To insert, after clause 4, the following new clause:

4A. Differential rating by Waitemata County Council to be mandatory—(1) Section 66A of the principal Act (as inserted by section 10 of the Auckland Regional Authority Amendment Act 1969) is hereby amended—

(a) By omitting the words “any such Council may”, and substituting the words “the Manukau City Council may, and the Waitemata County Council shall”;

(b) By inserting, after the words “instead of”, the words “paying the amount out of its ordinary revenue of funds or of”.

(2) This section shall come into force on the 1st day of April 1971.

EXPLANATORY NOTE

Section 66A of the Auckland Regional Authority Act 1963 (as inserted by section 10 of the Auckland Regional Authority Amendment Act 1969) conferred on the Manukau City Council and the Waitemata County Council a discretionary power to use a differential rate to collect levies assessed under that Act, the intention being that such levies should be collected from the part or parts of the districts in respect of which the levies are assessed. The levies have not been collected in this manner.

The purpose of this amendment, which comes into force on 1 April 1971, is to make it mandatory for the Waitemata County Council to collect the levies by means of a differential rate on all rateable property which is for the time being situated within the part or parts of its district with regard to which the levies are assessed.
