(3) This section is in substitution for subsection two of section forty-three of the principal Act, and that subsection, with so much of the Schedule to the Public Works Amendment Act, 1909, as relates thereto, is hereby repealed.

3. Any land held, taken, purchased, or acquired for a public work 10 and proposed to be sold pursuant to the authority conferred by section thirty of the principal Act may, with the concurrence of the Governor-General, be sold on deferred payments extending over such period, not exceeding five years, and on such terms and conditions as the Minister or the local authorit, as the case may be, may determine.

4. (1) Section one hundred and nine of the principal Act is hereby amended as follows:

(a) By omitting the words "constructing or" wherever they occur in súbsection one:

(b) By omitting from the same subsection all words after the words 20 "to enable effect to be given hereto," and substituting the words "the provisions of section one hundred and twenty hereof shall, with the necessary modifications, apply."

(2) For the purposes of section one hundred and nine of the principal Act, the maintenance of a road shall be deemed to include its 25

repair and improvement.

5. (1) In any case where a road constructed or proposed to be constructed in one district is or is likely to be largely used for the purpose of traffic to or from any other district or districts, and affords or will afford access to or from such district or districts, and the 30 Governor-General is of opinion that it is equitable that the latter district or districts should contribute towards the cost of the construction of the whole or any portion of such road in the former district, the Governor-General may at any time apportion the cost of the construction of the whole or any part of such road among the local 35 authorities of the respective districts as he thinks fit; and for that purpose, and to enable effect to be given hereto, the provisions of section one hundred and nineteen of the principal Act shall, with the necessary modifications, apply.

(2) For the purposes of this section the construction of a road 40 includes the reconstruction of the same, in whole or in part, and the cost of construction of a road includes the cost of any land acquired for the purposes thereof, and also includes any expenditure incidental to

such acquisition.

- 6. (1) Section one hundred and nineteen of the principal Act is 45 hereby amended by repealing the definition of the expression "the construction of a bridge," and substituting the following definition:-
 - "The construction of a bridge includes the construction of a new bridge, an addition to the length of a bridge, and the complete or partial rebuilding of a bridge or of a 50 substantial portion of a bridge."

Repeals.

Land taken for public work and not required may be sold on system of deferred payments.

Limiting operation of section 109 of principal Act to procedure for apportionment of cost of maintaining a road or street.

Apportionment between local authorities concerned of cost of construction in any district of road u.ed or likely to be used largely for purposes of traffic from other districts.

Cf. 1908, No. 160. s. 109

Cost of construction of bridge, in appropriate cases. to be apportioned under section 119 instead of section 120 of principal Act.

(2) Section one hundred and twenty of the principal Act is hereby amended by omitting from subsections four, six, and seven the words "repairing, improving, or reconstructing," and in each case substituting the words "or repairing."

7. Section one hundred and forty-five of the principal Act is hereby Protection of Crown

amended by adding the following as subsection two thereof:-

"(2) Except with the prior consent in writing of the Minister a local other lines placed authority shall not authorize or suffer any encroachment on a road if such encroachment would or might interfere with or in any way obstruct 10 the right of the Crown or of any other local authority or public body to construct, place, maintain, alter, remove, or otherwise deal with any electric-wires, telephone-wires, telegraph-wires, or pneumatic tubes on, over, or under such road."

rights with respect to telegraph or under roads.

8. (1) Any Proclamation defining the middle-line of a proposed As to contents of 15 railway, issued under section one hundred and eighty-eight of the principal Act, may define, in respect of any portion of such line, the line of proposed distance on each side thereof, being not greater in any case than railway. ten chains, within which the powers conferred on the Minister by section one hundred and ninety of the principal Act may be exercised.

(2) Section one hundred and ninety of the principal Act is hereby amended by inserting, after the words "within a distance of ten chains on either side thereof, in paragraph (a) of subsection one, the words "or within such lesser distance as may be prescribed in that behalf in

the Proclamation defining the said middle-line.

20

25

9. Section seven of the Public Works Amendment Act, 1924, is On completion of hereby amended by adding to subsection two thereof the following words: "At any time after a railway or any part thereof has been Proclamation opened for traffic the Minister may cause to be deposited, without fee, in defining the middle-line thereof, but not the appropriate District Land Registry Office a certificate, signed by or taken for purposes 30 on behalf of the Minister, to the effect that the railway or part thereof, be released. as the case may be, has been opened for traffic, and setting forth a description or reference to all lands taken or otherwise acquired for the purposes of such railway or part. On the deposit of any such certificate the District Land Registrar shall take all necessary steps to discharge as or cancel the memorials or entries made pursuant to the foregoing provisions of this section in respect of all lands referred to in a Proclamation as aforesaid, and not so taken or acquired."

railway, lands

10. (1) Section eight of the Public Works Amendment Act, 1911, Special provisions as is hereby amended by inserting in subsection one and also in subsection to moneys due under 40 two, after the words "moneys becoming due under the agreement agreements and not during the period of his occupancy in respect of the land so in his paid. occupation," the words "and all moneys accrued due under such agreement and unpaid in respect of such land at the commencement of

irrigation

(2) Subsection one of section thirteen of the Public Works Amend-45 ment Act, 1924, is hereby repealed, and the following subsections are substituted therefor:

"(1) If at any time any moneys are due and unpaid under an irrigation agreement registered pursuant to section eight of the Public 50 Works Amendment Act, 1911, the District Engineer of the Public Works Department for the district in which is situated the land subject to that agreement may, without fee, deposit with the District Land Registrar or Registrar of Deeds, as the case may be, in the land registration district in which the land is situated a certificate under his hand specifying the amount due and unpaid in respect of such land, and the Registrar shall thereupon register the same as a charge against the land. Whilst any such charge is so registered no transfer, conveyance, lease, or other alienation of the land or of any interest therein, or of any part thereof, shall be registered without the prior consent of the Minister.

"(1A) Upon payment to the Crown of the full amount in respect of which a charge has been registered as aforesaid, and if all moneys that 10 have subsequently accrued due under the agreement have been paid, the District Engineer shall forthwith cause a release of such charge to be registered, and the District Land Registrar or Registrar of Deeds shall, without fee, register such release."

11. (1) Section nineteen of the Public Works Amendment Act, 1924, 15 is hereby amended by omitting from subsection one the words "used for hire or used for commercial purposes in the carriage of passengers

and goods, and."

(2) Regulations made under the said section for the classification of roads and streets, as provided for in paragraph (b) of subsection two 20 thereof, may make provision for the same road or street being classified in two or more classes, its classification at any point of time being determined by the period of the year.

Section 19 of Public Works Amendment Act, 1924, amended.

By Authority: W. A. G. SERMER, Government Printer, Wellington,-1927.
