument, or the policy or practice, or the act or omission that was inconsistent with the principles of the Treaty, should include the return to Maori ownership of the whole or part of that land or of that interest in land,—

include in its recommendation under section 6 (3) of this Act, a recommendation that that land or that part of that land or that interest in land be returned to Maori ownership (which recommendation shall be on such terms and conditions as the Tribunal considers appropriate and shall identify the Maori or group of Maori to whom that land or that part of that land or that interest in land is to be returned); or

“(b) If it finds—

“(i) That the claim is well-founded; but

“(ii) That a recommendation for return to Maori ownership is not required, in respect of that land or any part of that land or that interest in land, by paragraph (a) (ii) of this subsection,—

recommend to the Minister of Survey and Land Information that that land or that part of that land or that interest in land be no longer subject to resumption under section 27B of the State-Owned Enterprises Act 1986; or

“(c) If it finds that the claim is not well-founded, recommend to the Minister of Survey and Land Information that that land or that part of that land or that interest in land be no longer subject to resumption under section 27B of the State-Owned Enterprises Act 1986.

“(3) In deciding whether to recommend the return to Maori ownership of any land or interest in land to which this section applies, the Tribunal shall not have regard to any changes that, since immediately before the date of the transfer of the land or interest in land from the Crown to a State enterprise, have taken place in—

“(a) The condition of the land or of the land in which the interest exists and any improvements to it; or

“(b) Its ownership or possession or any other interests in it.

“(4) Nothing in subsection (2) of this section prevents the Tribunal making in respect of any claim that relates in whole or in part to any land or interest in land to which this section applies any other recommendation under subsection (3) or subsection (4) of section 6 of this Act.

“(5) Notwithstanding section 24 (4) of the State-Owned Enterprises Act 1986, on the making of a recommendation for the return of any land or interest in land to Maori ownership under subsection (2) of this section, sections 40 and 41 of the Public Works Act 1981 shall cease to apply in relation to that land or that interest in land.

“(6) Where any interest in land exists in respect of any land to which this section applies (being an interest in land which was in existence immediately before the land was transferred to the State enterprise under section 23 of the State-Owned Enterprises Act 1986 or vested in the State enterprise by an Order in Council made under section 28 of that Act but which was not so transferred to, or so vested in, the State enterprise), no recommendation under this section shall relate to that interest in land.

“8B. **Interim recommendations in respect of land transferred to or vested in State enterprise**—(1) Where the recommendations made by the Tribunal include a recommendation made under section 8A (2) (a) or section 8A (2) (b) of this Act, all of those recommendations shall be in the first instance interim recommendations.

“(2) The Tribunal shall cause copies of its interim findings and interim recommendations to be served on the parties to the inquiry.

“(3) Subject to subsection (5) of this section, the Tribunal shall not, without the written consent of the parties, confirm any interim recommendations that include a recommendation made under section 8A (2) (a) or section 8A (2) (b) of this Act, until at least 90 days after the date of the making of the interim recommendations.

“(4) Where any party to the inquiry is served with a copy of any interim recommendations that include a recommendation made under section 8A (2) (a) or section 8A (2) (b) of this Act, that party—

“(a) May, within 90 days after the date of the making of the interim recommendations, offer to enter into negotiations with the other party for the settlement of the claim; and

“(b) Shall, within 90 days after the date of the making of the interim recommendations, inform the Tribunal—

“(i) Whether the party accepts or has implemented the interim recommendations; and

“(ii) If the party has made an offer under paragraph (a) of this subsection, the result of that offer.

“(5) If, before the confirmation of any interim recommendations that include a recommendation made under section 8A (2) (a) or section 8A (2) (b) of this Act, the claimant and the Minister of Maori Affairs settle the claim, the Tribunal shall, as the case may require, cancel or modify the interim recommendations and may make, if necessary, a final recommendation under section 8A (2) (a) or section 8A (2) (b) of this Act.

