Wednesday, the 7th day of September, 1881.

NOTICES RELATING TO ORDERS OF THE DAY.

MUNICIPAL CORPORATIONS BILL.

Mr. BARRON, in Committee, to move the addition of the following new clauses:—

Once in every three months, on a day to be fixed by the Council, any person may apply to have his name or property omitted or placed upon the roll, on the ground that he has ceased to own or has become the owner of any property; and the Council may, if satisfied that notice of such application has been given to all persons affected thereby, order that such person or property shall be omitted or placed upon the roll, and the Council may make any necessary or consequential alterations arising out of such decision.

Whenever a poll shall be taken on the proposal to raise a special loan, there may be a polling-booth in each ward; in which case every burgess shall be only entitled to vote in the ward in which his qualification arises.

With the assent of the ratepayers in any ward of a borough, the Council thereof may borrow money for special works within such ward, and a special rate shall be levied within such ward to provide a sinking fund and the payment of interest on the moneys so borrowed; and all moneys so borrowed, and the interest thereon, shall be a charge against such ward.

The said assent of the said ratepayers of such ward shall be ascertained by a poll, to be taken in the manner provided by sections one hundred and forty and one hundred and forty-one of "The Municipal Corporations Act, 1876."

Separate accounts shall be kept of all moneys borrowed or received as rates, and of all expenditure in respect of special works in a ward under the last preceding section.

Section ten of "The Municipal Corporations Acts Amendment Act, 1880," is hereby repealed, and the following is substituted therefor:—

If the number of votes given for the proposal exceeds the number given against it by one-fifth, or more than one-fifth, of the latter, the resolution in favour of the proposal shall be deemed to be carried, and the Council shall proceed with the proposal accordingly; but, if there is not such a majority in favour of the proposal, the resolution shall be deemed to be rejected, and the Council shall not so proceed.

ANIMALS PROTECTION ACT AMENDMENT BILL.

Hon. Mr. DICK, in Committee, to move the insertion of the following new clause:—

The power of the Governor, under the twentieth section of the said Act, of declaring by notification that any animals or birds shall cease to be within the operation of the said Act, or that any game or native game shall cease to be deemed such within the provisions of the said Act, may be exercised from time to time in a limited manner, to have effect only within such districts or parts of the colony as shall be specified in such notification.
