A BILL INTITULED

- An Act to give Effect to certain Certificates of the Native Land Title. Court, given under "The Native Land (Validation of Titles) Act, 1892."
- 5 WHEREAS the Native Land Court has held inquiries, pursuant to Preamble. "The Native Land (Validation of Titles) Act, 1892" (hereinafter called "the said Act"), in respect of the sales or alleged sales to European purchasers by persons of the Native race of the several blocks of land specified in the Schedule hereto, or of undivided interests therein,
- 10 and has given certificates in respect of the same respectively under the provisions of the said Act: And whereas it is provided by section seventeen of the said Act that every certificate given by the Court shall remain in the office of the Court, and shall not be delivered to any person for any purpose whatever, or be capable of registration
- 15 under any Act, until such certificate has been confirmed by Act of Parliament: And whereas it is just that the certificates so given shall be made effectual: And whereas the instruments produced to the Court in evidence of the said several transactions are also particularly specified in the Schedule hereto:
- 20BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—
 - 1. The Short Title of this Act is "The Native Land Court short Title. Certificates Confirmation Act, 1893."
- 25 2. This Act shall be read together with "The Native Land Construction of Act, Court Act, 1886," and the several Acts amending the same, and with the said Act.
- 3. The several certificates given by the Court under the said Certificates in Act in respect of the alienations effected, or purported to be effected, Schedule confirmed.

30 by the instruments specified in the Schedule hereto are hereby confirmed.

No. 114—2.

Consequent orders of Court thereon.

4. The Court shall cause effect to be given to the certificates hereby confirmed by issuing orders under the seal of the Court, declaring that the persons named in such orders respectively are entitled to the estate defined in such orders in the said several blocks, or in specific part or parts thereof. The Court shall, for the purpose of enabling it to make such orders, continue to have the powers conferred on it by sections seven, eight, and thirteen of the said Act, notwithstanding that the said certificates have already been given, and may adopt, vary, or amend any partition heretofore made, notwithstanding that such partition may have been originally made 10 without jurisdiction.

The Court may, in issuing such orders, give effect to contracts for alienation as if such contracts had been expressed in deeds duly

executed.

5. Where the first alience from a Native in any of the said 15 blocks has subsequently transferred, or purported to transfer, his estate or interest to another person, the Court may issue an order, either in favour of the first alience or of such other person, but any order issued in favour of such first alience shall contain a reference to the alleged rights of such other person.

6. Every order issued by the Court under this Act shall be a final and conclusive determination that, notwithstanding anything contained in any Act relating to Native lands, the land described therein has become vested in the person named in such order for the estate defined therein, subject only to such estates or interests as 25 may have been created by the person named in such order; and upon production to him of any such order, it shall be the duty of a District Land Registrar in whose district the lands described in such order are situate to issue a certificate of title to the person named in such order, but no claim on the Assurance Fund shall arise or be 30 deemed to have arisen by reason of making any certificate of title in pursuance of such order:

Provided that until there has been a partition made no such certi-

ficate of title shall be issued for any undivided interest.

New clause.
