(5) Except as expressly provided in this Act or in regulations made under this Act, the Disciplinary Committee may regulate its procedure in such manner as it thinks fit. 30

Disciplinary  
powers of  
Committee  
and Board.

**29.** (1) If the Board has reason to believe that any chemist has been guilty of grave impropriety or infamous conduct in any professional respect, it may cause to be served on him a notice specifying the grounds of its belief with sufficient particularity to enable the chemist to answer the same, and requiring him to appear before the Disciplinary Committee at a time and place to be specified, to show cause why his name should not be removed from the register, or why he should not be suspended from carrying on business or be otherwise dealt with in accordance with this section. 35  
40

(2) If any chemist on whom a notice has been served under this section fails to appear before the Disciplinary Committee in accordance with the terms of that notice, or, having appeared, fails to satisfy  
5 the Committee either that he has not been guilty of the alleged impropriety or infamous conduct or that his conduct has not been of such a nature as to render the exercise of the powers of the Board under this section expedient in the interests of the public, the  
10 Committee may, by writing under the hand of its Chairman, recommend the Board to do one or more of the following things:—

(a) Order that his name be removed from the register in accordance with the provisions in  
15 that behalf of section *twenty-six* of this Act:

25 Disciplinary Committee under the *last preceding* subsection, the Board, in its discretion, may give effect to the recommendation wholly or partly, or may take any other action in accordance with that subsection that is not more severe than the action  
30 recommended by the Committee.

(4) Any penalty or costs ordered to be paid by any chemist under this section shall be deemed to be a debt due by him to the Society, and shall be recoverable accordingly in any Court of competent  
35 jurisdiction.

(5) While any order of suspension from carrying on business under this section remains in force the chemist shall be deemed not to be a chemist, but forthwith on the expiry of the order his rights and  
40 privileges as a chemist shall be revived as from the date of the expiry of the order.

(6) An order of suspension shall not take effect in any case until the expiration of the period within which notice of appeal against the order may be given under section *thirty-one* of this Act. If within that period the chemist gives due notice of appeal, the order shall not take effect unless and until it is confirmed by the Board of Appeal or the appeal is for any reason dismissed by that Board: 5

Provided that, unless the Board of Appeal otherwise orders, the period of suspension specified in the order shall commence on the day when the order commences to have effect. 10

*Enrolled Managers.*

(2) If the Board, after considering any application under this section, is of opinion that the applicant is a fit person to have an enrolled manager for the pharmacy and that the proposed manager is a fit person to be enrolled as the manager thereof, it shall so direct, and the Registrar shall thereupon enrol the manager accordingly. 25

(3) Enrolment under this section shall be effected by the entry in a roll (which shall be kept by the Registrar) of the address of the pharmacy, the name and address of the proprietor, the name of the manager, and such other particulars as may be prescribed. 30

(4) Where a manager ceases to have the immediate supervision and control of the pharmacy of which he is the enrolled manager, it shall be the duty of the proprietor and of the manager forthwith to give notice in writing to the Registrar of the fact that the manager has so ceased to have the immediate supervision and control of the pharmacy. If no notice is given as required by this section the proprietor and the manager shall each be liable on summary conviction to a fine of *five* pounds. 35 40

(5) The Registrar shall forthwith remove the manager's name from the roll and give notice of the removal to the manager and the proprietor—

- 5 (a) If he receives a notice from the manager or the proprietor under the *last preceding* subsection:
- (b) If the name of the manager is removed from the Pharmaceutical Register:
- 10 (c) If the registration of the manager is suspended, or if he is suspended from carrying on business as a chemist:
- (d) If the Board so directs upon the ground that, in the opinion of the Board, the proprietor has ceased to be a fit person to have an
- 15 enrolled manager for the pharmacy or the manager has ceased to be a fit person to be enrolled as the manager thereof.
- (6) Every person who continues to act as the manager of a pharmacy after he has ceased to be
- 20 enrolled as the manager thereof commits an offence and shall be liable on summary conviction to a fine of *five* pounds, and to a further fine of *one* pound for every day on which the offence is committed.

#### *Appeals.*

- 25 **31.** (1) Every person who is directly affected by any decision of the Board and is aggrieved thereby may, within *twenty-one* days after notice of the decision has been given to him by the Registrar, give notice of appeal in the prescribed manner to the Registrar.
- 30 (2) Upon receipt of the notice of appeal the Registrar shall forthwith inform the Minister who shall thereupon take all steps necessary for the constitution of a Board of Appeal, consisting of a Magistrate and two assessors. The assessors shall be chemists to be
- 35 appointed in accordance with regulations made under this Act to represent the Pharmacy Board and the appellant respectively.
