### A BILL INTITULED

AN ACT to authorize the granting to the Mayor, Councilors, and Burgesses of Onehunga Two Acres of Land as a Water Reserve. Title.

WHEREAS the two acres of land described in the Schedule hereto Preamble.  
have, ever since the laying out of the Town of Onehunga, been for the benefit of the public kept unsold, and are necessarily required to give access to the springs known as Bycroft's Springs:  
5 And whereas some years ago the said two acres were included in the list of reserves made for educational purposes, but have not been made use of for such purpose; And whereas, by "The Onehunga Endowments Act, 1877," it was enacted that these two acres might be surrendered by the Board of Education to  
10 the Onehunga Borough Council, upon the Board being satisfied either that such allotments were reserved from sale on account of their contiguity to the public springs of the borough, or on being satisfied that the public interests require that these allotments should be constituted a municipal reserve for water purposes; but no such surrender  
15 was made by the Education Board: And whereas the said Board is now incompetent to deal with the matter, inasmuch as the said two acres are now vested in the School Commissioners for the Auckland Provincial District, in pursuance of the provisions of "The Education Reserves Act, 1877:" And whereas it is desirable that these lands  
20 should be secured inalienably to the Borough of Onehunga as a reserve for watering purposes, as hereinafter expressed:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title.
