Thursday, the 27th Day of October 1960.

AUCKLAND METROPOLITAN DRAINAGE BILL

HON. MR ANDERTON, in Committee, to move the following amendment:

Clause 64: To omit subclauses (5), (6), and (7), and substitute the following subclause:

(5) Notwithstanding anything hereinbefore contained, the Board shall take over the ownership, operation, maintenance, and control of the temporary treatment plant known as the Te Atatu North Treatment Plant when completed by the Waitemata County Council and of any sewers connected therewith which may be or become main sewers, the amount of compensation, if any, payable therefor by the Board to the Waitemata County Council, and any question as to whether any sewer is or may become a main sewer, to be determined by arbitration pursuant to section 94 of this Act.
