A BILL INTITULED

AN ACT to amend "The Westland and Nelson Coalfields Administration Act, 1877." Title.

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

1. The Short Title of this Act is "The Westland and Nelson Coalfields Administration Act 1877 Amendment Act, 1893." Short Title.

2. The following provisions shall have operation in respect of the Westport Colliery Reserve, as the same is defined in the Fourth Schedule to "The Westland and Nelson Coalfields Administration Act, 1877," and shall be read as part of that Act. Provision as to lands within Westport Colliery Reserve.

3. The Governor, by Order in Council, gazetted, to be issued as soon as may be after the commencement of this Act, shall define such further portions of the aforesaid reserve, in addition to the portions thereof already set apart for railway purposes by an Order in Council of the twenty-third day of February, one thousand eight hundred and seventy-six (*Gazette*, 1876, page 200), as are likely to be required for railway purposes or other public purposes, and shall set apart such further portions for the aforesaid purposes accordingly. Governor may set apart additional reserves.

4. With respect to lands included within any such first-mentioned Order in Council as set apart for railway or other public purposes, every lessee of land which is not immediately required for railway purposes shall continue to hold his lease subject to the conditions upon which the same was granted, but subject to the power of the Governor to take the land comprised therein as aforesaid. Rights of tenants holding under Orders in Council.

The provisions of section eighteen of the last-named Act shall apply in respect of all the aforesaid leases, and to the respective holders thereof, and to the compensation to be paid for any land

taken for railway or other purposes, in the same manner as in the said section provided with respect to land set apart by the Order in Council of the twenty-third day of February, one thousand eight hundred and seventy-six, in the said section mentioned.

5. With respect to lands not included within either of the aforesaid Orders in Council— 5

(a.) Every lessee of any part of the said reserve may at any time within twelve months after the commencement of this Act, *with the written consent of any sub-lessees and mortgagees (if any)*, apply to the Land Board for a revaluation of the land comprised in his lease. 10

The Board, subject to the approval of the Governor, but not before the gazetting of the Order in Council first above mentioned in section *three*, may cause a valuation to be made of the remainder of the said land, without improvements, and on the surrender of the original lease may grant the lessee, or any person entitled by or through such lessee, a new lease of the land comprised in his original lease, at a rent based upon the aforesaid valuation, for a term not exceeding twenty-one years. *Every lease granted under the provisions of this subsection (a) shall be subject, at the expiration thereof respectively, to the provisions of sections three and four hereof.* 15 20

(b.) Every lessee, as last aforesaid, who does not obtain a renewal of his lease under the last-preceding subsection, shall continue to hold his lease on the terms on which the same was originally granted, or upon such amended or altered terms as may be mutually agreed upon by both the parties, and on the expiration or determination thereof, and on the expiration or determination of every future lease to be made of the portion of the said reserve mentioned in this subsection, the following provisions shall take effect:— 25
