Extension of provisions for registration of persons who were practising as opticians on passing of principal Act.

15 (2) On receipt of any application under the *last preceding* subsection, the Board shall cause the application to be referred to a Stipendiary Magistrate to determine whether or not there was any good and sufficient reason  
20 why the applicant failed to make application within the time limited by subsection two of section six of the principal Act.

(3) If in any such case the Magistrate is of opinion that the applicant had a good and sufficient reason for failing to make application within the time required by the principal Act, he shall so report to the Board, and thereupon the Board shall deal with the application as if it had been duly made within the time limited by the principal Act in that behalf. 5

(2) If no reply is received to that letter within three months from the posting thereof, or if the letter is not delivered and is returned to the Registrar, the Registrar shall, if the Board so directs, remove from the register the name of the optician to whom the letter was so sent. 25

(3) Any person whose name has been removed from the register in pursuance of this section may apply to the Registrar to have his name restored to the register, and, on proof to the satisfaction of the Board that his name has been removed by mistake, the Registrar shall, if so directed by the Board, restore to the register the name of that optician : 30
