Cf. 1960, No. 26, s. 15

16. 17. Provision for Common Fund investment—(1) The University Grants Committee may at any time, if it thinks fit, establish the following funds and account:

- (a) A Common Fund to be known as the University Grants Committee Common Fund:
- (b) A Reserve Fund to be known as the University Grants Committee Common Fund Reserve Fund:
- (c) A Common Fund Income Account to be known as the University Grants Committee Common Fund Income Account.

(2) Subject to the provisions of this section, if the University Grants Committee has established the said funds and account, it may invest any trust funds in its possession, whether at the time in a state of investment or not, whether they came into its possession before or after the commencement of this Act, and whether they comprise the whole or part of the trust estate to which they belong, either—

- (a) On a separate account in respect of the trust estate to which the funds belong; or
- (b) If the funds are not directed to be invested in some other specified manner, and investment in the said Common Fund is not inconsistent with the terms of the trust instrument (if any) governing the funds, as part of the said Common Fund.

(3) All funds forming part of the said Common Fund shall be invested in the manner required by section 16 of this Act.

(4) Where any funds of a trust estate are in the possession of the University Grants Committee and are lawfully invested in any investment in which the said Common Fund may be invested as aforesaid, then, if in accordance with paragraph (b) of subsection (2) of this section the funds could be invested as part of the said Common Fund, the University Grants Committee may transfer that investment to the said Common Fund and give credit in that Fund to the trust estate for such amount as it considers proper, having regard to its duty to be fair to all those interested in the said Common Fund and to those beneficially interested in the capital and income of the trust estate to which the investment belongs. Upon any investment being so transferred it shall cease to form part of the trust estate to which it formerly belonged.

(5) Investments made from funds forming part of the said Common Fund shall not be made on account of or belong to any particular trust estate, but the University Grants Committee shall cause to be kept an account showing at all times the entitlement of each trust estate in the said Common Fund.

(6) All income derived from the said Common Fund and from the investments and money included therein shall be paid into the said Common Fund Income Account.

(7) In each year interest on the amount of the entitlement of each trust estate in the said Common Fund shall be transferred from the said Common Fund Income Account and credited to that trust estate at such uniform rate as may from time to time be determined by the University Grants Committee:

Provided that in no case shall the rate so determined be lower than one-half per cent below the rate which would be so paid if all the income paid into the said Common Fund Income Account in that year was so transferred.

(8) The University Grants Committee shall also each year pay into the said Reserve Fund—

(a) All income in the said Common Fund Income Account which is not transferred to any trust estate in that year in accordance with subsection (7) of this section:

(b) All capital gains arising in connection with the said Common Fund.

(9) The funds forming part of the said Reserve Fund shall be kept separate from all other trust funds, and shall be invested in the manner authorised by section 16 of this Act.

(10) All income paid into the said Reserve Fund as aforesaid, and all income derived from the said Reserve Fund and from the investments and money included therein, shall be applied as the University Grants Committee thinks fit in any one or more of the following ways:

(12) The University Grants Committee may at its discretion at any time withdraw from the said Common Fund any amount for the time being to the credit of any trust estate in the said Common Fund; and where any amount is being so withdrawn,—

(a) If the capital of the said Reserve Fund has increased while the said amount was in the said Common Fund, the University Grants Committee shall pay out of the said Reserve Fund and add to the amount so withdrawn, as capital, such amount (if any) as it considers equitable having regard to the length of the period during which the amount was in the said Common Fund and to the proportion which the said amount bears to the average amount of the total assets of the said Common Fund during that period:

(b) If losses of capital in the said Common Fund have occurred during the said period, then, so far as those losses have not been reinstated and cannot be reinstated from the amounts in the said Reserve Fund at the time of the withdrawal, that amount shall bear its proportion of those losses, as determined by the University Grants Committee, and the amount being so withdrawn shall abate accordingly.

18. Accounts—(1) The University Grants Committee shall keep full and correct accounts of all money received and expended by it.

(2) The accounts shall be audited by the Audit Office, which for that purpose shall have all powers that it has under the Public Revenues Act 1953 in respect of public money and the audit of local authorities' accounts.

(3) The University Grants Committee shall, as soon as is practicable after the end of any financial year ending with such date as that Committee may determine, cause its accounts for that year to be balanced, and full and true statements and accounts of all the money received and expended by it in that year and of its assets and liabilities at the end of that year to be prepared and submitted to the Audit Office.

Cf. 1960, No. 26, s. 16

19. Fees and travelling allowances—(1) There may be paid to the members of the University Grants Committee and of the Curriculum Committee, the Research Committee, any Examination Board, any other subcommittee of the University Grants Committee, and the Universities Entrance Board remuneration by way of fees, salary, or allowances and travelling allowances and expenses in accordance with the Fees and Travelling Allowances Act 1951, and in respect of travel in New Zealand the provisions of that Act shall apply accordingly as if any members of any such committee, subcommittee, or Board (as well as members of the University Grants Committee) were members of a Statutory Board within the meaning of that Act.

(2) In respect of travel in New Zealand the University Grants Committee is hereby declared to be a statutory Board within the meaning of the Fees and Travelling Allowances Act 1951.

23. Authority of Committee to require information—

(1) The University Grants Committee shall have authority to require the Council of every University to supply it with all the information it considers necessary for the effective discharge of its duties.

Cf. 1960, No. 26, s. 20

24. Officers and staff—(1) The University Grants Committee shall have power to appoint and remove such officers and servants as may be necessary for the purposes of this Act.

(2) Notwithstanding anything to the contrary in section 19 of this Act, the University Grants Committee may pay to its Chairman and to its officers and servants such salaries and allowances as it thinks fit (including allowances and travelling expenses in respect of their attendance at any conference or meeting or in respect of their attendance to make any investigation that in the opinion of that Committee will render them better fitted to carry out their duties for that Committee):

Provided that the Chairman shall not be entitled to vote on any question before that Committee or any subcommittee thereof which directly affects his salary or allowances or in which he has a direct pecuniary interest.

(3) Service as Chairman or as an officer or servant of the University Grants Committee shall be deemed to be Education service within the meaning of the Superannuation Act 1956; and for the purposes of sections 52A and 52B of that Act (which were inserted by section 17 of the Superannuation Amendment Act 1959) the University Grants Committee shall be deemed to be a University.
