A BILL INTITULED

- AN ACT to empower the Onerahi Town Board to make and levy in respect of properties within the Onerahi Town District water charges to be fixed, *inter alia*, by way of uniform annual charges to consumers. Title.
- 5
- WHEREAS the existing provisions of the Municipal Corporations Act 1933 and of section thirty-six of the Local Legislation Act 1926 for the levying of water rates have been found within the Onerahi Town District to operate inequitably, inasmuch as a water rate based on the unimproved values or on the annual values of all rateable [*property*] **properties** within the district or on the quantity of water consumed would cause undue hardship to the owners of certain of such properties: And Preamble.
- 10
- 15 whereas since the first day of April, nineteen hundred and fifty-two, and for many years before that date, the Onerahi Town Board has purported to make and levy in respect of all properties within the Onerahi Town

District water charges fixed by uniform annual charges to consumers covering the period from the first day of April to the following thirty-first day of March, and payable half-yearly within fourteen days from the date of the demands for the periods from the first day of April to the following thirtieth day of September and from the first day of October to the following thirty-first day of March: And whereas the making and levying of such water charges was not in accordance with the provisions of sections eighty-two to eighty-six of the Municipal Corporations Act 1933 or section thirty-six of the Local Legislation Act 1926, and the Onerahi Town Board had no authority to make and levy the said charges: And whereas it is desirable that such water charges should be validated as from the first day of April, nineteen hundred and fifty-two: And whereas it is desirable that such water charges should be made and levied permanently:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:

3. (1) The Board may from time to time, in the manner provided by the Municipal Corporations Act 1933, make by-laws providing for the payment for water supply purposes of an annual charge (hereinafter referred to as a water charge), and may in every year levy a water charge in accordance with such by-laws on all rateable property situated within the town district which is directly or indirectly supplied with water by the Board, and may also in every year levy such water charge on all non-rateable property (not being lands vested in Her Majesty of which there is not an owner or occupier, as defined by the Rating Act 1925, other than Her Majesty) situated within the town district and connected with and receiving service from the Board's water supply system.

5 (3) The water charges may in any year be of a sufficient amount to provide for the payment of the whole or part of the interest and other charges for that year on any loan or loans heretofore or hereafter raised by the Board for water supply purposes and of the cost of

20 payment of the whole or part of the interest and other charges on the loan refrain from levying the said special rate or reduce the amount thereof to be levied in that year, as the case may require.

(5) The proceeds of any water charge shall be
25 available only for the purposes mentioned in subsection *three* of this section,
