

PRIMARY PRODUCTS MARKETING REGULATIONS VALIDATION AND CONFIRMATION BILL

EXPLANATORY NOTE

THIS Bill validates and confirms the Egg Marketing (Production Entitlement) Regulations 1970. Some doubts have been expressed as to the validity of the regulations. The Bill makes it clear that they are validly made under the Primary Products Marketing Act 1953, and that in being laid before Parliament during the present session the regulations are in accordance with section 3 of that Act. In any case, confirmation is required by section 4 of the Act if the regulations are not to expire on the close of the session in which they have been laid before Parliament.
