**9. Appointment of liquidator**—The joint Ministers shall, by notice in the *Gazette*, appoint a suitable person to be the liquidator in relation to the affairs of the Waterfront Industry Commission.

**10. Duties and functions of liquidator while Commission in existence**—While the Commission continues in existence under the Waterfront Industry Commission Act 1976, the liquidator—

- (a) Shall identify all the assets and liabilities of the Commission; and
- (b) Shall be responsible—
  - (i) For preparing a plan for dealing with the assets and liabilities of the Commission; and
  - (ii) For advising the Commission on how it may best regulate its affairs in anticipation of its dissolution by this Act; and
- (c) Shall, on a port by port basis, consider any proposals from any group of registered employers or any registered employer at each port for arrangements that will remove the need for the Commission to operate at the port.

**11. Duties and functions of liquidator after Commission dissolved**—(1) After the specified date the liquidator shall be responsible for winding up the affairs of the Commission in accordance with this Act.

(2) The liquidator, in winding up the affairs of the Commission, shall endeavour to ensure—

- (b) That all liabilities of the Commission or of the liquidator are met from—
  - (i) The funds of the Commission; or
  - (ii) Funds realised from the Commission's assets; or
  - (iii) Levies imposed in accordance with section 13 of this Act; and
- (c) That the affairs of the Commission are wound up in an orderly fashion at the earliest opportunity.

**12. Powers of liquidator**—(1) The liquidator shall have all such powers as are reasonably necessary to enable the proper carrying out of the liquidator's functions and duties under this Act.

(2) Without limiting the generality of subsection (1) of this section, it is hereby declared that the liquidator may employ or engage other persons to assist in carrying out the liquidator's functions and duties under this Act.

**13. Power of liquidator to impose levies**—(1) The liquidator may impose levies, whether on a national basis or on a port by port basis, as the liquidator thinks appropriate, on the owners, agents, or masters of ships, and on any other employers of waterside workers, for the purpose of recovering the costs incurred by the liquidator in carrying out the liquidator's functions and duties under this Act.

(2) Levies may be imposed under subsection (1) of this section—

- (a) After the specified date; or
- (b) Where the Commission has, by virtue of a direction under section 14 of this Act, ceased to operate at a port, after the date specified in that direction.

(3) Where the Commission had, before the specified date, power to impose a levy in respect of particular costs incurred by the Commission but had not done so, the liquidator shall have the same powers as the Commission had to impose that levy to recover those costs.

**14. Power of liquidator to direct Commission to cease to operate at port**—(1) Where the liquidator is satisfied, in respect of any port, that arrangements that will remove the need for the Commission to operate at that port can be and will be established at that port (being arrangements resulting from the consideration of proposals under section 10 (c) of this Act),

the liquidator may give to the Commission a direction that the Commission shall, on a date specified in the direction, cease to operate at that port.

(2) Every direction under this section—

(a) Shall be in writing; and

(b) May, at the liquidator's discretion, relate to all or any of the Commission's functions, duties, and powers.

(3) Every direction under this section shall have effect according to its tenor and thereafter the Commission's functions, duties, and powers under the Waterfront Industry Commission Act 1976 shall be limited accordingly.

(4) As soon as practicable after the giving of a direction under this section, the liquidator shall publish a copy of that direction in the *Gazette*.

**15. Vesting of assets and liabilities**—From the close of the specified date, all assets and liabilities of the Commission shall vest in and become the assets and liabilities of the liquidator, to be dealt with by the liquidator in accordance with this Act.

(a) Which, immediately before the appropriate date,—

(i) Is held by the Commission under a lease, tenancy, licence, or agreement; or

(b) Which is situated—

(i) On land vested in a Harbour Board or a port company; or

(ii) On any wharf owned by or under the control of a Harbour Board or a port company.

(2) For the purposes of this section and section 20 of this Act, “the appropriate date”, in relation to any building to which this section applies, is—

(a) The specified date; or

(b) Where the building is situated at a port, the earlier of the specified date or the date on which the Commission ceases, by virtue of a direction under section 14 of this Act, to operate at that port.

(3) Every building to which this section applies shall be purchased by the Harbour Board or the port company that owns or controls the land or wharf on which the building is situated.

(4) Subject to section 18 of this Act, the purchase price shall be determined in accordance with section 17 of this Act.

(5) The liquidator shall determine in respect of each building to which this section applies whether that building was provided before or after the commencement of the 17th day of March 1953.

(2) Where the liquidator determines that a building to which section 16 of this Act applies was provided after the commencement of the 17th day of March 1953, the purchase price of that building shall, subject to subsection (3) of this section, be equal to two-thirds of its market value as determined by a registered valuer.

(3) Where a Harbour Board has contributed to the cost of a building to which section 16 of this Act applies (being a building provided after the commencement of the 17th day of March 1953) and the Commission has not reimbursed the Harbour Board for the amount contributed, the liquidator may, for the purposes of subsection (2) of this section, make a pro rata reduction in the market value of the building.

