AN ACT to validate the Proceedings of Wardens' Courts held under the Gold Fields Acts in certain cases, and to indemnify the Wardens and Officers of such Courts from Proceedings in respect of any Illegality in the holding of such Courts. [25th October, 1872.] Title.

WHEREAS by "The Gold Fields Act, 1866," it is provided that it shall be lawful for the Governor from time to time, by Proclamation, to constitute and appoint any portion of the Colony to be a Gold Field under the provisions of the said Act, and the limits of such Gold Field from time to time to alter as occasion may require, and also, if he shall see fit, to revoke the Proclamation by which any such Gold Field shall have been constituted: And whereas by the forty-eighth section of the said Act it is also provided that it shall be lawful for the Governor, at any time subsequent to the proclamation of a Gold Field, to withdraw therefrom any Crown lands which he may deem it necessary to withdraw, and such lands shall thenceforth be sold occupied and disposed of as in the said Act mentioned: And whereas by the said Act it is also provided that it shall be lawful for the Governor as therein mentioned from time to time to delegate to the Superintendent of any Province, or to such Preamble.

other person as the Governor may deem fit, all or any of the powers vested in the Governor or the Governor in Council by the said Act, except the powers conferred by sections twenty-two, forty, forty-eight, sixty, ninety-six, and one hundred and seven: And whereas the Governor hath from time to time exercised the powers conferred by the lastly hereinbefore recited provision, and hath delegated to Superintendents of Provinces and to other persons all, or, as the case may have been, some of the powers vested in him by the said Act, except the powers contained in the said several sections hereinbefore mentioned, and such delegations, or some of them, are now in full force and operation throughout the Colony or in divers parts thereof: And whereas by the sixtieth section of the said Act it is enacted that it shall be lawful for the Governor, by Order in Council, from time to time to constitute for any Gold Field, or for any part thereof, Wardens' Courts for the administration of justice therein, and to appoint Wardens of such Courts, with power to act alone or with Assessors, and in such manner and to exercise all or any of the powers in the said Act mentioned as the Governor should think fit to direct: And whereas the Governor, by Order in Council, hath at divers times constituted Wardens' Courts for Gold Fields under the lastly hereinbefore recited Act, and hath also appointed Wardens of such Courts as and in manner therein provided: And whereas it appears that the Superintendents of Provinces, and others to whom the Governor hath delegated certain powers under the authority of the said Act, have at different times constituted and appointed certain parts of the Colony over which their powers extended to be Gold Fields under the said Act, or have altered the limits of existing Gold Fields by reducing or extending the same or in some other way: And whereas it hath happened in some cases that such constitution of a Gold Field, or such alteration thereof as aforesaid, hath been made without taking measures to provide for the constitution of Wardens' Courts, and the appointments of Wardens for such Courts, within such Gold Field so constituted or altered as aforesaid: And whereas it also appears that in some instances where under the hereinbefore recited powers Crown lands have been withdrawn from a Gold Field under the powers mentioned in the said Act, that Wardens' Courts within such Gold Field have continued to hold sittings in such part so withdrawn, and to exercise jurisdiction therein: And whereas, in consequence of the doubts existing as to the exercise of jurisdiction by such Wardens' Courts in the respective cases hereinbefore mentioned, and by reason of the many interests involved in the uncertainty as to the legal constitution of such Courts, and in order to protect Wardens and others who may have acted in or be affected by the proceedings of any such Courts, it is expedient that an Act should be passed for the purposes hereinafter set forth:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—