“(6) If subsection (5) of this section does not apply in relation to any interim recommendations that include a recommendation made under section 8A (2) (a) or section 8A (2) (b) of this Act, upon the expiration of the 90th day after the date of the making of the interim recommendations, the interim recommendations shall take effect as final recommendations.

“(7) Notwithstanding anything in subsections (1) to (6) of this section, if any interim recommendations contain a clerical mistake or an error arising from any accidental slip or omission, whether the mistake, error, slip, or omission was made by an officer of the Tribunal or not, or if any interim recommendations are so drawn up as not to express what was actually decided and intended, the interim recommendations may be corrected by the Tribunal, either of its own motion or on the application of any party.

“(8) Where the interim recommendations are corrected under subsection (7) of this section,—

“(a) The Tribunal shall cause copies of the corrected interim recommendations to be served on the parties to the inquiry as soon as practicable; and

“(b) The period that applies for the purposes of subsections (3), (4), and (6) of this section shall expire on the 90th day after the date of the making of the corrected interim recommendations.

“8C. **Right to be heard on question in relation to land transferred to or vested in State enterprise**—(1) Where, in the course of any inquiry into a claim submitted to the Tribunal under section 6 of this Act, any question arises in relation to any land or interest in land to which section 8A of this Act applies, the only persons entitled to appear and be heard on that question shall be—

“(a) The claimant:

“(b) The Minister of Maori Affairs:

“(c) Any other Minister of the Crown who notifies the Tribunal in writing that he or she wishes to appear and be heard:

“(d) Any Maori who satisfies the Tribunal that he or she, or any group of Maori of which he or she is a member, has an interest in the inquiry apart from any interest in common with the public.

“(2) Notwithstanding anything in clause 7 of the Second Schedule to this Act or in section 4A of the Commissions of Inquiry Act 1908 (as applied by clause 8 of the Second Schedule to this Act), no person other than a person designated in paragraph (a) or paragraph (b) or paragraph (c) or paragraph (d) of subsection (1) of this section shall be entitled to appear and be heard on a question to which subsection (1) of this section applies.

“(3) Nothing in subsection (2) of this section affects the right of any person designated in paragraph (a) or paragraph (b) or paragraph (c) or paragraph (d) of subsection (1) of this section to appear, with the leave of the Tribunal, by—

“(a) A barrister or solicitor of the High Court; or

“(b) Any other agent or representative authorised in writing.

“8D. **Special power of Tribunal to recommend that land be no longer liable to resumption**—(1) The Tribunal may, in its discretion, on the application of a State enterprise or other owner of any land or interest in land to which section 8A of this Act applies, recommend to the Minister of Survey and

Land Information that the whole or part of that land or that that interest in land be no longer subject to resumption under section 27B of the State-Owned Enterprises Act 1986 if—

“(a) Public notice has been given, in accordance with section 8G of this Act, of the making of an application under this section in respect of that land or interest in land; and

“(b) Either—

“(i) No claim in relation to that land or interest in land has been submitted to the Tribunal under section 6 of this Act before the date specified in the notice; or

“(ii) All the parties to any claim submitted to the Tribunal under section 6 of this Act in relation to that land or interest in land have informed the Tribunal in writing that they consent to the making of the recommendation.

“(2) The Tribunal may make a recommendation pursuant to subsection (1) (b) (ii) of this section without being obliged to determine first whether or not the claim is well-founded.

“(3) The Tribunal may, where it considers it appropriate, consult with a Judge of the Maori Land Court about—

“(a) The directions to be given under section 8F of this Act; or

“(b) The public notice to be given under section 8G of this Act,—

in relation to any application under this section.

“**8E. Issue of certificate on recommendation of Tribunal**—(1) The Minister of Survey and Land Information shall, on receiving in respect of any land or interest in land a recommendation under—

“(b) Section 8D (1) of this Act,—

issue a certificate to the effect that the land or interest in land is no longer subject to resumption under section 27B of the State-Owned Enterprises Act 1986.

