AN ACT to amend "The Wellington Debts Act, 1871." Title.
[10th October, 1872.]

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act shall be "The Wellington Debts Act Amendment Act, 1872." Short Title.
2. In this Act, the term "the said Act" means "The Wellington Debts Act, 1871." Interpretation.
3. The sum authorized to be raised under the said Act shall be any sum not exceeding seventy-five thousand pounds, instead of any sum not exceeding eighty-five thousand pounds. Alteration of sum authorized to be raised under said Act.
4. The District and Waste Lands of the Crown described in the Schedule to this Act shall be substituted in lieu of the District and Waste Lands of the Crown described in the Second Schedule to the said Act; and for all purposes whatsoever the District and Waste Lands of the Crown described in the Schedule hereto shall be deemed to have been, from the passing of the said Act, the District and Waste Lands described in the Second Schedule thereto.

Wellington Debts Act Amendment.

District and Waste Lands in Schedule to this Act substituted for that described in Second Schedule to the said Act.

5. Notwithstanding that the Waste Lands of the Crown described in the Schedule hereto are dealt with and affected by the provisions of the said Act, such Waste Lands may be set apart and reserved under the sixty-first section of "The Immigration and Public Works Act, 1871," and be dealt with under regulations made under the said last-mentioned Act.

Power to set aside land under section 61 of "The Immigration and Public Works Act, 1871."

6. Whereas by deed dated the twenty-sixth day of December, one thousand eight hundred and seventy-one, a contract was entered into between the Governor in the name of Her Majesty of the one part, and the Emigrant and Colonist's Aid Corporation (Limited), of London, in England, of the other part, for the sole occupation of the lands described in the Schedule hereto (a copy of which deed has been laid before both Houses of the General Assembly in this Session of Parliament): And whereas by the said contract it is amongst other things provided that the Governor shall make regulations for the sale occupation and disposal of the said lands on certain terms in the said contract mentioned: And whereas doubts are entertained whether the Governor was empowered to enter into such contracts or to make such regulations, and it is expedient to remove such doubts: Be it therefore enacted that the Governor shall be deemed at the time of the making of the said contract to have had full power and authority to enter into the said contract and to carry out the same, and to have had and now to have power to make regulations for carrying out the terms of such contract, and generally such regulations and proclamations as in the said contract mentioned or referred to.

Colonel Feilding's contract validated.

No agreement to be made whereby proceeds from land may be diminished without concurrence of Superintendent.

7. It shall not be lawful for the Governor to enter into any agreement with the said Corporation whereby the proceeds derivable from the sale or other disposition of the said lands or from the said securities may be diminished without the concurrence of the Superintendent of the said Province.

If lands so set aside.

8. If such land be so reserved and set apart, the provisions of the sixty-third and sixty-fourth sections of "The Immigration and Public Works Act Amendment Act, 1871," shall nevertheless not apply to such land, but the proceeds of the sale or other disposition of such land, and of all promissory notes or other securities given by the said Corporation under the said contract, and all interest paid on such notes or securities, shall be paid from time to time as received in cash by the Colonial Treasurer into the special fund under the said Act, and be dealt with as provided by the fourteenth section of the said Act; and whenever all the moneys raised under the said Act, and interest thereon and charges incurred in raising the same, shall have been paid out of such proceeds of the said land or by charging the same against the Province, the Colonial Treasurer shall pay such proceeds into the Land Fund of such Province.

The securities given under the contract hereinbefore mentioned shall not be deemed proceeds of such land for the purposes of this section until the same have been discharged by the said Corporation.

Section 15 of said Act to continue to apply.

9. The fifteenth section of the said Act shall continue to apply to the moneys raised under the said Act and the interest payable in respect of securities issued under the said Act.