**18. Dispute concerning purchase price**—If any dispute concerning the amount of the purchase price of a building to which section 16 of this Act applies arises between—

(a) A Harbour Board or a port company; and

(b) The liquidator,—  
the dispute shall be referred to arbitration under the Arbitration Act 1908, with one arbitrator to be appointed by each party and an umpire to be appointed by those arbitrators before entering upon their reference.

**19. Date for payment of purchase price**—The liquidator may, in respect of any purchase price finally fixed under this section, impose a date by which the Harbour Board or the port company must pay to the liquidator the amount of that purchase price, and that amount or any portion of that amount that is unpaid at the close of that date shall become a debt due to the liquidator.

**20. Surrender of lease and cancellation of licences and agreements**—Where any building to which section 16 of this Act applies, or any land or wharf on which is situated any building to which section 16 of this Act applies, is subject to a lease, tenancy, licence, or agreement between the Commission and a Harbour Board or port company, as the case may be, the lease or tenancy shall be deemed to be surrendered as at the close of the appropriate date (as defined by section 16 (2) of this Act), or, as the case may require, the licence or agreement shall be deemed to be cancelled as at the close of that date, and the Commission and the liquidator shall not be liable to pay any further money under the lease, tenancy, licence, or agreement, or to pay any compensation for the surrender or cancellation of it.

**21. Protection of subtenants and occupiers**—Where, in the case of a building to which section 16 of this Act applies, any person is, immediately before the appropriate date,—

(a) Either—

(i) A subtenant of any part of that building as a result of the subletting of that part of that building to that person by the Commission; or

(ii) A person occupying any part of that building as the result of an agreement between that person and the Commission; and

(b) The lease, tenancy, licence, or agreement under which the Commission holds that building or the land or wharf on which that building is situated is deemed, by section 20 of this Act, to be surrendered or cancelled,—

that person shall, as the case may require, be deemed to become, on the same terms as applied under the lease, tenancy, licence, or agreement, either the tenant of the Harbour Board or port company that owns or controls the land or wharf on which that building is situated or a person occupying that part of that building as a result of an agreement between that person and that Harbour Board or port company.

**22. Registration of surrender of lease**—Where any lease deemed by section 20 of this Act to be surrendered is registered under the Land Transfer Act 1952, the District Land Registrar shall, on the application of the liquidator, note that surrender on the register and on the outstanding certificate of title.

**23. Term of office of liquidator**—(1) Any person appointed as liquidator shall be appointed for such term, not exceeding 12 months, as may be specified in the instrument of appointment.

(2) Any person appointed as liquidator shall be eligible for re-appointment from time to time.

(3) Any person appointed as liquidator may at any time be removed from office by the joint Ministers for disability, bankruptcy, neglect of duty, or misconduct proved to the satisfaction of the joint Ministers.

(4) Any person appointed as liquidator may at any time resign his or her office by giving written notice to that effect to the Minister of Labour.

**24. Expenses of liquidator**—(1) Before the close of the specified date the Commission shall be responsible for meeting all costs, charges, liabilities, and expenses incurred in good faith by the liquidator in the exercise of the liquidator's duties, functions, and powers under this Act.

(2) After the specified date, the liquidator shall pay any such costs, charges, liabilities, or expenses out of the money or property vested in or acquired by the liquidator as a result of the dissolution of the Commission.

(3) For the purposes of this section, costs incurred by the liquidator include an amount for the liquidator's services at a rate to be fixed from time to time by the joint Ministers.

**25. Indemnity**—(1) The liquidator shall not be personally liable for any acts done by the liquidator in exercise of the powers, duties, and functions of the liquidator under this Act, unless it is shown that the liquidator acted in bad faith or without reasonable care.

(2) The liquidator shall be indemnified out of the property held by the liquidator under this Act in respect of all liabilities incurred (other than those incurred in bad faith or without reasonable care).

(3) No action or proceeding shall be brought or commenced against the liquidator except by leave of the High Court and subject to such terms as that Court may impose.

**26. Application of certain Acts to liquidator and staff**—No person shall be deemed to be employed in the service of Her Majesty for the purposes of the State Sector Act 1988 or the Government Superannuation Fund Act 1956 by reason of that person's appointment as liquidator or by reason only of

that person's employment or engagement under section 12 (2) of this Act.

**27. Accounts**—(1) The liquidator shall keep proper books and accounts of all transactions and of all money and property vested in or acquired by the liquidator.

(2) The books and accounts of the liquidator shall be audited by the Audit Office or by an auditor to be appointed for the purpose by the Audit Office in the same manner in all respects as if the money and stores of the liquidator were public money and public stores within the meaning of the Public Finance Act 1977.

**28. Reports**—(1) The liquidator shall, as soon as practicable after the 30th day of September in each year, give to the joint Ministers a report on the liquidator's activities under this Act to that date, together with a copy of the liquidator's accounts and of the report of the Audit Office upon them.

