WHEREAS the Dunedin and Moeraki Railway passes through the entire extent of the Town Belt of Port Chalmers, and upwards of eight acres of such belt have been taken to construct the said railway, and the remaining part of the said belt is so cut up as to render it nearly useless for the purposes for which it was originally set apart: And whereas by the construction of the said railway the said Town Belt and other property belonging to the Corporation of the said town has been injuriously affected to a large extent, and it is just and equitable to make compensation for the land so taken and the property so injuriously affected:

4. Any land vested in the body corporate under the provisions of this Act shall be held upon trust as an endowment in aid of the borough funds of the said town, ~~and may be dealt with and disposed of in all respects as the Municipal Council of the said Town of Port Chalmers may from time to time think best; and it shall be lawful for the~~ said body corporate to lease the said lands, or any part thereof, for any term not exceeding twenty-one years, to take effect in immediate possession, at such rent or rents, and subject to such covenants and conditions on the part of the lessors and lessees respectively as to the said body corporate shall seem expedient.

5. The passing of this Act shall be deemed a full and complete discharge of all claims and demands which the said Town of Port Chalmers, or the body corporate thereof, are entitled to for the land so taken as aforesaid, or for any injuries or damage arising through the construction of the said railway.

6. No grant shall hereafter be made to the body corporate of the said town of Port Chalmers under the provisions of the three hundred and fiftieth section of "The Municipal Corporations Act, 1876," notwithstanding such town may be constituted a borough under that Act; and, so far as regards the said town, the powers conferred by the said section are hereby revoked.
