A BILL INTITULED

AN ACT to amend the Law relating to the Acquisition and Administration of Land for Settlements. Title.

WHEREAS it is expedient and administered by the Crown should be altered by vesting in a separate corporation all such land already acquired, and providing that all future acquisitions shall be made by that corporation, but so nevertheless that the administration, control, and disposal of all such land shall be by the Crown acting on behalf of that corporation: And whereas it is also expedient that the law relating to settlement land should be amended in other respects: Preamble.

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title.

1. (1.) This Act may be cited as the Land for Settlements Administration Act, 1909.

(2.) This Act shall be read and construed with the Land for Settlements Act, 1908 (hereinafter called the principal Act).

Interpretation.

2. In this Act, if not inconsistent with the context,—

“Advances Account” means the Advances Account under the Advances Act:

“Advances Act” means the New Zealand State-guaranteed Advances Act, 1909:

“Land for Settlements Acts” includes this Act and the principal Act:

“Settlement land” includes all land now held or hereafter acquired under the principal Act:

“Superintendent” means the Superintendent under the Advances Act.

Transfer of Assets to Superintendent.

All settlement land and moneys vested in Superintendent.

3. (1.) All settlement land which on the coming into operation of this Act is vested in His Majesty is hereby *deemed to be* vested in the Superintendent *so far as the beneficial interest therein is concerned; but all such land shall nevertheless be deemed to be Crown land under the principal Act, and the legal title thereto shall accordingly be and remain in His Majesty, not in the Superintendent.*

(2.) All moneys and other property now belonging to His Majesty under the principal Act are hereby *deemed to be* vested in the Superintendent *to the same extent and in the same manner as such land as aforesaid is hereby vested in the Superintendent.*

(3.) All land, moneys, and other property which are hereafter acquired by His Majesty under the Land for Settlements Acts shall, upon the acquisition thereof, be deemed to be vested in the Superintendent *to the same extent and in the same manner as land is vested in the Superintendent by subsection one of section three hereof.*

(4.) A certificate under the hand of the Minister of Lands that any land, money, or property is vested in the Superintendent pursuant to this section shall be conclusive evidence of the fact.

Administration of settlement land not affected.

4. The foregoing vesting provisions shall not in any way alter or affect the administration of settlement land or the operation of the principal Act or any other Act relating to settlement land or Crown land.

Provisions as to administration.

5. To further carry out the meaning and intent of the *last preceding* section, but without in any way limiting its generality, the following provisions shall apply:—

Struck out.

(a.) All settlement land shall be deemed to be Crown land under the principal Act, and the legal title thereto shall accordingly be and remain in His Majesty, not in the Superintendent.

(b.) All the powers and functions of the Governor in Council, the Governor, the Minister of Finance, the Minister of Lands, the Commissioner, the Receiver, the Land Board, the Board of Land Purchase Commissioners, and generally of every person and authority appointed or acting under the principal Act shall continue as if this Act had not been passed.

(c.) All such functions and powers shall be and be deemed to be exercisable on behalf of the Superintendent (but without his name appearing) to the intent that all the provisions of the Land for Settlements Acts and of any other enactment relating to settlement land may enure as fully and effectually as if the settlement land were vested in His Majesty instead of the Superintendent.

Special as to Moneys raised by Government under Principal Act. Transfer of Liability to Superintendent.

6. With respect to the moneys that have heretofore been raised by the Government for the purposes of the principal Act or any prior Act passed for like purposes, the following provisions shall apply:—

(a.) The Audit Office shall certify the total amounts so raised.

(b.) As between the Government and the Superintendent, the respective amounts so certified shall be entered in the appropriate accounts of that office as capital liabilities of the Superintendent under and for the purposes of the Land for Settlements Acts, and shall be credited by the Treasury in the Public Accounts of the Dominion in reduction of the public debt.

7. For the purpose of repaying the moneys referred to in the last preceding section, or of redeeming or exchanging the debentures or other securities issued by the Government in respect thereof and outstanding on the coming into operation of this Act, the following special provisions shall apply, anything elsewhere in this or any other Act to the contrary notwithstanding:—

(a.) The Minister of Finance, on behalf of the Superintendent, may from time to time, under and subject to the provisions of sections *eight to eleven* hereof, raise such sums and issue such debentures and other securities as may be required.

(b.) The moneys so raised and the debentures and other securities so issued shall be applied only in repaying the aforesaid outstanding moneys, or of redeeming or exchanging the aforesaid outstanding debentures or other securities.

(c.) The limitations imposed by section *nine* hereof with respect to the amount to be authorised or raised shall not apply.

10. (1.) All sums so raised, with all interest thereon, and all debentures and other securities issued in respect thereof, shall be and be deemed to be guaranteed by the Government of New Zealand. 30

(2.) In order to give full effect to such guarantee it is hereby declared that all principal and interest becoming payable in respect of the sums so raised shall, if and as often as any default is made by the Superintendent in the payment thereof, be payable by the Minister of Finance out of the Consolidated Fund without further appropriation than this Act. 35

(2.) Section forty-two of the principal Act (relating to the Land for Settlements Account) shall be construed subject to the foregoing provisions of this present section.

15 14.
