

SUPPLEMENTARY ORDER PAPER.

HOUSE OF REPRESENTATIVES.

Thursday, the 8th Day of August, 1895.

TARIFF PROPOSALS.

Mr. G. J. SMITH to move, as an amendment, when the Tariff proposals of the Government are considered by Bill or resolution,—

“That the Tariff proposals of the Government do not meet with the approval of this House, inasmuch as they will not lessen the burden of taxation now resting upon the people of the colony, nor will the proposals in any way tend to foster and encourage the industries of the colony.”

ALCOHOLIC LIQUORS SALE CONTROL ACT AMENDMENT BILL.

Mr. BUDDO, in Committee, to move the following new clauses:—

A licensee shall have one bar only on his licensed premises, and no liquor shall be sold or exposed for sale except in said bar, but such provision shall not prevent the licensee supplying liquor from said bar to persons in other rooms of said licensed premises.

Subsection (2) of clause 37, of “The Licensing Act, 1881,” is hereby repealed.

Any traveller entering or being found on any licensed premises, within a distance of five miles of other licensed premises he may have called at for the purposes of refreshment, unless for the purposes of business or as a lodger, is liable to a penalty not exceeding *two* pounds.

If during any period during which any premises are required under the provisions of the Licensing Acts to be closed any person is found on such premises, he shall, unless he satisfies the Court that he was an inmate, servant, or a lodger on such premises, or a *bona fide* traveller, or that otherwise his presence on such premises was not in contravention of the provisions of the Licensing Acts with respect to the closing of licensed premises, be liable to a penalty not exceeding *forty* shillings.

Any constable may demand the name and address of any person found on any premises during the period during which they are required by the provisions of the Licensing Acts to be closed, and, if he has reasonable ground to suppose that the name or address given is false, may require evidence of the correctness of such name and address, and may, if such person fail upon such demand to give his name or address, or such evidence, apprehend him without warrant, and carry him as soon as practicable before a Justice of the Peace.

Any person required by a constable under this section to give his name and address who fails to give the same, or gives a false name or address, shall be liable to a penalty not exceeding *five* pounds.

Every person who by falsely representing himself to be a traveller or a lodger buys or obtains, or attempts to buy or obtain, at any premises any intoxicating liquor during the period during which such premises are closed in pursuance of the Licensing Acts shall be liable to a penalty not exceeding *five* pounds.

Mr. W. HUTCHISON, in Committee, to move the following new clauses :—

A. No publican's or accommodation license shall be granted hereafter to any person in respect of premises upon or attached to which there is a billiard-room and a billiard-table.

B. Section one hundred and twenty-six of the principal Act is hereby repealed, and in lieu thereof it is enacted: "No woman other than, and unless she is, the licensee shall be permitted to sell intoxicating liquor in the bar of any licensed house."

Every holder of a license who shall permit the provisions of this section to be broken upon his licensed premises shall be liable on conviction to a penalty not exceeding *twenty* pounds.

C. Section one hundred and sixty-six of the principal Act and subsection eight of section twelve of "The Alcoholic Liquors Sale Control Act, 1893," are hereby repealed, and in lieu thereof it is enacted: "No licensed person shall supply intoxicating liquor, or knowingly allow the same to be supplied (whether by way of sale or otherwise, and whether for consumption on or off the premises), to any woman or to any person apparently under the age of sixteen years of either sex."

Every licensed person who permits a breach of this section, and every person who actually gives or supplies the intoxicating liquor, shall be liable on conviction to a penalty not exceeding *ten* pounds for every such offence, and shall be liable to have his license suspended for *three* months or other longer period in the discretion of the Bench.

D. The bar of every licensed house shall be closed from one o'clock, on one afternoon of every week, on the day fixed as the weekly holiday for shops and other places of business in the town or district respectively.