“(2) Where the land or the land in which the interest in land exists is subject to the Land Transfer Act 1952, the Minister of Survey and Land Information shall cause a copy of the certificate to be lodged with the District Land Registrar of the land registration district within which the land is situated.

“(3) The District Land Registrar shall, without fee,—

“(a) Register the certificate against the certificate of title to the land or interest in land; and

“(b) Take all steps necessary to discharge or cancel any memorials or entries showing that the land or interest in land is subject to resumption under section 27B of the State-Owned Enterprises Act 1986.

“(4) Where—

“(a) The land or the land in which the interest in land exists is not subject to the Land Transfer Act 1952; and

“(b) Instruments relating to the land or the interest in land are not registerable under the Deeds Registration Act 1908,—

the Minister of Survey and Land Information shall cause a copy of the certificate to be lodged in the office of the Chief Surveyor, and the Chief Surveyor shall note the certificate upon the proper plans and records of the district affected.

“8F. **Directions as to service**—(1) Where an application is made under section 8D of this Act, the applicant shall apply to the Tribunal *ex parte* for directions as to service.

“(2) The applicant shall furnish with the application under this section a description of the land or interest in land to which the application under section 8D of this Act relates, which description—

“(a) Shall include a full legal description of the land or interest in land; and

“(b) Shall be sufficient to enable the Tribunal to decide which persons may be adversely affected by the making, under section 8D of this Act, of the recommendation sought.

“(3) The application under this section—

“(a) Shall specify the directions considered appropriate; and

“(b) Shall be accompanied by a memorandum—

“(i) By the applicant’s solicitor or counsel; or

giving the reasons for the directions considered appropriate.

“(4) On an application under this section the Tribunal shall give such directions for service as it deems proper.

“8G. **Public notice**—(1) Where an application is made under section 8D of this Act, the applicant shall, in addition to complying with the directions given under section 8F (4) of this Act, give, in accordance with the directions of the Tribunal, public notice of the application.

“(g) Contain such other information as the Tribunal directs.

“8H. **Service of decision**—The Tribunal shall cause a sealed copy of its decision and recommendation (if any) with regard to any application under section 8D of this Act to be served on—

9. This Part to be read with State-Owned Enterprises Act 1986—This Part of this Act and the Schedule to this Act shall be read together with and deemed part of the State-Owned Enterprises Act 1986 (in this Part referred to as the principal Act).

10. New sections substituted—(1) The principal Act is hereby amended by repealing section 27, and substituting the following sections:

“27. Maori land claims—The submission in respect of any land or interest in land of a claim under section 6 of the Treaty of Waitangi Act 1975 does not prevent the transfer of that land or of any interest in that land or of that interest in land—

“(a) By the Crown to a State enterprise; or

“(b) By a State enterprise to any other person.

“27A. District Land Registrar to register necessary memorial—(1) Where any land or interest in land is transferred to a State enterprise under section 23 of this Act or vested in a State enterprise by an Order in Council made under section 28 of this Act, the District Land Registrar shall, without fee, note on the certificate of title the words ‘Subject to section 27B of the State-Owned Enterprises Act 1986 (which provides for the resumption of land on the recommendation of the Waitangi Tribunal and which does not provide for third parties, such as the owner of the land, to be heard in relation to the making of any such recommendation)’.

“(2) Subsection (1) of this section shall not apply in relation to any piece of land or interest in land that is excluded from section 27B of this Act by subsection (2) or subsection (3) of that section.

“27B. Resumption of land on recommendation of Waitangi Tribunal—(1) Where the Waitangi Tribunal has, under section 8A (2) (a) of the Treaty of Waitangi Act 1975, recommended the return to Maori ownership of any land or interest in land transferred to a State enterprise under section 23 of this Act or vested in a State enterprise by an Order in Council made under section 28 of this Act, that land or interest in land shall, if the recommendation has been confirmed with or without modifications under section 8B of that Act, be resumed by the Crown in accordance with section 27c of this Act and returned to Maori ownership.

