**9. Administration of Taranaki Scholarship Endowment reserve**—(1) The reserve described in the Schedule to this Act, which reserve is vested in the Crown, shall on and after the first day of January, nineteen hundred and fifty-eight, be held by the Crown in trust as an endowment for the purposes of this Act.

(2) The said reserve shall be administered and dealt with by the Land Settlement Board, and with respect to any of the land in the reserve that Board may either—

Provided that the lessee or licensee shall not have the right to acquire the fee simple of the land comprised in his lease or licence.

- (3) Nothing in this section shall deprive any lessee of any right of renewal now vested in him.

(4) The revenue derived from the said reserve shall (after deducting such sum as may for the time being be approved by the Minister of Finance for the administration of the reserve and without further appropriation than this section) be paid to the Taranaki Scholarships Trust Board.

**10. Taranaki Scholarship endowment money to be paid to Board—**(1) On the first day of January, nineteen hundred and fifty-eight, the Public Trustee shall pay to the Board all money then held by him pursuant to section twenty-two of the New Zealand University Amendment Act 1914.

(2) All such money, and all other property for the time being owned by the Board, shall be held and administered by it for the purposes of this Act.

**11. Application of endowment income—**(1) The Board shall apply such part as it thinks fit of its income (including income accumulated by it after the commencement of this Part of this Act) in payment of all proper expenditure of the Board, and subject thereto for the following purposes:

- (b) The grant of post-graduate scholarships and allowances relating thereto pursuant to section fifteen of this Act:
- (c) The exercise of any other powers, duties, and functions by this Act conferred on the Board.

(2) For the purposes of this Act, three thousand five hundred pounds of the money paid to the Board by the Public Trustee pursuant to section ten of this Act shall be deemed to be income, and the balance of that money shall be deemed to be capital.

**12. Taranaki Scholarships**—For the purpose of bringing higher education within the reach of deserving scholars within the Provincial District of Taranaki there shall be awarded scholarships, to be called Taranaki Scholarships, and with respect thereto the following provisions shall apply:

- (a) One or more scholarships, as the income of the Board permits, may be awarded annually by the Board:
- (b) The scholarships shall be awarded on the results of the Entrance Scholarships Examination of the University of New Zealand, but no scholarship shall be awarded to a candidate unless he obtains credit in that examination:
- (c) The scholarships shall be open to all candidates who have attended a school within the Provincial District of Taranaki for a period of not less than two years, or who have during such a period resided within that Provincial District and been enrolled as full time pupils at a correspondence school established by the Minister of Education, if in the case of each candidate the attendance or residence and enrolment has continued to within six months of the date of the award:
- (d) A scholarship shall be held for the same term and under the same conditions (except as to the amount thereof) as those governing University National Scholarships; and there shall be payable to the holder of a scholarship such annual sum as the Board may from time to time (with the approval of the Minister of Education) prescribe, in addition to the tuition fees payable by the holder at the University or Agricultural College which he for the time being attends in connection with any course of study pursued by him:

Provided that, if the scholar has satisfactorily fulfilled the conditions hereafter prescribed by this section, the Board may at its discretion extend the tenure of a scholarship for two additional years in the case of a scholar who has entered upon a course of study in medicine, engineering, or dentistry, and for one additional year in the case of any other scholar:

Provided also that, except in special cases approved by the Board, not more than one year's fees shall be payable with respect to any subject at the same grade:

- (e) The scholarship shall be paid by quarterly instalments or such other instalments as the Board thinks fit:  
Provided that no payment shall be made unless the Board is satisfied that the holder has fulfilled the prescribed conditions up to the due date of the instalment:
- (f) Candidates shall forward their applications to be examined in the time and manner prescribed by the University of New Zealand in respect of candidates for its Entrance Scholarships Examination, and shall comply generally with the conditions of applications for that examination:
- (g) No person shall be entitled to hold a scholarship unless within three months after its acquisition he has matriculated as a member of the University of New Zealand, nor unless, when required to do so, he produces a certificate from the Registrar of the University or Agricultural College at which he is enrolled that he has attended regularly the course of studies and lectures provided by it, and that he has made progress satisfactory to the Professorial Board of that University or Agricultural College:  
Provided that the holder of a scholarship may, on giving notice to the Board, pursue his studies at any other such University or Agricultural College, subject to his complying with the statutes of the University of New Zealand in that regard:  
Provided also that any person to whom a scholarship has been awarded may, with the approval of the Board, postpone for a period not exceeding one year the date of commencement of the term of the scholarship:
- (h) A scholarship shall become vacant by failure on the part of the holder to keep terms in each year at the University or Agricultural College at which he is enrolled, unless the holder produces proof to the satisfaction of the Board that the failure was occasioned by illness or other sufficient cause:
- (i) Every scholar, unless for any reason specially allowed by the Board, shall as a condition of holding his scholarship be required, not later than the end of his second year after matriculation, to have passed in at least three subjects of the examination for a degree:

- (j) Any scholar who has entered upon a course of study in which credit is not normally given in individual subjects may be relieved by the Board of his obligation to comply with paragraphs (h) and (i) of this section, but shall furnish to the Board, as a condition of receiving the emoluments of his scholarship, sufficient proof that he has advanced in his professional studies and that he has passed regularly the several examinations required of him in his professional course, unless the holder produces proof to the satisfaction of the Board that failure to comply with the requirements of this paragraph has been due to illness or other sufficient cause:
- (k) The Board may, for the purposes of a Taranaki Scholarship, grant permission to a scholar to pursue a course of study leading to a recognised qualification of a University or Agricultural College in New Zealand, other than a degree; and may from time to time prescribe the conditions which any such scholar shall be required to fulfil in respect of his scholarship:
- (l) A Taranaki Scholarship shall not be tenable with a University Junior Scholarship or with a University National Scholarship or with any other scholarship or bursary awarded by the University of New Zealand or the Department of Education; but it may be held with any other scholarship or bursary if the holder receives only so much of the emoluments of the other scholarship or bursary as, when added to the emoluments payable to him in respect of his Taranaki Scholarship, does not exceed in any year the sum of one hundred and seventy-five pounds or such other sum as may for the time being be approved by the Board with the consent of the Minister.

**13. Board to be advised of results of Entrance Scholarships Examination**—(1) As soon as the results are available of the Entrance Scholarships Examination of the University of New Zealand held in the year nineteen hundred and fifty-seven and in each year thereafter, the Registrar of that University shall transmit those results to the Board.

(2) The first award of Taranaki Scholarships made by the Board shall be made on the result of the said Entrance Scholarships Examination held in the year nineteen hundred and fifty-seven.

**14. Existing Taranaki Scholarships to continue—**

(1) Holders of Taranaki Scholarships granted before the commencement of this Part of this Act and current thereafter shall continue to be entitled to all the benefits of the scholarships during the currency thereof, except that those scholarships shall be held by them on the same terms and conditions as to the amount thereof and as to any allowances relating thereto as shall for the time being apply to Taranaki Scholarships awarded under this Act:

Provided that nothing in this subsection shall empower the Board to reduce the value of the benefits derived by any such holder in respect of a Taranaki Scholarship to less than the value thereof at the commencement of this Part of this Act.

(2) In the year nineteen hundred and fifty-eight, and in each year thereafter during the currency of the scholarships, the Board shall pay to, or for the benefit of, the holders of Taranaki Scholarships to whom this section applies such amounts as may from time to time be payable in respect thereof pursuant to subsection one of this section.

- (b) The Board may award one or more Taranaki Post-graduate Scholarships as and when it thinks fit:
- (c) On each occasion when a Taranaki Post-graduate Scholarship is awarded, the Board may fix the term and amount thereof and of any allowances relating

Provided that the term and amount of any such scholarship shall not exceed the term and amount for the time being approved by the Minister of Education:
