[LOCAL BILL.]

ANALYSIS.

Title.
Preamble.
1. Short Title.

2. Authorizing Wairau River Board to divert Waihopai River.
3. Certain works to be property of Board.

A BILL INTITULED

AN ACT to enable the Wairau River Board to divert the
Waihopai River or Part thereof. Title.

WHEREAS it is desirable in the public interests for the
5 purposes of water-supply that the Waihopai River, or
part of the waters thereof, should be diverted from a
point outside the Wairau River District to the bed of
the Opawa River within such river district : And whereas
the Wairau River Board is prepared to carry out and
10 maintain such diversion if empowered to do so : Preamble.

BE IT THEREFORE ENACTED by the General Assembly
of New Zealand in Parliament assembled, and by the
authority of the same, as follows :—

1. This Act may be cited as the Wairau River Board
15 Empowering Act, 1934. Short Title.

2. (1) The Wairau River Board (hereinafter referred
to as the Board) is hereby empowered to enter upon any
land outside the Wairau River District (hereinafter
referred to as such district) and divert the Waihopai
20 River, or any portion of the waters thereof, from any point
within the space of two miles beyond the upstream
boundary of such district and carry the waters so diverted
by artificial or natural channels to the bed of the Opawa
River within such district, and do all things as may in the
Authorizing
Wairau River
Board to divert
Waihopai River.

opinion of the Board be necessary to effectually carry out and maintain such diversion and the works connected therewith.

Struck out.

, without payment of any compensation for loss of riparian or other water-rights in any such case. 5

(2) For the purpose of undertaking and carrying out the aforesaid diversion, and without restricting the powers hereinbefore conferred, the Board may from time to time, at its discretion,— 10

(a) Straigten, shorten, divert, deepen, widen, or diminish the width of, or alter the course of, the Waihopai River within the said space of two miles beyond the upstream boundary of such district, and construct and maintain diversion-channels, stop-banks, groynes, flood-gates, protective and other works in, upon, or about the bed or banks of the said river or of channels constructed from such river to the Opawa River within such district : 15 20

(b) Divert, raise, lower, or alter roads, bridges, and culverts where in the opinion of the Board they interfere with any works constructed or authorized hereunder : 20

New. 25

Provided that before interfering with any road, bridge, or culvert the Board shall give not less than one month's notice in writing to the local authority having the control of such road, bridge, or culvert, and if such local authority objects to such interference the matter shall be referred to the Minister of Public Works, whose decision shall be final : 30

(c) Remove any trees or obstructions to the said Waihopai River or to any channels or works constructed hereunder : 35

(d) Cleanse, repair, and maintain in a due state of efficiency any channel or other works constructed by the Board under the powers conferred by this Act : 40

(e) Exercise any of the powers and authorities conferred on the Board by the River Boards Act, 1908, as though the works to be carried out or constructed hereunder were wholly within such district and were for the purposes of protection from flood-waters. 45

3. Every channel, flood-gate, box, valve, stop-bank, or other work constructed or maintained by the Board shall be deemed to be the property of the Board ; and any person doing any act whereby any such channel, flood-gate, box, valve, stop-bank, or other work may be damaged or its efficiency impaired, or doing any work or thing which prevents, obstructs, or impedes the Board in carrying out or doing any of the works hereby authorized, commits an offence and is liable to a fine not exceeding ~~five~~ *one* hundred pounds.

Certain works to be property of Board.