“(2) This section shall not apply in relation to any piece of land that, at the date of its transfer to a State enterprise under section 23 of this Act or the date of its vesting in a State enterprise by an Order in Council made under section 28 of this Act, was subject to—

“(a) A deferred payment licence issued under the Land Act 1948; or

“(b) A lease under which the lessee had the right of acquiring the fee simple.

“(3) This section shall not apply in relation to any piece of land or interest in land in respect of which a certificate issued under section 8E(1) of the Treaty of Waitangi Act 1975 has been registered.

“27C. **Resumption of land to be effected under Public Works Act 1981**—(1) Where section 27B of this Act requires any land or interest in land to be resumed by the Crown, the Minister of Lands shall acquire that land or interest in land under Part II of the Public Works Act 1981 as if it were land or an interest in land required for both Government work and a public work and Parts II, IV, V, VI, and VII of that Act and the First, Third, Fourth, and Fifth Schedules to that Act shall, subject to the modifications set out in Schedule 2A to this Act and to all other necessary modifications, apply accordingly.

“(2) The existence on the certificate of title to any land or interest in land acquired pursuant to subsection (1) of this section of a memorial under section 27A of this Act shall not be taken into account in any assessment of compensation made under the Public Works Act 1981 in relation to the acquisition of that land or interest in land.

“(3) The power conferred by this section does not include the power to acquire or take and to hold under section 28 of the Public Works Act 1981 any interest in land described in section 8A(6) of the Treaty of Waitangi Act 1975.

“27D. **Resumption of Wahi Tapu**—(1) Where the Governor-General is satisfied that any land or interest in land held by a State enterprise, being land or an interest in land transferred to that State enterprise under section 23 of this Act or vested in that State enterprise by an Order in Council made under section 28 of this Act, is Wahi Tapu, being land of special spiritual, cultural, or historical tribal significance, the Governor-General may, by Order in Council published in the *Gazette*, declare—

“(a) That that land or interest in land shall be resumed by the Crown on a date specified in the Order in Council; and

“(b) That, on the date of its resumption pursuant to the Order in Council, that land or interest in land shall be no longer liable to resumption under section 27B of this Act.

“(2) Where any land or interest in land is to be resumed pursuant to subsection (1) (a) of this section,—

“(a) The State enterprise shall transfer the land or interest in land to the Crown on the date specified in the Order in Council; and

PART III

AMENDMENTS TO LEGAL AID ACT 1969

13. This Part to be read with Legal Aid Act 1969—This Part of this Act shall be read together with and deemed part of the Legal Aid Act 1969 (in this Part referred to as the principal Act).

14. Interpretation—Section 2 of the principal Act is hereby amended by adding, as subsection (2), the following subsection:

“(2) Notwithstanding anything in the definition of the term ‘person’ in subsection (1) of this section, where a Maori submits a claim to the Waitangi Tribunal under section 6 of the Treaty of Waitangi Act 1975, either on his or her own behalf or on behalf of any group of Maori of which he or she is a member, nothing in that definition prevents legal aid being made available to that Maori, for the purposes of the proceedings in relation to that claim.”

15. Scope of legal aid—Section 15 (1) of the principal Act is hereby amended by inserting, after paragraph (h), the following paragraph:

“(ha) Proceedings before the Waitangi Tribunal.”

16. Applications in respect of claims before Waitangi Tribunal—The principal Act is hereby amended by inserting, after section 31, the following section:

“31A. (1) This section applies to every application for legal aid made in relation to a claim submitted or to be submitted by a Maori under section 6 of the Treaty of Waitangi Act 1975.

“(2) Subject to subsection (3) of this section, the District Committee shall grant an application to which this section applies only if it is satisfied—

“(a) That the case is one that requires legal representation having regard to the nature of the proceedings and to the personal interest of the applicant or of any group of Maori of which the applicant is a member; and

“(b) That the applicant or any group of Maori of which the applicant is a member would suffer substantial hardship if aid were not granted; and

“(c) That the personal interest of the claimant or of the group of Maori on whose behalf the claim is submitted is not sufficiently protected by any other claim or claims.

