HOSPITALS AMENDMENT BILL

*Proposed Amendments*

Hon. Mr McKAY, in Committee, to move the following amendments:

*Clause 1:* To omit from subsection (2) the words and figures "section 15", and substitute the words and figures "sections 10 and 15".

*Clause 10:* To add the following subsection:

"(3) This section shall come into force on the first day of January, nineteen hundred and seventy".

---

EXPLANATORY NOTE

*Clause 10* is designed to replace section 51 of the Destitute Persons Act 1910 so far as that section applies to hospitals under the Hospitals Act 1957. The repeal of the Destitute Persons Act 1910 is provided for in the Domestic Proceedings Bill which is not to come into force until 1 January 1970, and it is therefore necessary to provide for *clause 10* to come into force on the same date.
