

AGRICULTURE (EMERGENCY REGULATIONS CONFIRMATION) BILL

EXPLANATORY NOTE

THIS Bill validates and confirms regulations made under the Agriculture (Emergency Powers) Act 1934 and laid before Parliament during the present session. This confirmation is required by section 27 of that Act if the regulations are not to expire at the close of the present session.

The Bill also repeals validating Acts passed over the last 20 years, and saves the validity of regulations confirmed by the repealed Acts.
