AGRICULTURE (EMERGENCY REGULATIONS CONFIRMATION) BILL (NO. 2)

Proposed Amendments

Hon. COLIN MOYLE, in Committee, to move the following amendments:

To omit *clause 2*, and substitute the following clause:

2. Confirmation—The Dairy Industry Regulations 1977, Amendment No. 3 are hereby validated and confirmed.

To insert, before *clause 3*, the following clause:

2A. Revocation—The Milk Production and Supply Regulations 1973, Amendment No. 3 are hereby revoked as from their commencement; and, as soon as is possible after the commencement of this Act, all inspection fees paid before that commencement under the Milk Production and Supply Regulations 1973 shall be refunded in full.

EXPLANATORY NOTE

These amendments have the effect that the Milk Production and Supply Regulations 1973, Amendment No. 3 will not now be validated and confirmed. If no other action were taken, those regulations would lapse only at the end of the present session, and therefore would have been in force, and be required to be enforced, in respect of the period between their commencement and the end of the session. Accordingly, new *clause 2A* revokes them as from their commencement.
