

SUPPLEMENTARY ORDER PAPER.

HOUSE OF REPRESENTATIVES.

Monday, the 18th Day of November, 1907.

GAMING AND LOTTERIES BILL.

Mr. JENNINGS, in Committee, to move the following new clauses:—

All investments
on totalisator
must be made
in cash.

A. (1.) It shall be unlawful for any racing club to issue in blank form "paying-in slips" or to receive any slips for the purpose of receiving or indicating the amount of the investments on the totalisator by any investor.

(2.) All investments on the totalisator must be in cash or with a cheque on some bank trading within New Zealand.

(3.) The breach of this section is an offence, and the penalty shall be a fine of not more than *one* hundred pounds for each offence, which shall be recoverable from the person tendering and also against the club that issues or receives any such slips.

Inspectors to be
appointed.

B. The Government shall appoint Inspectors, one of whom shall attend all race meetings where the totalisator is used, and whose duty it shall be to see that all investments are properly recorded on the totalisator, and to check and certify to same, and generally to see that the provisions of this Act are lawfully carried out. A charge of one-eighth per centum in addition to any percentage now charged shall be deducted from the revenue of the totalisator and payable to the Government. Such sum shall be applied to paying the salaries of such Inspectors.

[NOTE.—Recently in Christchurch, at the Christchurch Jockey Club Meeting, although the totalisator was shut before the time of starting the various races, yet in several instances money was rung on the machine after the race was run, hence the necessity of the Government appointing Inspectors.]