(2) The liquidator shall, if the liquidator's term of office expires and the liquidator is not re-appointed by the joint Ministers, give to the joint Ministers a report on the liquidator's activities under this Act at the date of that expiry, together with a copy of the liquidator's accounts and of the report of the Audit Office upon them.

(3) As soon as practicable after receiving copies of any such report, accounts, and report of the Audit Office, the Minister of Labour shall lay copies before the House of Representatives.

**29. Access to property and records**—(1) The Commission and its staff shall afford the liquidator ready access to such of its property and records as is necessary to enable the liquidator to properly carry out the liquidator's duties and functions.

(2) The liquidator may hand over such records of the Commission in relation to any port as the liquidator thinks fit to an employer or group of employers.

**30. Distribution of accumulated funds**—(1) This section applies to funds accumulated by the Commission to meet ongoing liabilities of the Commission to workers in the waterfront industry, being liabilities required to be discharged as part of the terms and conditions of employment of such workers.

(2) Funds to which this section applies—

(a) Shall, for the purposes of section 31 of this Act, be deemed to be liabilities of the Commission; and

(b) Shall be distributed by the liquidator, on as equitable a basis as possible, to the employer or employers who accept continuing responsibility for the ongoing liabilities of the Commission in respect of which those funds were accumulated (being liabilities with respect to waterside workers and other workers within the waterfront industry).

(3) The liquidator may from time to time make interim distributions of funds to which this section applies.

(4) The liquidator shall, in making any distribution of funds to which this section applies, have regard, as far as practicable, to the basis on which those funds were collected by the Commission.

**31. Conclusion of liquidator's role**—(1) When the liquidator is satisfied that all assets of the Commission have been collected by the liquidator and that all liabilities of the Commission (including those to the liquidator) have been met, the liquidator shall hold any surplus funds on behalf of the joint Ministers and shall deal with those funds as directed by the joint Ministers.

(2) The joint Ministers shall decide how any surplus funds of the Commission are to be applied and shall direct the liquidator accordingly.

(3) In deciding how any surplus funds of the Commission are to be applied, the joint Ministers shall ensure that the surplus funds are applied for a purpose related to the waterfront industry.

**32. Application for directions**—Before exercising any power in relation to the liquidator's functions and duties under this Act, the liquidator may apply to the High Court *ex parte* for directions with respect to the exercise of the power, and the Court may, on any such application, make such order declaring the rights of persons before the Court or otherwise, as the Court thinks just, having regard to the intention of this Act.

not that agreement is registered or capable of registration under the Labour Relations Act 1987.

(2) Every such employee shall, unless he or she sooner dies or resigns or is sooner dismissed or declared redundant by the Commission, be deemed, as from the close of the specified date to be a redundant employee of the Commission.

(3) The Commission shall, in declaring employees redundant, comply with such of the requirements of any applicable agreement as relate to notice of, and compensation for, redundancy.

(2) The dissolution of the Commission shall not give rise to any claim for redundancy compensation against the Commission by any waterside worker.

(3) The dissolution of the Commission shall not affect, for the purposes of any applicable award or agreement, the continuity of service of any waterside worker.

*Savings and Transitional Provisions*

**38. Savings in respect of union rules**—Subject to section 42 of this Act, in any union rule recorded under the Labour Relations Act 1987 before the close of the 30th day of September 1989, every reference to the Waterfront Industry Commission Act 1976 or to any term that is defined in that Act shall be read as if that Act had not been repealed.

**39. Savings in respect of awards and agreements**—Subject to sections 40 to 43 of this Act, in any award or agreement registered or deemed to be registered under the Labour Relations Act 1987 and in force at the 30th day of September 1989, every reference to the Waterfront Industry Commission Act 1976 or to any term or procedure that is defined or established under any provision of that Act (other than section 9 (2)) shall be read as if that Act had not been repealed.

**40. (2) Where a principal order to which subsection (1) of this section applies was made on an application under section 18 of the Waterfront Industry Commission Act 1976 to which the only parties were—

(a) The New Zealand Waterfront Workers Union (or a union whose registration was cancelled under section 25 (7)

of the Labour Relations Act 1987 on the registration of the New Zealand Waterfront Workers Union); and

- (b) The New Zealand Waterside Employers' Industrial Union of Employers,—

that principal order shall be cancelled at the end of the period for which it was continued in force under section 171 (3) of the Labour Relations Act 1987 unless the parties to it notify the Arbitration Commission in writing before the expiration of that period that the parties wish it to be continued in force for a period specified by the parties (which period shall expire not later than one year after the expiry of the year for which the principal order was continued in force under section 171 (3) of the Labour Relations Act 1987).

(3) Nothing in subsections (4) and (5) of section 171 of the Labour Relations Act 1987 shall apply in respect of a principal order to which subsection (2) of this section applies.

**42. References to registered employers**—Every reference in a union rule, award, or agreement to “registered employer” or “registered employers” shall, as from the close of the 30th day of September 1989, be read as a reference to an employer or to employers from time to time operating in the waterfront industry.