“(3) Where the claim is submitted by the claimant on behalf of a group of Maori of which the claimant is a member,—

“(a) The District Committee may, in determining for the purpose of subsection (2) (b) of this section whether the group would suffer substantial hardship if aid were not granted, take account not only of the financial resources of the group and its members but also of the extent to which persons who could be members of the group might reasonably be expected to contribute from their financial resources towards the costs of the proceedings; and

“(b) The District Committee shall refuse to grant the application made in relation to that claim if the claimant does not supply the District Committee with sufficient information concerning the financial resources of—

“(i) The group and its members; and

“(ii) Any other persons who could be members of the group and who might reasonably be expected to contribute from their financial resources towards the costs of the proceedings.

“(4) An applicant under an application to which this section applies shall not be denied legal aid by reason of the provisions

of section 17 (1) of this Act relating to disposable income and no such application shall be refused under section 23 (2) (b) of this Act.

“(5) Where a Maori receives, by virtue of an application to which this section applies, legal aid in connection with the proceedings on any claim—

“(a) Nothing in subsections (1) and (3) of section 18 of this Act shall apply, in relation to that application, in respect of that Maori or the group on whose behalf the claim is submitted; but

“(b) That Maori and the group (if any) on whose behalf the claim is submitted shall, if the District Committee so directs, be required to make to the Crown a contribution of such amount as the District Committee determines (which amount shall be fair and reasonable having regard to the resources of that Maori or, in the case of a claim on behalf of a group of Maori, to the financial resources referred to in subsection (3) of this section, and to the likely costs of the proceedings), and the provisions of section 18 of this Act (other than those of subsections (1) and (3)) shall apply, with all necessary modifications, as if the District Committee had granted legal aid not only to that Maori but also to the group; and

“(c) In relation to that Maori and to the group (if any) on whose behalf the claim is submitted,—

“(i) Section 17 (2) (c) of this Act shall have effect as if there were substituted for the words ‘up to the limit specified in section 18’, the words ‘in accordance with section 31A (5) (b)’; and

“(ii) The first proviso to section 17 (2) (e) of this Act shall have effect as if there were substituted for the words ‘paragraph (c) of this subsection’, the words ‘section 31A (5) (b) of this Act’; and

“(d) If the contributions paid to the Crown by the group pursuant to a direction of the District Committee under paragraph (b) of this subsection exceed the aggregate amount of the sums referred to in paragraphs (a) and (b) of section 18 (7) of this Act, the excess shall be repaid to the group in such proportions and in such manner as the District Committee directs.

“(6) For the purposes of an application to which this section applies, it is hereby declared that, notwithstanding anything in section 19 of this Act,—

“(a) The disposable income of the applicant and of every member of the group shall include any rent derived from Maori land or interests in Maori land; but

“(b) The disposable capital of the applicant and of every member of the group shall not include any Maori land or any interests in Maori land.

“(7) Except as expressly provided in this section, nothing in this section limits the application of the other provisions of this Act in respect of any application to which this section applies.”

17. Transitional provision—(1) An application under section 31A (1) of the principal Act (as inserted by section 16 of this Act) may relate to a claim submitted under section 6 of the Treaty of Waitangi Act 1975 before the passing of this Act if the proceedings before the Waitangi Tribunal in relation to that claim have not been disposed of before the passing of this Act.

(2) Where an application for legal aid is made pursuant to subsection (1) of this section, any legal aid granted in respect of the claim to which the application relates may be granted not only in respect of proceedings taken before the Waitangi Tribunal in relation to that claim on or after the date of the passing of this Act but also in respect of proceedings taken before the Waitangi Tribunal in relation to that claim at any time in the period beginning on the 9th day of December 1987 and ending with the passing of this Act.
