APPROPRIATION BILL (NO. 2)

Proposed Amendment

Hon. Mr DOUGLAS, in Committee, to move the following amendment:

To omit from the Fourth Schedule (on page 6) the following items:

"Vote—Crown Law	17
"Vote—Education	9
"Vote—Commission for the Environment	19,403"

and substitute the following items:

"Vote—Crown Law	9
"Vote—Education	19,403
"Vote—Commission for the Environment	17"

EXPLANATORY NOTE

The amendment proposed in this Supplementary Order Paper corrects errors in the Fourth Schedule (which contains the unauthorised expenditure statement for the year 1984–85).

Three sums have been accidentally transposed and are not correctly aligned with the names of the 3 departments to which these sums relate. The amendment corrects the alignment of these 3 sums.
